Third Fired From Job In Courthouse

GOP Commissioner Action Draws Fire Of Democrat Head

LISBON — The Courthouse job dispute grew warmer today as the Republican commissioners discharged a third Democrat employe and the county Democratic leader indicated his party will seek dismissal of GOP-appointees, including the County Home superintendent.

Commissioners Galen Greenisen and Walter Hunston Monday released Mrs. Ruth Wining of Columbiana, clerk in the dog warden's office, on grounds she engaged in political activity against Civil Service regulations.

This morning, Don R. Gosney of Columbiana, county Democratic chairman, said "We deplore this type of practice, but we are going to fight against it whether on a low or high plane."

Gosney said, "Since we are forced into this situation, we are thinking of filing charges against the County Home superintendent for poltical activities, ever since he was appointed under Civil Service."

Mrs. Winng, along with Miss Patricia Barborak of West Point, Mrs. Jane Case of Columbiana, and Mrs. Camillia Smith of Wellsville was discharged by the two GOP commissioners in February 1961.

The 7th District Court of Appeals and the Ohio Supreme Court ruled the four had acquired Civil Service status and could not be summarily discharged, and directed they be returned.

Mrs. Smith's post had been abolshed, but the others returned to their jobs last week. However, the two commissioners said they would be released for taking part in political activity while under Civil Service and Miss Barborak and Mrs. Case were dismissed Thursday.

The commissioners did not list the specific political activity for which they were released.

Yesterday Mrs. Wining was fired on grounds she held office in a Democratic organization and passed around a petition for a party candidate while under civil service.

Mrs. Esther DeTemple, appointed by the Republicans to serve in the dog warden's office for the past 15 months, returned in Mrs. Wining's place today. Mrs. Esther Turk of Signal and Mrs. Alma Huffman of East Palestine replaced the other two last week.

Gosney declared today, "We are also thinking of filing charges against many other Republican employes under Civil Service and also state employes in the county."

He commented, "The prosecutor's office is working overtime to fire three efficient workers while many criminal cases have been left to continue for years."

15 Suspects Held In Plot On De Gaulle

PARIS (AP) — French police spread a dragnet across France and terror-ridden Algeria today for more Secret Army Organization killers implicated in an abortive plot to assassinate President Charles de Gaulle.

At least 15 suspects were held for questioning in Paris as authorities announced the smashing of the second secret army attempt on De Gaulle's life in eight months.

Arrests made in Paris, in the French Mediterranean port of Marseille and in Algiers broke up the secret army conspiracy to kill De Gaulle during his tour of central France last week.

Some of the conspirators remained at large, however, and police pressed a search for them in France and Algeria.

Police pictured the suspects as a desperate band of killers intent on removing France's strong-willed leader and plunging the nation into chaos in an effort to block Algerian independence.

Federal Bureau Clears St. Clair In Programming

The Federal Bureau of Public Roads has approved programming of construction of a new 36-foot roadway on St. Clair Ave. from Princeton Ave. to the city limits, City Council was informed Monday night by Safety - Service Director Robert Owen.

Owen read to Council a copy of a letter sent to Mayor Bert H. Goodballet from the State Highway Department concerning the federal road agency's approval conditioned on the proposed method of operation and parking regulations to be enforced.

—:—

THE LETTER GAVE no date when construction bids on the 8,500-foot project would be sought but City Engineer George S. Bloomgren indicated it probably would be early fall, explaining final approval of the plans must be secured and enabling legislation enacted by Council before bids can be received.

The city already has complied with the highway department's request by furnishing the central office in Columbus with the proposed operating and parking regulations for review and submission to the federal bureau, Bloomgren said.

The suggested operating regulations provide for two inbound and one outbound lane of traffic between 6 and 9 a. m. and two outbound and one inbound between 3 and 6 p. m.

—:—

DURING the two periods of heaviest use, parking would be prohibited on both sides of the highway. For the remainder of the time, parking would be allowed on the west side only, Bloomgren continued.

Although the plans provide for a 36-foot roadway, the letter from R. N. Ricketts, secondary projects engineer in the Columbus office, to William P. McKenna, Division 11 deputy director at New Philadelphia, suggested the roadway be 40 feet.

Ricketts said the additional four-foot width "would materially increase the capacity and traffic operations on this street." The additional width could be obtained

Weather, Forest Fire Smoke Threats Vanish, Experts Say

CAPE CANAVERAL, Fla. (AP) —Twin threats of weather and forest fire smoke dissolved today and Project Mercury officials were optimistic that astronaut Malcolm Scott Carpenter could be launched on his orbital flight Thursday.

Weather experts said smoky haze from two widely scattered fires was not settling in this area as feared Monday. They said there probably will be some haze in the launching area Thursday but it should not interfere with camera tracking of the Atlas booster rocket.

The fires are in the Everglades, south of Cape Canaveral, and in a marsh 15 miles to the west. The latter was reported only smouldering today.

Possibility of heavy clouds above the Cape on Thursday apparently vanished overnight when a storm front in the Midwest shifted direction to the north-northeast. The storm earlier was pushing the clouds toward Florida.

There was a possibility of winds and waves in the Atlantic recovery areas, but officials believe conditions will be acceptable on Thursday.

SACRAMENTO, Calif. (AP) — Assemblyman Charles E. Chapel today awaits sentencing for violating California's airplane bomb hoax law—a statute he voted for twice.

100 To Face Quizzing In Estes Probe

Witnesses Are Due From Kennedy, Ike Administrations

WASHINGTON (AP) — The Senate investigations subcommittee will question at least 100 witnesses from both Kennedy and Eisenhower administrations in exploring the dealings of Billie Sol Estes, informed sources said today.

The subcommittee plans a public airing into allegations that influence in Washington helped the indicted financier build his vast cotton and grain storage empire. Estes is awaiting trial on fraud charges and has declared himself bankrupt.

The subcommittee plunged into closed sessions Monday to question witnesses in preparation for the public hearings which Chairman John L. McClellan, D-Ark., said may be televised.

It quizzed two witnesses for 4½ hours in McClellan's office.

One was N. Battle Hales, an Agriculture Department employe who contends he can prove Estes received favored treatment from department officials.

The other was Walter C. Berger, an Agriculture Department official under the Eisenhower administration. Berger subsequently became a director of the Commercial Solvents Corp. of New York and dealt with Estes on multimillion-dollar liquid fertilizer contracts which are under scrutiny in the inquiry.

Estes became, by cut-rate sales, one of the nation's biggest dealers in anhydrous ammonia fertilizer, which he got from Commercial Solvents. To pay the company, he assigned to it the payments he received for storing government grain.

McClellan refused to give an inkling of what the two men had told the subcommittee.

Chiang Sets Committee

Nationalist China Maps Plans For Red Refugees

TAIPEI, Formosa (AP) — Vice President Chen Cheng met with the Nationalist Chinese government's special refugee committee today to begin planning for the resettlement of refugees from Red China who are willing to come to Formosa.

President Chiang Kai-shek's government set up the committee Monday after a storm of criticism because it had offered a haven to only a comparative few of the thousands of refugees British officials are barring from overcrowded Hong Kong.

It was generally believed, however, that most of the refugees want to remain in Hong Kong, close to their homeland, rather than come to comparatively remote Formosa. Many of the refugees have relatives in the British crown colony, which has given haven to more than 1.5 million Chinese since the Communists conquered the mainland 14 years ago.

Officials said that to expedite the flow of those willing to come to Formosa, security screening to weed out Communist agents would take place after they reach the Nationalist island.

Newspapers in Formosa threw their support behind the government's decision and also backed up the government's appeal for assistance from other non-Communist countries.

Officials of the Hong Kong government had no official comment on the Nationalist offer, leaving that to their parent government in London. Privately, however, considerable skepticism was expressed.

AMA Calls Medicare Cruel Hoax

Would 'Heartlessly Ignore Millions,' Leaders Declare

NEW YORK (AP)—The American Medical Association has countered President Kennedy's plea for support of his medical care for the aged plan with an attack on the measure as a cruel hoax that would "heartlessly ignore millions" who need coverage.

In a paid, nationally televised reply to the President, association leaders said Monday night the public is in danger of being "blitzed, brainwashed into swallowing" a plan that would disrupt health services and turn patients into impersonal numbers.

The Kennedy-backed King-Anderson measure provides for medical care for the aged under Social Security.

Following the AMA telecast, Secretary of Health, Education and Welfare Abraham Ribicoff declared that it was "just another staging of 'let's fool the American people again'" and charged that it omitted important factors.

The AMA representatives spoke from Madison Square Garden, the same spot from which Kennedy urged support of the King-Anderson measure a day earlier in a free-time public service national telecast.

But whereas Kennedy spoke before a live audience of 17,500, the two AMA spokesmen sat alone in the vast arena—an arrangement that they said "may help us get across to the American people the grossly unfair disadvantage under which we doctors are laboring to make our voices and our reasons heard."

Youngsters Injured As Car Leaves Road

Two LaCroft youngsters received minor injuries when the car in which they were passengers with four others veered off Route 170 at Fredericktown late Monday night and rammed guardrails and a utility pole.

The Ohio Highway Patrol at Lisbon said a 1957 sedan driven south by George H. Stephens, 40, of M. C. Route 22, East Liverpool, failed to round a curve about 11 p. m. and hit the guardrails and power pole, damaging the front of the auto.

Treated at City Hospital a few hours later wee Nancy Shenton, 16, daughter of Mrs. Denna Hickman of 6th Ave., LaCroft, who suffered rib injuries, and her brother, James Shenton, 14, who received a possible head injury when he struck the rear door window.

Also in the car were Robert Hall of 5th Ave., LaCroft, and John Coble, David Coble, and Becky Coble, also of LaCroft.

The family said the group was returning from Beaver Creek where they had been swimming. Stephens, who is an uncle of the Shentons and Hall, was charged with unsafe operation.

Craft Rolls Over In Air, Report Says

Wreckage Strewn Over Wide Area In South Bavaria

EBERSBERG, Germany (AP) —A four-engine U.S. Navy transport plane crashed and burned near this south Bavarian town today. American military police reported from the scene at least 20 persons were killed.

A U.S. Army spokesman at Munich said the WV2 Constellation apparently exploded in the air and lost its tail section before it hit the ground in an open field.

German eyewitnesses reported seeing the aircraft roll over in the air several times before crashing.

Wreckage was strewn over a wide area. Witnesses said some of the bodies were badly burned or mangled.

First to reach the scene was the mayor of Markt Schwaben. He said he and other would-be rescuers were unable to get close to the plane because of the flames. German fire fighters finally brought the fire under control.

Roads leading into this rural area were jammed by long lines of automobiles, attracted by the explosion and blaze.

The U.S. Air Force European headquarters at Wiesbaden identified the plane as a Navy transport flying between Rota, Spain, and Frankfort.

An alarm brought 14 German fire engines to the scene 10 miles east of Munich close to the village of Markt Schwaben.

Mathias Wolf, who works in the community hall at Markt Schwaben, gave this eyewitness account of the crash:

"The plane crashed from an altitude of about 9,000 feet out of a completely clear sky. It was not yet on fire while in the air. The plane rolled over several times in the air and then crashed a couple of hundred yards from our village. There was an explosion as if an atomic bomb had dropped."

At the nearby village of Amzing, the wife of the mayor said she heard the roar of a low-flying plane and then an explosion. She could not tell whether the explosion occurred before or after the plane struck the ground.

Group Clears 'Fringes' For City Workers

Council Committee Will Make Specific Report On 3 Plans

The three-man finance committee recommended to Council Monday night that it provide three fringe benefits for all city employes, including a hospital and life insurance program, premium wages for overtime work and a specific amount of "call - back pay" for employes summoned to duty in off-hours.

The recommendations were presented in a four-page typewritten report presented to Council in caucus. The committee is comprised of Councilmen George E. Willshaw, chairman, Robert W. Sample Jr. and Edward Massey.

Acting at the group's recommendation, President Charles N. Edwards then appointed a special committee to study the suggestions and make specific recommendations to Council for implementing them.

The investigating committee is comprised of Massey, chairman, and Councilman Floyd Murray and S. James Welch. Edwards explained he named Massey as a representative of the finance committee, Murray from the planning committee and Welch from the rules committee.

The committee's report did not recommend whether the city should pay all or part of the premiums under the insurance program. However, it included data furnished by the Ohio Municipal League, a statewide organization of cities, showing the practices in other communities.

Of 21 Ohio cities in East Liverpool's population bracket, 17 have hospitalization plans in effect. In one case, the city pays the entire premium. In the other 16, employes bear all the cost, the report said.

Of the same cities, five have life insurance programs for their employes, the report said. Employes bear the entire cost in each case.

The Council committee pointed out, however, that the last session of the State Legislature enacted a law allowing cities to pay all or part of life insurance premiums for their workers. Previously, such action was banned by

Driver Jailed As City Judge Cites Car Toll

Declaring that careless or drinking drivers have been responsible at least in part for Columbiana County's rapidly-growng 1962 traffic toll, Municipal Judge Samuel M. Chertoff today imposed a 30-day County Jail term and a fine of $250 and costs on a Midland man whom he convicted of driving while under the influence of alcohol.

The judge acted after conducting a lengthy hearing for Okey Sipe, 52, of 520 Midland Ave., who was arrested at 12:39 a. m. Sunday on W. 4th St. by Patrolman Samuel E. Hayes.

In addition, the judge said he will forward Sipe's operator's permit to the Pennsylvania Bureau of Motor Vehicles with a suggestion that it be suspended. An Ohio court has no legal right to suspend the license issued by another state, but the motorist's right to drive in Ohio may be suspended.

Lecturing Sipe severely, the judge pointed out 16 persons have been killed in Columbiana County traffc to date in 1962, compared with four at the same time in 1961.

"I'm of the opinion that some of these deaths were caused by

Sledges Used On 4 Seized In Raid At Chester Area Spot

Four slot machines seized in a raid on Club Paddock on Route 30 east of Chester Nov. 27 were destroyed by West Virginia State Police in Weirton Monday morning.

Officers used sledge hammers to batter the "one-armed bandits" into useless junk, then doused the smashed parts with gasoline and applied a torch.

An order authorizing officers to destroy the machines was signed April 3 by Arthur E. Lewis, 43, of Chester at a hearing before squire John Bryan of New Cumberland.

Lewis was cited on two charges in the raid touched off by two Hancock County commissioners and was fined $100 and costs for possession of gaming equipment. The second charge was possession of alcoholic liquor on licensed premises.

Cape Cod Seeks To Stem Flow Of Freedom Riders

By The Associated Press

The citizens of Cape Cod, Mass., have asked for help to stem the flow northward of Negroes given one-way bus tickets by segregationist groups in the South.

The actions were taken while two Negro women and their 20 children were aboard buses on their way from Little Rock, Ark., to Hyannis, Mass.

President Kennedy and other members of his family own summer homes in Hyannis Port, which is only four miles from Hyannis where the bus rides terminate. Hyannis and Hyannis Port are parts of the Town of Barnstable.

At the statehouse in Boston, Republican Rep. Allan F. Jones of Barnstable appealed to Atty. Gen. Robert F. Kennedy to join with Southern legislators to "do all in their power to stop this evil scheme."

Jones described the Negro riders as "pawns in a diabolical, inhuman game of revenge." He said they were being told "an indecent lie that good homes and good jobs await them when they arrive."

At Hyannis, selectmen met in emergency session and appealed to U.S. House Speaker John W. McCormack, D-Mass., to formulate legislation against any state exporting welfare cases.

Twelve Negroes have arrived in Hyannis during the past 10 days and all but two have been given quarters in a dormitory of the Cape Cod Community College in Hyannis. The two mothers and their 20 children are to be lodged there.

Sabin Polio Clinics To Be Held 3 Days

Officials of the Columbiana County Medical Society are hoping to provide Sabin oral polio vaccine doses to over 55,000 adults and youngsters in the final series of clinics Wednesday, Thursday and Saturday.

The Type II vaccine will be distributed at clinics in the East Liverpool, Wellsville and Salineville areas Thursday and Saturday from 1 to 7 p. m. Elsewhere in the county, the clinics will be held Wednesday and Thursday.

There will be no charge for the tasteless vaccine in this final series, physicians said, because of savings in expenses due to volunteer help and other factors in previous clinics.

Doctors urge all adults and children to obtain the oral vaccine to provide increased protection against the crippling disease.

About 54,000 received the Type III vaccine in April and over 52,000 received the Type I dosage in March.

The clinics in the East Liverpool area, originally slated for Wednesday, were delayed a day because the society felt more people would be available to attend clinics Thursday.

The clinics will be held at Westgate School, East Junior High School, Calcutta fire station and at the high schools at Wellsville and Salineville.

Group Clears 'Fringes' For City Workers

Council Committee Will Make Specific Report On 3 Plans

The three-man finance committee recommended to Council Monday night that it provide three fringe benefits for all city employes, including a hospital and life insurance program, premium wages for overtime work and a specific amount of "call - back pay" for employes summoned to duty in off-hours.

The recommendations were presented in a four-page typewritten report presented to Council in caucus. The committee is comprised of Councilmen George E. Willshaw, chairman, Robert W. Sample Jr. and Edward Massey.

Acting at the group's recommendation, President Charles N. Edwards then appointed a special committee to study the suggestions and make specific recommendations to Council for implementing them.

The investigating committee is comprised of Massey, chairman, and Councilman Floyd Murray and S. James Welch. Edwards explained he named Massey as a representative of the finance committee, Murray from the planning committee and Welch from the rules committee.

The committee's report did not recommend whether the city should pay all or part of the premiums under the insurance program. However, it included data furnished by the Ohio Municipal League, a statewide organization of cities, showing the practices in other communities.

Of 21 Ohio cities in East Liverpool's population bracket, 17 have hospitalization plans in effect. In one case, the city pays the entire premium. In the other 16, employes bear all the cost, the report said.

Of the same cities, five have life insurance programs for their employes, the report said. Employes bear the entire cost in each case.

The Council committee pointed out, however, that the last session of the State Legislature enacted a law allowing cities to pay all or part of life insurance premiums for their workers. Previously, such action was banned by

Driver Jailed As City Judge Cites Car Toll

Declaring that careless or drinking drivers have been responsible at least in part for Columbiana County's rapidly-growng 1962 traffic toll, Municipal Judge Samuel M. Chertoff today imposed a 30-day County Jail term and a fine of $250 and costs on a Midland man whom he convicted of driving while under the influence of alcohol.

The judge acted after conducting a lengthy hearing for Okey Sipe, 52, of 520 Midland Ave., who was arrested at 12:39 a. m. Sunday on W. 4th St. by Patrolman Samuel E. Hayes.

In addition, the judge said he will forward Sipe's operator's permit to the Pennsylvania Bureau of Motor Vehicles with a suggestion that it be suspended. An Ohio court has no legal right to suspend the license issued by another state, but the motorist's right to drive in Ohio may be suspended.

Lecturing Sipe severely, the judge pointed out 16 persons have been killed in Columbiana County traffc to date in 1962, compared with four at the same time in 1961.

"I'm of the opinion that some of these deaths were caused by

Police Batter 'Slots' From Club Paddock

Sledges Used On 4 Seized In Raid At Chester Area Spot

Four slot machines seized in a raid on Club Paddock on Route 30 east of Chester Nov. 27 were destroyed by West Virginia State Police in Weirton Monday morning.

Officers used sledge hammers to batter the "one-armed bandits" into useless junk, then doused the smashed parts with gasoline and applied a torch.

An order authorizing officers to destroy the machines was signed April 3 by Arthur E. Lewis, 43, of Chester at a hearing before squire John Bryan of New Cumberland.

Lewis was cited on two charges in the raid touched off by two Hancock County commissioners and was fined $100 and costs for possession of gaming equipment. The second charge was possession of alcoholic liquor on licensed premises.

Some Due Near Kennedy's Home

Cape Cod Seeks To Stem Flow Of Freedom Riders

By The Associated Press

The citizens of Cape Cod, Mass., have asked for help to stem the flow northward of Negroes given one-way bus tickets by segregationist groups in the South.

The actions were taken while two Negro women and their 20 children were aboard buses on their way from Little Rock, Ark., to Hyannis, Mass.

President Kennedy and other members of his family own summer homes in Hyannis Port, which is only four miles from Hyannis where the bus rides terminate. Hyannis and Hyannis Port are parts of the Town of Barnstable.

At the statehouse in Boston, Republican Rep. Allan F. Jones of Barnstable appealed to Atty. Gen. Robert F. Kennedy to join with Southern legislators to "do all in their power to stop this evil scheme."

Jones described the Negro riders as "pawns in a diabolical, inhuman game of revenge." He said they were being told "an indecent lie that good homes and good jobs await them when they arrive."

At Hyannis, selectmen met in emergency session and appealed to U.S. House Speaker John W. McCormack, D-Mass., to formulate legislation against any state exporting welfare cases.

Twelve Negroes have arrived in Hyannis during the past 10 days and all but two have been given quarters in a dormitory of the Cape Cod Community College in Hyannis. The two mothers and their 20 children are to be lodged there.

Craft Rolls Over In Air, Report Says

Wreckage Strewn Over Wide Area In South Bavaria

EBERSBERG, Germany (AP) —A four-engine U.S. Navy transport plane crashed and burned near this south Bavarian town today. American military police reported from the scene at least 20 persons were killed.

A U.S. Army spokesman at Munich said the WV2 Constellation apparently exploded in the air and lost its tail section before it hit the ground in an open field.

German eyewitnesses reported seeing the aircraft roll over in the air several times before crashing.

Wreckage was strewn over a wide area. Witnesses said some of the bodies were badly burned or mangled.

First to reach the scene was the mayor of Markt Schwaben. He said he and other would-be rescuers were unable to get close to the plane because of the flames. German fire fighters finally brought the fire under control.

Roads leading into this rural area were jammed by long lines of automobiles, attracted by the explosion and blaze.

The U.S. Air Force European headquarters at Wiesbaden identified the plane as a Navy transport flying between Rota, Spain, and Frankfort.

An alarm brought 14 German fire engines to the scene 10 miles east of Munich close to the village of Markt Schwaben.

Mathias Wolf, who works in the community hall at Markt Schwaben, gave this eyewitness account of the crash:

"The plane crashed from an altitude of about 9,000 feet out of a completely clear sky. It was not yet on fire while in the air. The plane rolled over several times in the air and then crashed a couple of hundred yards from our village. There was an explosion as if an atomic bomb had dropped."

At the nearby village of Amzing, the wife of the mayor said she heard the roar of a low-flying plane and then an explosion. She could not tell whether the explosion occurred before or after the plane struck the ground.

Sabin Polio Clinics To Be Held 3 Days

Officials of the Columbiana County Medical Society are hoping to provide Sabin oral polio vaccine doses to over 55,000 adults and youngsters in the final series of clinics Wednesday, Thursday and Saturday.

The Type II vaccine will be distributed at clinics in the East Liverpool, Wellsville and Salineville areas Thursday and Saturday from 1 to 7 p. m. Elsewhere in the county, the clinics will be held Wednesday and Thursday.

There will be no charge for the tasteless vaccine in this final series, physicians said, because of savings in expenses due to volunteer help and other factors in previous clinics.

Doctors urge all adults and children to obtain the oral vaccine to provide increased protection against the crippling disease.

About 54,000 received the Type III vaccine in April and over 52,000 received the Type I dosage in March.

The clinics in the East Liverpool area, originally slated for Wednesday, were delayed a day because the society felt more people would be available to attend clinics Thursday.

The clinics will be held at Westgate School, East Junior High School, Calcutta fire station and at the high schools at Wellsville and Salineville.

Claims Records Inadequate

Rhodes Cites Financial Errors In State Bindery

COLUMBUS, Ohio (AP) — State Auditor James A. Rhodes charged today that the financial records of the state bindery, a million-dollar enterprise operated by the Ohio Department of Finance, were found to be inadequate and disclosed numerous unbusiness-like practices.

Rhodes' statement was made following a state examiner's report covering a period from June 1, 1958, to Nov. 30, 1961.

In one instance, Rhodes said, the examiners report showed that the bindery's cash account on June 30, 1960, was out of balance with the state auditor's records by $48,964. But the next day the auditor's balance was taken as the opening balance for the new fiscal year with no evidence that the difference had been reconciled, said Rhodes, the Republican candidate for governor in the November election.

In another instance, a $12,000 error was made in posting a voucher in November 1959 and was not corrected until June 1961, the auditor asserted. In the meantime, closing balances for 1960 and 1961 fiscal years were affected by the error.

Rhodes said the report gave these conditions of the bindery's records:

—No consistent pattern is used in maintaining basic records.

—Many errors of ommission and commission were found.

— Bookkeeping procedures were often subordinated to other work by the business office.

—Lack of management and cooperation among the personnel of the business office in the Department of Finance which has supervision of the bindery.

—The conditions of the records indicates the lack of management control and maintenance of records by inexperienced personnel.

On Nov. 30, 1961, the examiner's report listed the bindery assets at $1,267,562. It had receipts of $8,797,186 during the 3½ year period covered by the report and showed a net profit of $263,750.

Confession Of 2 Murders Claimed To Be Hoax Now

CARTHAGE, Mo. (AP) — Bill Jack Greer, 24, of Ironton, Ohio, now says his confession of two murders in Ashland, Ky., was a hoax, highway patrolman Joe Hart said Monday.

Greer and Tommy Joe Waddle, 25, were captured in Carthage last Thursday and charged with burglary of a laundry in Joplin, Mo.

Greer created a stir by saying he killed a young couple March 14. Two Kentucky officers came to Carthage and decied Greer's story was a fake. They said he was in jail in Grayson, Ky., at the time of the slayings.

Greer said he read about the shooting of Mr. and Mrs. Donald Ray Howard and saw coverage of the case on television.

"I just made it up because I was out on bond on two charges in Ashland and I didn't want my uncle to lose any money," Hart quoted Greer as saying. He said his uncle had put up the bond.

Greer also said he wanted to cause Sgt. Bill Van Hoose of the Kentucky Patrol "some trouble, because I knew he would come out here."

Greer, however, signed a statement admitting breaking and entering the Joplin dry cleaning firm last Wednesday night.

He and Waddle, also of Ironton, are in the Jasper County jail awaiting arraignment on charges in connection with the burglary.

Former Convict Held In Slaying Of 2 Detectives

NEW YORK (AP)—An ex-convict named by police as the triggerman in the slaying of two Brooklyn detectives in a holdup has been captured in a motel in a Chicago suburb. A man accused of helping to arrange his flight has been arrested here.

A nationwide manhunt is on for two ex-convicts wanted for the murders. Their photographs and descriptions have been circulated.

The prisoner seized in the Chicago suburb is Anthony (Baldy) Portelli, 26, Brooklyn.

Portelli agreed Monday night to waive extradition proceedings. He denied firing the shots that mowed down detectives Luke J. Fallon, 56, and John P. Finnegan, 26, who held New York police department citations for valor.

The men sought are:

Jerome (Jerry) Rosenberg, 24, alias Samuel J. Rosenberg and Edward Arnold, Brooklyn. Police said he has a divorced wife and 2-year-old daughter in Texas City, Tex. He was paroled Jan. 17 from Great Meadow Correctional Institute at Comstock, N.Y.

Park Group Plan Revived At Salineville

SALINEVILLE — Reorganization of a park committee, to provide for playgrounds and recreation areas for young people, was discussed at a meeting of Council Monday night.

Councilman Donald Lewis proposed the park committee plan, and it was reported that a similar committee was founded a number of years ago, about 1955.

Lewis was authorized to confer with members of the original committee and to study a park program.

In other action, Council approved a suggestion by Mayor Staniey Fitch that the storeroom of the Village Hall, vacated recently by Harry Shaff, be utilized by the Salineville Area Historical Society for a meeting place and site to store collected items.

Shaff had used the storeroom for his drugstore business while repairs were being made to his fire - damaged building adjacent to the Village Hall.

Council also authorized use of the storeroom for bake sales by church and charity groups.

Repairs to the chimney at the Village Hall were authorized, and Council approved purchase of paint for use on the back porch and rear of the building. Police Chief Roy Lewis volunteered to do the painting.

An ordinance abolishing the post of deputy marshal was passed by Council. The move completes the reorganization of the police department with Police Chief Lewis working or on call six days a week, with aid from special officers. Previously, the police chief worked alternately with a deputy marshal.

Mayor Fitch reported $416 collected in fines since Jan. 1.

Discussion was held on proposed installation of parking meters in the village, with Mayor Fitch again declaring the revenue from meters would benefit finances.

He said he has bids on installation from the Rockwell Manufacturing Co. of Pittsburgh and the Kountz Co. of Elmwood, Pa., and is awaiting final price estimates from the Mark Time Co. of Cleveland.

A complaint from John Ehlenbach of Route 644 about parking congestion at his home from a nearby dairy drive - in store was taken under study by the street committee.

Council also discussed the possibility of firemen hosing down Main St. to clean it in preparation for Memorial Day. Mayor Fitch is to request the firemen's assistance.

Bargaining Election Ordered At 4 Firms

CINCINNATI (AP) — The National Labor Relations Board says an order has been issued for a collective bargaining election among warehousemen employed in Columbus by Colonial Stores, the Kroger Co., A. & P. Stores and the Ohio Cartage Co.

A date for the election has not been set.

The election will involve Truck Drivers Local 413 of the Teamsters' Union and the AFL - CIO Drivers' and Warehousemen's Union.

A spokesman for the NLRB said application for a charter for the latter union has been made with the AFL-CIO.

Midland Youth Awaits West Point Graduation

Cadet Larry R. Needs, 21, son of Mr. and Mrs. Robert H. Needs, 1101 Beaver Ave., Midland, is scheduled to be graduated June 6 from the U. S. Military Academy at West Point.

Upon graduation, he will be commissioned a second lieutenant in the artillery and will receive a bachelor of science degree. At West Point he was active on the debate council and forum and in the ski, pistol, weight - lifting and art clubs. He was a member of the rocket society, and academic group.

Needs was a cadet sergeant during his senior year. He is a 1958 graduate of Lincoln High School.

Hancock PTA Hears New Yorker

PTA COUNCIL INSTALLS. Seated as officers at the annual dinner meeting of the Hancock County PTA Council Monday night were, from left, Mrs. Ted Cwiczynski, re-elected secretary; Harold Proudfoot, third vice president; Mrs. Claudius A. Ford, first vice president; Joseph Endry, treasurer; Mrs. Charles V. Wagner, president, and Mrs. Stanley Zapor, second vice president.

An address by Dr. Stanton Leggett of New York and installation of officers featured the annual dinner meeting of the Hancock County PTA Council Monday night.

A crowd of 164 attended in the Chester Masonic Temple when Mrs. Charles V. Wagner of Chester was seated as president to succeed Mrs. Anthony DiBart of Weirton.

Also installed by Mrs. John Stankiewicz of Weirton, past president, were Mrs. Claudius A. Ford, first vice president; Mrs. Stanley M. Zapor, second vice president; Harold Proudfoot, third vice president; Mrs. Ted Cwiczynski, secretary, and Joseph Endry, treasurer.

Dr. Leggett, an educational consultant with Engelhardt, Engelhardt & Leggett, was introduced by Supt. Robert H. Hall. The firm is employed as school program consultant in the county's $5-million expansion program. William Kellam of Kellam & Foley, Columbus architects, was also present.

Merit awards for membership were presented the Newell Jefferson and Weirton Fort Jefferson PTA's, while the Werton Cove and Pughtown units won magazine awards.

Six recipients of life memberships the past year were introduced, including Mrs. Clarence Nease of Newell.

Mrs. DiBart introduced guests. Mrs. Paul Barnett gave the invocation. A girls' chorus of Weir High School, directed by Betty Virtue, sang several selections.

New Council officers will meet with local presidents June 1 at New Cumberland High School, it was announced.

The state PTA convention will be held Oct. 17-19 at Oglebay Park in Wheeling. A leadership school will be held July 27-29 at Jacksons Mills.

Mrs. Charles French of Chester was general chairman of the annual meeting. Her committee included Mrs. Wilbur Staley, Mrs. John Abrams, and Mrs. Howard Hayward.

Little Theater Group To Give Comedy In First Production

The newly - formed Little Theater at Wellsville has selected its first stage play and tryouts are scheduled.

The organization will present the three - act light comedy, "You Can't Take It With You."

Tryouts for the play will be held Wednesday, Friday and next Tuesday nights at 7:30 at the Liberty Art Theater. After the casting is completed, it expected at least six weeks rehearsal will be needed before the show can be presented.

Mrs. Martha Wilson is serving as director. There are seven female roles and 12 male roles in the play.

The casting calls for three women approximately 50 to 60 years old, three 20 to 30 and one 30 to 40. Five men from 40 to 55 are needed, one from 65 to 70 and three 20 to 35 with three walkons.

It was pointed out the ages are approximate. Stage hands, make-up workers and ushers also are needed.

During the tryouts, work on cleaning the theater will continue. Those interested may report in old clothes so the cleanup can continue backstage.

Plans call for advance sale of tickets. The number of nights the play will be presented will be determined on how it is received by the general public. The profits will be used to purchase costumes and scenery and pay for scripts for future plays.

Testimony Opens In $40,000 Suits

Testimony continued today in Common Pleas Court in Lisbon two suits totaling $40,000 for personal injuries, damages and expenses filed by Alberta L. and Vincent Camerlin of New Cumberland R. D. 2, as the result of a two-car collision June 18, 1960, at the Lisbon St. intersection with W. 8th St.

Mrs. Camerlin claims the defendant, John Starr, 811 Lisbon St., going west on W. 8th, ignored a stop light and collided with her car.

Mrs. Camerlin seeks $30,000 for alleged back injuries and her husband $10,000 for expenses of his wife and for damages.

The jury seated Monday afternoon by Judge Raymond S. Buzzard includes Betty Coie, Dorothy Cartwright, Donna Pethtel and Phyllis Mountford of East Liverpool; Josephine Koontz of Wellsville, June Janovec and Maria Ursu of Salem, Irene Heston of Beloit R. D. 2, Lawrence Anderson and Mary J. Morlan of Columbiana and Jay Southerin of New Waterford. Wendell Hamilton of Salem is alternate.

A delegation of five Explorers will represent the Columbiana Boy Scout Council at the first national Explorer delegate conference Aug. 26-30 at the University of Michigan at Ann Arbor.

The delegates, elected by the district and council Explorer Cabinets, include Jerry Hoskinson and Fred Mathews of Post 59 of the Yellow Creek Presbyterian Church, Ed Carnes of Post 21 of the Glenmoor Presbyterian Church and Ed Clutter and Bill Bulger of Post 7 of St. Aloysius Catholic Church.

Heading the delegation will be Jim L. McKinnon, 235 W. 4th St., advisor for Post 7.

Some 3,500 youths are expected to attend the conference. The theme will be "Our Best Today—for a Better Tomorrow."

Calendar Set For Southern Local Term

A school calendar for 1962-63, starting with sessions Sept. 6, was approved by the Southern Local School District Board of Education Monday night at Summitville.

The calendar calls for Thanksgiving vacation Nov. 22-23, Christmas vacation, Dec. 24-Jan. 1, Easter Vacation, April 11-15, and final session May 29. Classes will be suspended for a teaacher convention Oct. 26, and Washington's birthday Feb. 22.

The board increased the lunch prices at the Franklin School from 30 to 35 cents for adults and from 25 to 30 cents for pupils in line with the districtwide schedule.

On a state recommendation that purchases of canned goods, meat and milk be made from single sources, the board agreed to obtain quotations the first week of July for action at the meeting July 16.

J. W. Sanders of Steubenville was awarded a contract for the repair of the roof at No. 16 School at a cost of $1,097. Prices are to be obtained for patch plastering needed at No. 16 and Salineville schools. It was reported two contractors have inspected the ramp at the Salineville High School for needed repairs, but no cost estimates have been filed.

The athletic committee took under study proposed salary changes for elementary coaches, assistants in minor sports and principals serving as coaches.

The board also took under consideration for later action appointment of a custodian and bus driver at Franklin, legal requirements involved in delegating responsibility to committees, and minor salary schedule changes recommended by the Ohio Education Association.

The board approved organization of a Red Cross "Gray Lady" program in the district, authorized $10 to the Band Boosters to replace dinnerware, and approved teaching contracts for Mrs. Mary Sturgeon, Richard Althar and George Rodfong.

Discussion was held on selection of bus drivers for extra-curricular trips, and it was agreed the drivers will be picked in alphabetical order. A formal policy is to be developed by the board in regard to bus drivers.

4 Autoists Forfeit

LISBON — Four motorists forfeited appearance bonds totaling $60 in County Judge James L. MacDonald's Court Monday on charges of speeding. Forfeiting $15 each were Albert J. Glinsek, 51, of Euclid, Wayne H. Scott, 24, of Burgettstown, Robert H. Coslow, 19, of Library, Pa., and Joseph L. Manfredi, 41, of Washington, Pa. All were cited by the State Highway Patrol.

association that it had been blacked out in the President's home town.

The station said that its decision was based on a policy of not selling time "to organizations or individuals for discussion of controversial issues in which such organizations or indivduals are involved.'

Dr. Edward R. Annis of Miami, Fla., the main AMA speaker, said the relationship between a doctor and his patient is one of the few things "which touch so close to God." He urged viewers to consult their doctors about the measure.

"Our fees are not involved," he declared. "Our practice of quality medicine is. Your health is."

Annis, chairman of the AMA's National Speakers Bureau, said the administration - backed plan 'wastefully covers millions who do not need it" and ignores millions who do.

"It will undercut and destroy the wholesome growth of private, voluntary insurance and pre-payment health programs for the aged which offer flexible benefits in the full range of individual needs," Annis said.

"It will lower the quality and availability of hospital services throughout our country. It will stand between the patient and his doctor. And it will serve as the forerunner of a different system of medicine for all Americans."

"Don't mistake it," Annis declared. "England's nationalized medical program is the kind of thing they have in mind for us eventually."

Dr. Leonard W. Larson of Bismarck, N.D., president of the 185,000-member AMA, said the program would deprive older people of "the American system of medicine, based upon the private doctor treating the private patient."

In the last 20 years alone, he said, this system has added 10 years to the life of every American.

Under the King-Anderson proposal, Social Security recipients would be eligible for medical aid financed through a Social Security payroll tax increase of one-fourth of one per cent on employes and employers.

City Man Fined $35 In Chester Violation

A 31-year-old city man was fined $35 and costs by Mayor Ray Collins of Chester Monday night for lack of a driver's license — his second such offense in a week.

William F. Brooks, 233 W. 9th St., was arrested yesterday afternoon at 5:25 on Carolina Ave. by Patrolman Clarence Lennens. Brooks forfeited a $30.50 bond Thursday following his arrest by Lennens last Tuesday on a similar charge.

City Provides 2 Turn Lanes

Extra third lanes to help speed turning traffic have been established again on E. 5th St. and Market St. where they converge in the heart of the business district.

The extra lane on E. 5th St. allows westbound traffic to turn right onto the Diamond while drivers in the center lane wait to proceed straight through the intersection.

The additional lane on Market provides space for northbound drivers to proceed through the intersection while the center lane is occupied by motorists waiting for traffic to clear in order to make a left turn onto W. 5th St.

The turn lanes originally were established about four years ago, but were eliminated in 1960. The recent action amounts to re-establishment of the previous system.

To gain extra space for the third lanes, three parking meters were removed from the north side of E. 5th and two were taken out of service on Market. The abutting curbs were painted yellow to indicate a parking ban. Heavy white lines and arrows were used to indicate the uses for the extra lanes.

Dancer At Midland Will Present Recital

Rick Sanford, son of Mrs. Edmund DiCiccio of Midland Heights, will present a spring dance recital Saturday at 8 p. m. in the Steelworkers Hall.

Participating will be pupils of Sanford's Dance Studio in the Midland Heights community building. He was formerly with the Ronnie Boston Studio in East Liverpool.

Sanford, 19, a senior at Midland High School is drum major of the high school band.

Park Group Plan Revived At Salineville

SALINEVILLE — Reorganization of a park committee, to provide for playgrounds and recreation areas for young people, was discussed at a meeting of Council Monday night.

Councilman Donald Lewis proposed the park committee plan, and it was reported that a similar committee was founded a number of years ago, about 1955.

Lewis was authorized to confer with members of the original committee and to study a park program.

In other action, Council approved a suggestion by Mayor Stanley Fitch that the storeroom of the Village Hall, vacated recently by Harry Shaff, be utilized by the Salineville Area Historical Society for a meeting place and site to store collected items.

Shaff had used the storeroom for his drugstore business while repairs were being made to his fire - damaged building adjacent to the Village Hall.

Council also authorized use of the storeroom for bake sales by church and charity groups.

Repairs to the chimney at the Village Hall were authorized, and Council approved purchase of paint for use on the back porch and rear of the building. Police Chief Roy Lewis volunteered to do the painting.

An ordinance abolishing the post of deputy marshal was passed by Council. The move completes the reorganization of the police department with Police Chief Lewis working or on call six days a week, with aid from special officers. Previously, the police chief worked alternately with a deputy marshal.

Mayor Fitch reported $416 collected in fines since Jan. 1.

Discussion was held on proposed installation of parking meters in the village, with Mayor Fitch again declaring the revenue from meters would benefit finances.

He said he has bids on installation from the Rockwell Manufacturing Co. of Pittsburgh and the Kountz Co. of Elmwood, Pa., and is awaiting final price estimates from the Mark Time Co. of Cleveland.

A complaint from John Ehlenbach of Route 644 about parking congestion at his home from a nearby dairy drive - in store was taken under study by the street committee.

Council also discussed the possibility of firemen hosing down Main St. to clean it in preparation for Memorial Day. Mayor Fitch is to request the firemen's assistance.

Bargaining Election Ordered At 4 Firms

CINCINNATI (AP) — The National Labor Relations Board says an order has been issued for a collective bargaining election among warehousemen employed in Columbus by Colonial Stores, the Kroger Co., A. & P. Stores and the Ohio Cartage Co.

A date for the election has not been set.

The election will involve Truck Drivers Local 413 of the Teamsters' Union and the AFL - CIO Drivers' and Warehousemen's Union.

A spokesman for the NLRB said application for a charter for the latter union has been made with the AFL-CIO.

Medicare As You Like It

President Kennedy says half the mail received at the White House about the medical aid plan he favors is based on misinformation.

This is easy to believe.

It's our guess that half the people thumping for the medical aid plan the President favors are misinformed, too. They have been attracted by the bait and haven't looked for the hook. The hook is the taxes that would be collected under a Social Security setup. Pay more taxes and we'll take care of part of your hospital bill if you get sick is the federal government's promise.

The King-Anderson bill, which is the President's favorite, would be a bitter disappointment if it were adopted. It would be as bitter a disappointment as the Kerr-Mills bill, which was passed, and so far hasn't got off the ground. In Ohio it's not even on the launching pad. It never was adopted here.

IF THE Kennedy administration is right and it can turn on enough steam to blast the King-Anderson bill into effect this year, the problem of paying for the cost of a medical emergency will still be with us. All persons not covered by Social Security would still have the problem. This bill is not all-inclusive.

It makes no pretense of doing anything about doctors' bills, moreover. While these are not as hard to bear as the pyramiding costs of hospital care, they are nevertheless a part of the whole problem.

What it all amounts to in the final analysis is that more and more people are running out of money before they come to the end of their lives. It is still possible in this day and age to grow old gracefully, but it is almost impossible to be sick in bed inexpensively.

The best trick of all is to sustain a terminal illness without courting financial ruin. If the patient doesn't run out of money, the people who are standing by him are likely to be plunged into debt. This is what is called a medical emergency, but in truth it is more like a medical certainty.

THE PROBLEM is to find some way to afford the quality of medical care that most people expect to receive. Doctors are as interested in it as their patients. Hospitals are interested in it. Naturally, politicians are interested in it. "There's votes in them thar bills."

Everybody is entitled to his own ideas. Not all of us can hire Madison Square Garden or a nationwide electronics hookup to line up popular support, but with what is now available few of us would feel like wasting the money.

Neither the Kerr-Mills bill nor the King-Anderson bill would do what needs to be done, which is to underwrite the staggering cost of running out of health belatedly and being forced to pay for long-drawn-out care with nothing coming in to meet the bills.

THE FACT IS, most of us can't afford to grow as old as improved medical care makes it possible for us to get, especially if our earning power has been ended for some years.

The problem is to figure out a way to provide money if we run out of it too soon.

It won't be solved by the King-Anderson bill.

It certainly wasn't solved by the Kerr-Mills bill.

If it can be solved at all, the boys will have to think harder than they've shown any sign of thinking so far.

Lee C. Cooper

East Liverpool lost a respected citizen with the death of Lee C. Cooper.

Lee (we feel sure he would have preferred that to Mr. Cooper) for years was an able businessman and civic leader and one of the community's best boosters. He was one of the founders of the East Liverpool Boosters Club, which was organized prior to World War I and which was the forerunner to the present Chamber of Commerce.

Lee was a likeable fellow and always had a friendly word. He enjoyed life and seemed to get a big kick out of his association with other people.

One of his proudest possessions must have been the family which he and Mrs. Cooper reared. His sons and daughters have followed their father's teachings well and have been a credit to the community.

Lee Cooper has written a chapter in East Liverpool's history which will stand the test over the years.

Someone Always Must Pay

For the next few weeks while college students are clearing the last academic jumps before resting up for the beginning of another spurt of learning next fall, no one will think about the high cost of advanced education except parents, philanthropic foundations, college presidents, alumni, business organizations, teachers and the large and tireless band of professional money raisers who are largely responsible for keeping the voluntary colleges and universities from collapsing in bankruptcy.

Members of the Class of 1966 now are receiving coveted notices that they have been accepted by at least one of the schools they applied to. It is estimated there will be an 11 per cent increase in acceptances this year—a net addition of 6,000 freshmen for the fall term.

Their parents will pay up to $1,700 for tuition alone, plus living expenses that may carry the annual bill to as much as $3,000. But high tuition still does not cover much more than half the cost of education. The remainder is paid for in private schools by gifts from individuals and from corporations, financial foundations and the federal government. Harvard University has reported that federal funds accounted for 25 percent of its total budget in 1959-1960. Nationally it is estimated that 20 per cent of the expenditures for higher education comes from the federal government.

This has been brought about by federal grants for special projects, to the extent that some critics have begun to hint that the federal tail already is growing large enough to wag the educational dog. But someone always must pay, and the federal government is more willing than the private individuals who otherwise would be obliged to carry the whole burden.

The elemental truth about education in the United States is that it is regarded as too important to be lost by defaut. Someone always must pay, and what isn't forthcoming from private sources will be forthcoming from public sources.

Grim Figures

The weekend was another grim one trafficwise in the district.

Four persons lost their lives, including three from Columbiana County. The county's death toll now stands at 16 for the year, compared with 4 at the same time in 1961—a shocking difference.

Such an increase can't be shrugged off lightly. The figures are terrifying in themselves without taking into consideration the suffering that accompanies them.

With life itself at stake, it always will be difficult to understand why drivers take chances. But take chances they will. Those who snub the safety precautions laid down by law should be judged accordingly and penalized to the fullest. There should be no leniency when major traffic violations are involved.

In conjunction with the highway fatalities, another hazard comes to mind. Scarcely a week goes by that we don't receive a complaint about speeding in residential areas.

Such practices endanger not only the lives of those behind the wheel but also the lives of children and older pedestrians. A residential area most certainly is no place for fast and reckless driving.

It's time once more for all drivers to pause and reflect on the need for greater safety.

The Once Over

Oxford gives Charlie Chaplin an honorary degree in a couple of weeks and we'd like to see the greatest comic of silent screen days come waddling to the presentation in the old baggy pants, ragged coat, devastated shoes and derby hat worn in role of whimsical tramp who convulsed millions.

There are in the public mind, two Chaplins, the funniest screen actor of his times, loved by all, and the one who later seemed less appealing.

The first was the most original comedian in the past 75 years, the laugh-getting little tramp of such films as "The Gold Rush," "Shoulder Arms" and "Tillie's Punctured Romance."

In imagination we will fancy him showing up at Oxford strictly for laughs, twirling his cane, rushing to the campus with his famous footwork, doffing his derby at nobody in particular and looking furtively over his shoulder for cops.

We will see a small lake in the scene, beside which Charlie will pause and, interrupted by a park policeman, shove him into the water. He will then take off around winding paths, turning sharp corners on one foot.

Some stuffy faculty member will block him as an unwelcome intruder. Zowie! Swish! A custard pie in his face! Then off again, upsetting a baby carriage and nursemaid, tipping his derby in apology. In the distance behind him a dozen cops and campus guards.

Then to the Oxford platform dashing under the legs of some professor, and doing those acrobatics that brought belly laughs around the world once upon a time.

Degree presentation should be something brief like "To Charlie Chaplin, peerless pantominist, comedian extraordinary, a man who convulsed multitudes without a spoken word, master of timing and the performer who changed custard pie from a pastry to an international institution."

As a finale we will see Charlie take the degree, register great hunger and try to eat it, shaking salt and pepper on it as he did when he devoured the sole of an old shoe in "The Gold Rush." (Take it from there. And ring in some degrees for Mack Sennett, Mable Normand, Marie Dressler and Jackie Coogan.)

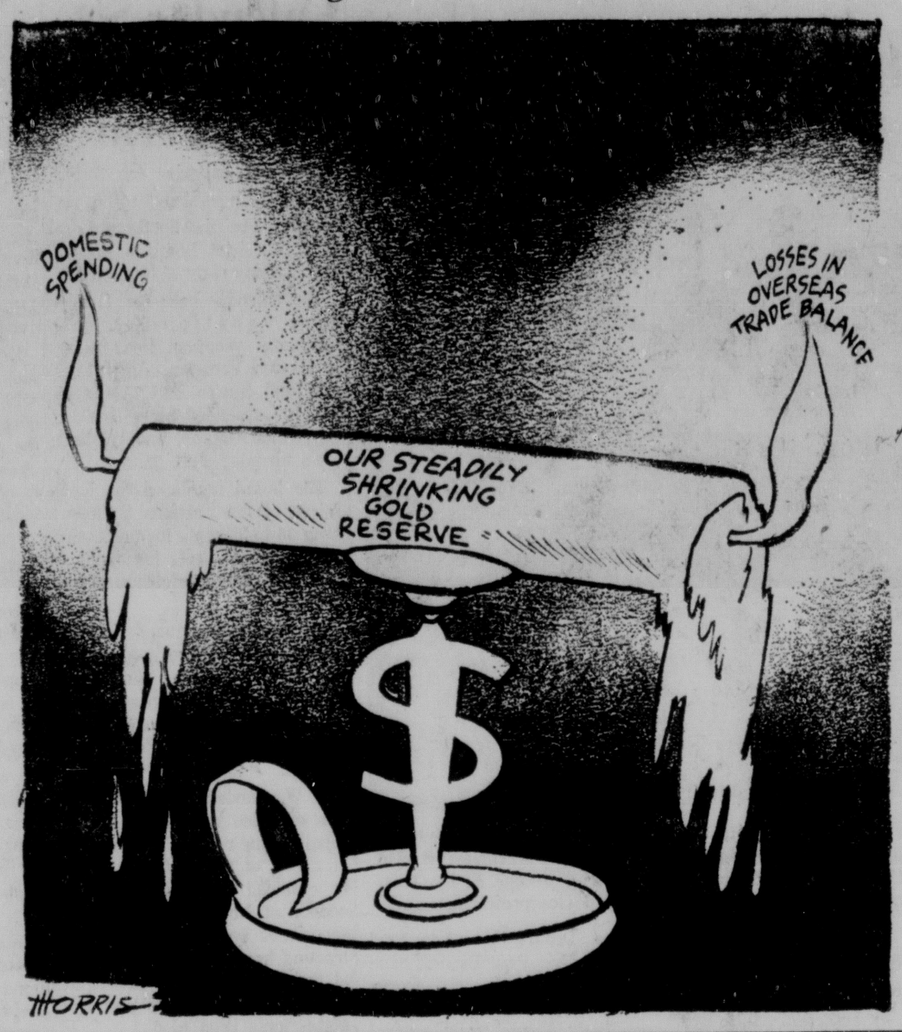
The Light That Could Fail



Reds Go Underground In Thailand

By Victor Riesel

A machine gun spurted at exactly 6 p.m., April 24 in the yard of Bangkok's Bangkwang prison. The slugs riddled a man into a sieve. This was a tough move in a tougher political chess game. The dead pawn was Ruam Wongphand. He had been a leader of the praesidium of the underground Communist party in Thailand.

Victor Riesel

When last I was in Bangkok, Comrade Ruam had slipped into Peiping for tactical training as a political and military leader of guerrilla cadres. From Peiping he had gone on to Moscow for political indoctrination. Soon he slipped back into Siam, the land of the gentle people.

His assignment was to rip away at the inside of Thailand so it would be soft and fall easily as Communist military force pointed at the borders.

There are many like Ruam. No marine battalions can get at these agents. Only counterintelligence.

MEN LIKE RUAM and his cadres are the "unseen" enemy. It is their type of invasion which is sometimes tougher to fight than actual Communist combat troops.

Ruam was a scientist in his field. The Sino-Soviets trained him well, for they leave nothing to chance. So, while you're watching our Marines at the Laos-Thai border, look well at the Communist infiltration techniques in this land to which we are so devoted that we must put American troops back into its far-off jungle terrain.

There are 25½ million people in Thailand — of whom some 3 million are Chinese. Into these Chinese Communities Peiping has woven a network of underground cells. Our State Department intelligence believes there are some 5,000 members of the "Chinese Communist Party - Thailand." This underground has secret schools and newspapers.

It works through Thai-Chinese social and cultural associations in Thailand. It has commercial businesses as fronts. It concentrates in Bangkok, many inland towns, and on the Laos and Malaya border areas.

It also set up a secret Mao Tse-tung type commune in the rice-rich province of Supanburi. On Feb. 23 the police raided it. It had been operating for more than three years. Many of the farmers who brought their produce to the rice mill just did not realize they were being duped into living a Peiping, China type existence.

Along with their rice, their brains were being washed.

THERE IS ANOTHER vulnerable group inside Siam. This is the 90,000 Vietnamese minority. They are in Northeast Thailand—right in the Laos border area.

They have been heavily infiltrated by Communist cadres. The potential for sabotage, espionage and actual violence now is enormous.

It is among the Siamese that the Communist underground has had its failures. Actual Thai Communist membership has run down to about 200 since the outlawing of the regular Thailand Communist party in 1952.

It was the assignment of Ruam Wongphand to build a Communist movement. One tactic was to impersonate Buddhist monks or subvert them if possible. One such monk, whose religious name was Phra Phimol Dhama, now plain Art Asapho, was discovered and defrocked.

Ruam's tricks and talents were many. He was part of the apparatus which distributed a magazine called "Ratchak" "The Patriot."

He had well stocked caches of Peiping-Chinese propaganda neatly printed after being translated into Thai.

THIS LITERATURE promised the Thais is pie in the sky. Literally it said, comes the revolution and the people all will have land, cows, cars, private homes and soft government jobs.

Ruam never lacked for money of all countries. Thus he was able to operate a network of secret "schools" in Bankok itself.

To these concealed meeting places the Communist apparatus would bring groups of three and four prospective political guerillas for training.

They would come at night, sometimes blindfolded, but always unknowing of their destination or how to find it again.

Constantly these units were brought into Bankok to meet their leader and to remain for a three-day indoctrination course. This was the capsule form of what Ruam received in Peiping and Moscow. Then back into the countryside would go the Communist organizing teams.

Ruam was captured in a police raid on Feb. 23. The police were tough. He was tough. The government was tougher because the stakes are high in the inner-political war—namely, freedom.

Byrd On The Tax Bill

By David Lawrence

Two Provisions Of Kennedy Plan Opposed

A Democratic senator who has spent the major part of his career of nearly 30 years in Congress studying taxes and finance has come out against two important provisions of the Kennedy administration's tax bill — the withholding of taxes on dividends and interest and the proposed 7 or 8 per cent credit on new machinery and equipment.

David Lawrence

The senator is Harry F. Byrd, D-Va., chairman of the Finance Committee, which has just finished comprehensive hearings on the bill.

Over the weekend the position taken by Sen. Byrd was briefly reported but the exact words he used in announcing his differences with President Kennedy are significant and worthy of careful examination by both sides in the controversy. He said:

"I oppose enactment of the withholding proposal at this time for numerous reasons including:

"1. Withholding taxes on interest and dividends cannot be compared with withholding taxes on salaries and wages. Its administration would be terribly complex, if not impracticable and unworkable.

"2. It would, by its inherent deficiencies, overtax people for extended periods, and impose hardship or inconvenience not only on taxpaying citizens but also on institutions and businesses used by the government to collect the taxes.

"3. Respect for our tax system must be maintained. It is necessarily complex enough. Unnecessary confusion must be avoided. The agitating characteristics of this proposal are already clear from public reaction. Tax evasion cannot be condoned but this withholding proposal should be enacted only as a last resort.

"4. An alternative is available, and it should first be given full trial. The Internal Revenue Service is now assigning numbers to taxpayers to eliminate identification difficulties, and at the same time it is installing computers to show currently what taxpayers owe the government and vice versa. This combination should and will provide information for effective curtailment of tax evasion."

NOW, THE FOREGOING is directly opposite to some of the statements made by President Kennedy at his press conferences recently, but it does represent a rapidly developing sentiment among members of both parties in the Senate.

The administration has stressed the fact that some people evade taxes, but it has ignored the practical difficulties that face those honest citizens who would be unlawfully deprived of the use of their income that is really not due as taxes but would be withheld by corporations and savings banks as a result of new laws compelling such steps.

It is the problem of "overwithholding" that really has caused the furor. Likewise, the alternative plan of helping tax collection through a wider system of informational reporting to the government of payments of interest and dividends would seem to be adequate for the Treasury's purposes.

What is perhaps just as significant in Sen. Byrd's remarkable statement is his argument against the so-called incentive credit to which the administration has pointed as an example of its friendliness toward business.

The Virginia senator says he opposes the incentive credit also "for numerous reasons," including the following:

"1. It is wrong in principle. It is in the nature of a government payment before the fact instead of a credit for an accomplished fact.

"2. It is a subsidy in the nature of a windfall to be given to businesses which comply with a government policy.

"3. It is discriminatory in its application among various businesses, even among those similar in kind. Incentive is a stated purpose of the proposal, but it would be retroactive to last Jan. 1, and it is difficult to understand how the provisions would be an incentive for investments made before it is enacted. It would be a bonanza for certain corporations which would reach $600 million.

"4. An alternative is available. The government has the authority, and belatedly is now taking action to modernize internal revenue regulations to provide realistic depreciation credit for plant and equipment."

DESPITE ALL the talk of what the investment credit plan would do, Sen. Byrd points out that a recent McGraw-Hill survey found the investment credit would boost investments by only about 1 per cent, or $300 million. There would be windfalls by which some corporations would gain a great deal. While U.S. Steel Corp., for instance, might get a credit of from $5 to $6 million, a different company in another field might receive a $350-million credit in a single year. This is why the measure is attacked as "discriminatory."

Most businessmen also would prefer a permanent system and not a plan that can at any time be revoked, since it is designed primarily as an anti-recession measure. The managers of America's enterprises like to plan their expansion or modernization over five or 10-year period.

The viewpoint expressed by Sen. Byrd is unquestionably upheld by the business world today.

Me And The Shrinkers

By Truman Twill

Every time I read about someone's attempts to prove the headshrinkers made a mistake by calling him insane, I shiver.

It could happen to anybody.

It could happen to me.

I have a mental picture of me squirming in a chair trying to prove my sanity to a committee of experts. They keep taking off their glasses and wiping them, meanwhile pursing their lips and looking thoughtful.

"But how do you explain the empty medicine bottles, old fellow?" asks the one with the tuft of hair in the middle of his skirun.

"I've told you a hundred times that I keep them to remind me of what cured me if I get well," I snap. "If I don't get well, I throw the bottles away because I wasted my money. What's nutty about that? What do you do about empty medicine bottles, mister?"

"Doctor, if you please," purrs Tufty. "Now let's pass on to another point that looms large in our appraisal of your condition . . . the way you put on your pants. Do you have any explanation for that?"

"I put on my pants one leg at a time like any sane man," I reply, beginning to twist my fingers in my lap and tap my left toe, which is the side I happen to be coordinated on better than the other side. "It never crossed my mind there was anything peculiar about the way I happen to do this until you told me what you had seen while peeping through the transom while you had me caged in the hospital. No one ever complained before."

The head-shrinker with the pot belly fielded that one. "How your family could be oblivious to such a peculiarity baffles me," he mused. "But then perhaps you always dressed in secret. Maybe you had guilt feelings, huh, how about that, huh?"

I wither the guy with a look of hatred. He withers back.

"Don't get any ideas about jumping us, chump," he snarls, "or we'll put you in a hole so deep you can't even see light at the top. You got any questions, Stravinsky?"

"I have more questions than this character could answer if his name was Eye Bee Em," whispers the guy. "I saw a case exactly like him in Vienna before the war. It was written up in the journals. Every single detail fits. Same appearance, same symptoms.

"Same speedometer and voltmeter readings, too. Very significant. The one in Vienna was put in a cage for good. He was a real squirrel, that one was. Went berserk in the courtroom.

"Turned out later he had been in love with a studio piano, but only the black keys. Couldn't stand the white ones. Always ate around the raisins in raisin bread and rice pudding. Saved them for dessert. How squirrely can you get?"

At this point, the men in blue lead me away. When I wake up I'm always in the kitchen looking for the raisins I feel sure are around there somewhere.

It's like a nightmare because I'd swear I am as sane as the headshrinkers, yet they can put me away and all I can do about them is have nightmares, like that woman in Washington who thought she knew something about Billie Sol Estes. There, I can spell his name right! Who says I'm incompetent to handle my own affairs?

By Victor Riesel

A machine gun spurted at exactly 6 p.m., April 24 in the yard of Bangkok's Bangkwang prison. The slugs riddled a man into a sieve. This was a tough move in a tougher political chess game. The dead pawn was Ruam Wongphand. He had been a leader of the praesidium of the underground Communist party in Thailand.

Victor Riesel

When last I was in Bangkok, Comrade Ruam had slipped into Peiping for tactical training as a political and military leader of guerrilla cadres. From Peiping he had gone on to Moscow for political indoctrination. Soon he slipped back into Siam, the land of the gentle people.

His assignment was to rip away at the inside of Thailand so it would be soft and fall easily as Communist military force pointed at the borders.

There are many like Ruam. No marine battalions can get at these agents. Only counterintelligence.

MEN LIKE RUAM and his cadres are the "unseen" enemy. It is their type of invasion which is sometimes tougher to fight than actual Communist combat troops.

Ruam was a scientist in his field. The Sino-Soviets trained him well, for they leave nothing to chance. So, while you're watching our Marines at the Laos-Thai border, look well at the Communist infiltration techniques in this land to which we are so devoted that we must put American troops back into its far-off jungle terrain.

There are 25½ million people in Thailand — of whom some 3 million are Chinese. Into these Chinese Communities Peiping has woven a network of underground cells. Our State Department intelligence believes there are some 5,000 members of the "Chinese Communist Party - Thailand." This underground has secret schools and newspapers.

It works through Thai-Chinese social and cultural associations in Thailand. It has commercial businesses as fronts. It concentrates in Bangkok, many inland towns, and on the Laos and Malaya border areas.

It also set up a secret Mao Tse-tung type commune in the rice-rich province of Supanburi. On Feb. 23 the police raided it. It had been operating for more than three years. Many of the farmers who brought their produce to the rice mill just did not realize they were being duped into living a Peiping, China type existence.

Along with their rice, their brains were being washed.

THERE IS ANOTHER vulnerable group inside Siam. This is the 90,000 Vietnamese minority. They are in Northeast Thailand—right in the Laos border area.

They have been heavily infiltrated by Communist cadres. The potential for sabotage, espionage and actual violence now is enormous.

It is among the Siamese that the Communist underground has had its failures. Actual Thai Communist membership has run down to about 200 since the outlawing of the regular Thailand Communist party in 1952.

It was the assignment of Ruam Wongphand to build a Communist movement. One tactic was to impersonate Buddhist monks or subvert them if possible. One such monk, whose religious name was Phra Phimol Dhama, now plain Art Asapho, was discovered and defrocked.

Ruam's tricks and talents were many. He was part of the apparatus which distributed a magazine called "Ratchak" "The Patriot."

He had well stocked caches of Peiping-Chinese propaganda neatly printed after being translated into Thai.

THIS LITERATURE promised the Thais is pie in the sky. Literally it said, comes the revolution and the people all will have land, cows, cars, private homes and soft government jobs.

Ruam never lacked for money of all countries. Thus he was able to operate a network of secret "schools" in Bankok itself.

To these concealed meeting places the Communist apparatus would bring groups of three and four prospective political guerillas for training.

They would come at night, sometimes blindfolded, but always unknowing of their destination or how to find it again.

Constantly these units were brought into Bankok to meet their leader and to remain for a three-day indoctrination course. This was the capsule form of what Ruam received in Peiping and Moscow. Then back into the countryside would go the Communist organizing teams.

Ruam was captured in a police raid on Feb. 23. The police were tough. He was tough. The government was tougher because the stakes are high in the inner-political war—namely, freedom.

Byrd On The Tax Bill

By David Lawrence

Two Provisions Of Kennedy Plan Opposed

A Democratic senator who has spent the major part of his career of nearly 30 years in Congress studying taxes and finance has come out against two important provisions of the Kennedy administration's tax bill — the withholding of taxes on dividends and interest and the proposed 7 or 8 per cent credit on new machinery and equipment.

David Lawrence

The senator is Harry F. Byrd, D-Va., chairman of the Finance Committee, which has just finished comprehensive hearings on the bill.

Over the weekend the position taken by Sen. Byrd was briefly reported but the exact words he used in announcing his differences with President Kennedy are significant and worthy of careful examination by both sides in the controversy. He said:

"I oppose enactment of the withholding proposal at this time for numerous reasons including:

"1. Withholding taxes on interest and dividends cannot be compared with withholding taxes on salaries and wages. Its administration would be terribly complex, if not impracticable and unworkable.

"2. It would, by its inherent deficiencies, overtax people for extended periods, and impose hardship or inconvenience not only on taxpaying citizens but also on institutions and businesses used by the government to collect the taxes.

"3. Respect for our tax system must be maintained. It is necessarily complex enough. Unnecessary confusion must be avoided. The agitating characteristics of this proposal are already clear from public reaction. Tax evasion cannot be condoned but this withholding proposal should be enacted only as a last resort.

"4. An alternative is available, and it should first be given full trial. The Internal Revenue Service is now assigning numbers to taxpayers to eliminate identification difficulties, and at the same time it is installing computers to show currently what taxpayers owe the government and vice versa. This combination should and will provide information for effective curtailment of tax evasion."

NOW, THE FOREGOING is directly opposite to some of the statements made by President Kennedy at his press conferences recently, but it does represent a rapidly developing sentiment among members of both parties in the Senate.

The administration has stressed the fact that some people evade taxes, but it has ignored the practical difficulties that face those honest citizens who would be unlawfully deprived of the use of their income that is really not due as taxes but would be withheld by corporations and savings banks as a result of new laws compelling such steps.

It is the problem of "overwithholding" that really has caused the furor. Likewise, the alternative plan of helping tax collection through a wider system of informational reporting to the government of payments of interest and dividends would seem to be adequate for the Treasury's purposes.

What is perhaps just as significant in Sen. Byrd's remarkable statement is his argument against the so-called incentive credit to which the administration has pointed as an example of its friendliness toward business.

The Virginia senator says he opposes the incentive credit also "for numerous reasons," including the following:

"1. It is wrong in principle. It is in the nature of a government payment before the fact instead of a credit for an accomplished fact.

"2. It is a subsidy in the nature of a windfall to be given to businesses which comply with a government policy.

"3. It is discriminatory in its application among various businesses, even among those similar in kind. Incentive is a stated purpose of the proposal, but it would be retroactive to last Jan. 1, and it is difficult to understand how the provisions would be an incentive for investments made before it is enacted. It would be a bonanza for certain corporations which would reach $600 million.

"4. An alternative is available. The government has the authority, and belatedly is now taking action to modernize internal revenue regulations to provide realistic depreciation credit for plant and equipment."

DESPITE ALL the talk of what the investment credit plan would do, Sen. Byrd points out that a recent McGraw-Hill survey found the investment credit would boost investments by only about 1 per cent, or $300 million. There would be windfalls by which some corporations would gain a great deal. While U.S. Steel Corp., for instance, might get a credit of from $5 to $6 million, a different company in another field might receive a $350-million credit in a single year. This is why the measure is attacked as "discriminatory."

Most businessmen also would prefer a permanent system and not a plan that can at any time be revoked, since it is designed primarily as an anti-recession measure. The managers of America's enterprises like to plan their expansion or modernization over five or 10-year period.

The viewpoint expressed by Sen. Byrd is unquestionably upheld by the business world today.

Me And The Shrinkers

By Truman Twill

Every time I read about someone's attempts to prove the headshrinkers made a mistake by calling him insane, I shiver.

It could happen to anybody.

It could happen to me.

I have a mental picture of me squirming in a chair trying to prove my sanity to a committee of experts. They keep taking off their glasses and wiping them, meanwhile pursing their lips and looking thoughtful.

"But how do you explain the empty medicine bottles, old fellow?" asks the one with the tuft of hair in the middle of his skirun.

"I've told you a hundred times that I keep them to remind me of what cured me if I get well," I snap. "If I don't get well, I throw the bottles away because I wasted my money. What's nutty about that? What do you do about empty medicine bottles, mister?"

"Doctor, if you please," purrs Tufty. "Now let's pass on to another point that looms large in our appraisal of your condition . . . the way you put on your pants. Do you have any explanation for that?"

"I put on my pants one leg at a time like any sane man," I reply, beginning to twist my fingers in my lap and tap my left toe, which is the side I happen to be coordinated on better than the other side. "It never crossed my mind there was anything peculiar about the way I happen to do this until you told me what you had seen while peeping through the transom while you had me caged in the hospital. No one ever complained before."

The head-shrinker with the pot belly fielded that one. "How your family could be oblivious to such a peculiarity baffles me," he mused. "But then perhaps you always dressed in secret. Maybe you had guilt feelings, huh, how about that, huh?"

I wither the guy with a look of hatred. He withers back.

"Don't get any ideas about jumping us, chump," he snarls, "or we'll put you in a hole so deep you can't even see light at the top. You got any questions, Stravinsky?"

"I have more questions than this character could answer if his name was Eye Bee Em," whispers the guy. "I saw a case exactly like him in Vienna before the war. It was written up in the journals. Every single detail fits. Same appearance, same symptoms.

"Same speedometer and voltmeter readings, too. Very significant. The one in Vienna was put in a cage for good. He was a real squirrel, that one was. Went berserk in the courtroom.

"Turned out later he had been in love with a studio piano, but only the black keys. Couldn't stand the white ones. Always ate around the raisins in raisin bread and rice pudding. Saved them for dessert. How squirrely can you get?"

At this point, the men in blue lead me away. When I wake up I'm always in the kitchen looking for the raisins I feel sure are around there somewhere.

It's like a nightmare because I'd swear I am as sane as the headshrinkers, yet they can put me away and all I can do about them is have nightmares, like that woman in Washington who thought she knew something about Billie Sol Estes. There, I can spell his name right! Who says I'm incompetent to handle my own affairs?

Water Board Studies Bids For Supplies

The Board of Public Utilities, which administers the water department, took under consideration offers on a year's supply of chemicals used at the water treatment plant and for cast iron pipe and water meters when it opened bids Monday at City Hall.

Some extremely close bidding marked the opening.

For example, the apparent low bidder to supply 250 tons of hydrate or pebble lime was only 4 cents a ton less than the next two lowest firms.

Standard Lime & Concrete Co., a division of Martin Marietta Corp. of Baltimore, asked $21.41 a ton for hydrate lime and $22.41 a ton for pebble lime.

Warner Co. of Philadelphia and Scioto Lime & Stone Co., Inc., of Delaware, Ohio, submitted identical bids of $21.45 a ton for hydrate and $22.45 a ton for pebble lime.

Marble Cliff Quarries Co. of Columbus bid $21.91 a ton for hydrate and $22.66 a ton for pebble while National Gypsum Co. of Buffalo offered hydrate lime at $22 a ton and pebble at $26.31 a ton.

West Virginia Pulp & Paper Co. of New York was the only bidder to supply 50 tons of activated charcoal, asking $159.34 per ton.

Opalco Laboratory, Inc., of McKeesport was the apparent low bidder on furnishing 250 tons of aluminum sulphate with a bid of $33.20 a ton.

General Chemical Division of the Allied Chemical Corp. of Pittsburgh asked $1.68 per hundredweight or $33.60 per ton while the American Cynamid Co. of Chicago asked $41.80 a ton.

The Western Pennsylvania Chemical Co., Inc., of Elizabeth, Pa., bid $46.60 a ton.

Three companies — Western Penn, Opalco and Fred J. Durner Chemical Co. of Pittsburgh — all asked 12½ cents a pound to supply 18,000 pounds of liquid chlorine.

Opalco bid $59 per 100 pounds and Western Penn asked $72.50 per 100 pounds for 5,000 pounds of sodium chlorite.

James B. Clow & Sons, Inc., of Chicago was the only bidder to supply cast iron pipe.

It asked $1.375 per foot for 1,000 feet of 4-inch pipe with a mechanical joint and $1.315 per foot for similar pipe with a bell joint.

Its bid for 2,000 feet of 6-inch pipe was $2.055 with a mechanical joint and $1.975 for the bell joint while its offer on 1,000 feet of 10-inch pipe was $3.85 per foot with the mechanical joint and $3.71 with the other joint.

Five companies submitted bids to supply water meters ranging in size from the common household meters of ½- and ¾-inch to 4-inch meters for large users.

The Badger Meter Manufacturing Co. of Milwaukee was the apparent low bidder asking $28.51 each for ½-inch meters, $29.19 for ¾-inch and ranging up to $780.70 for a 4-inch unit.

Hersey-Sparling Meter Co. of Dedham, Mass., bid $28.56 for the ½-inch meters, $29.24 for ¾-inch and up to $780.30 for the 4-inch.

Gamon Meter Division of the Worthington Corp. of Newark, N. J., bid $29.19 for ½-inch meter, $29.88 for ¾-inch and up to $807.50 for the 4-inch meters.

Rockwell Manufacturing Co. of Pittsburgh submitted an offer of $30.24 for ½-inch meters, $30.96 for ¾-inch and prices ranging up to $850 for the 4-inch.

The Neptune Meter Co. of Louisville, Ky., submitted bids of $31.06 and $32.81 for ½-inch and $31.80 and $33.55 for ¾-inch depending on the type and up to $848.25 for 4-inch.

Seniors Receive Certificates

District's Top Graduates Honored By Chamber

SENIORS RECEIVE CERTIFICATES. Six of the honor graduates of five area high schools honored by the Chamber of Commerce at a dinner program Monday night at the Travelers Hotel are shown with two Chamber officials—Alvin T. Babb, president, second from left, and Edwin Maloney, far right. The students, from left, are: Jane Bendheim of East Liverpool, John Mercer of South Side, from left, and Edwin Maloney, far right. The students, from left, are: Jane Bendheim of East Liverpool, John Mercer of South Side, Gary Hickman of Beaver Local, Bill Hobbs of Chester, Janet Robison of Newell and Frank Lyons, also of Beaver Local. They are the top-ranking graduates at each school except in the case of Newell, which has not named its honor students. Hickman and Lyons tied for the No. 1 spot at Beaver Local.

Top-ranking seniors awaiting graduation at five area high schools were honored Monday night at a dinner program at the Travelers Hotel arranged by the public education committee of the Chamber of Commerce.

Fifty-seven young men and women were presented certificates of recognition for scholastic achievement by Edwin Maloney, chairman of the Chamber committee. They represent the top 10 per cent of the graduating classes at East Liverpool, Chester, Newell, Beaver Local and South Side High Schools.

Attendance totaled approximately 80, including members of the Chamber's Board of Trustees and committee chairmen.

In an address to the seniors, Alvin T. Babb, Chamber president, discussed human dignity and individual freedom, referring to them as a "priceless heritage" of Americans.

Maloney presided. Dr. C. M. Mayberry gave the invocation. Maloney introduced the committee members and principals of the participating schools — George Hargraves of East Liverpool, Lee A. Kirkland of Beaver Local, R. M. McFarland of Chester, Charles P. Henderson of South Side and E. Russell Slack of Newell.

It was the second consecutive year the Chamber committee has paid tribute to the graduates. Its members, in addition to Maloney, are School Supt. Ralph W. Betts, Eugene Hall, James Locke, Harry Martin, Dr. Mayberry, Collin L. Neal and A. C. Purinton Jr.

Chamber board members and committee members attending, introduced by E. R. Chandler, secretary-manager, were: C. W. Ashbaugh, David Boyce, Robert Boyce, Don Eckert, Ralph Finley, Dr. John A. Fraser, Atty. Francis H. Lang, J. N. Nicley, Glenn B. Roberts, Harold Sneddon, Charles Taylor and Judge Louis Tobin.

Ball Injures Girl's Finger

A girl struck by a ball and a boy run over by a bicycle were among seven youngsters and an adult treated at City Hospital Monday.

Sue McHenry, 15, daughter of Harvey McHenry of Armstrong Ln., was treated last night for a possible fracture of a finger received when hit by a ball.

Jerry Dennison, 5, son of Charles Dennison of Chester R. D. 1, suffered abrasions of the right arm and right hip when run over by a bike.

In a fall backwards against a stone, Gregory Lamp, 17-month-old son of Mr. and Mrs. Albert Lamp, 510 Walnut St., received a puncture wound of the scalp.

Kenneth Adkins, 2, son of Mr. and Mrs. Wiser Adkins of No. 4 Thompson Pl., received a laceration of the forehead when struck by a piece of slate by a playmate.

James Gillespie, 8, son of James Gillespie of 6th St., Newell, was treated for a fracture of the left arm suffered in a fall from a bicycle.

Peter Traversa, 6, son of Mrs. Elaine Traversa, 409 Jackson St., suffered a cut of the ankle on glass at home.

Gary Murphy, 3, son of Albert Murphy, 530 6th St., Chester, was treated for an injury to the right hand suffered in a washing machine wringer at home.

Wendell Smith, 45, of Canton, employe of a provision firm, received a laceration of the forehead when he bumped a beef rack while unpacking meat at a Wellsville store.

Anderson Methodist To Hold Bible School

The theme will be "My Bible and I." Mrs. Marjorie Manley will be director. The classes will include Bible work, handicraft, missionary stories, drills and songs.

Arrangements are being made for bus service for children from East Liverpool who wish to attend. Further information may be obtaned by contacting Roland Edgar, chairman of the commission on education.

3 Convicted Slayers Still At Large In Ohio

IRONTON, Ohio (AP) — Three Lawrence County men, all convicted of murder, have walked away from prison honor camps in the last six months and are still at large.

The latest fugitive is Kenneth Ray Smith, 31, of South Point. Smith escaped from the prison farm near Gallipolis Sunday. He was convicted of second - degree murder in the February 1956 fatal beating of Marion Hall.

A week ago, Dempsey Wickline, convicted of first-degree murder, walked away from a prison farm near Oxford. Six months ago David Daniel, convicted of second-degree murder, escaped from a prison farm near Portsmouth.

For Youngstown District

Rev. Norman M. Parr To Be Superintendent

The Rev. Norman M. Parr, minister of the First Methodist Church in Alliance, and former pastor of the Central Methodist Church in Wellsville has been appointed superintendent of the 76-church Youngstown District.

He succeeds the Dr. Paul M. Ward, who served as superintendent for two years.

The announcement was made Sunday by Ohio Bishop Hazen G. Werner.

Bishop Werner said Dr. Ward's new post will be announced at the annual Northeast Ohio Conference sessions June 19-24 at Lakeside.

Rev. Parr, the son of Mrs. Ethel Parr of Clark Ave., Wellsville, and the late A. D. Parr, is a native of Wheeling.

Rev. Parr is a 1932 graduate of Wellsville High School and was graduated from Adrian (Mich.) College, magna cum laude, in 1937. He also was graduated from the Westminster Seminary in Maryland in 1940.

He has served Methodist churches in West Salem, Youngstown, Hubbard, Poland and Chagrin Falls.

He is married to the former Naoma Rosenberger, daughter of Mr. and Mrs. L. H. Rosenberger of Main St., Wellsville.

His mother is a member of the Central church and serves the church board and its pastoral relations committee.

Foreign Trade, Automation Set In Capital Talks

WASHINGTON (AP) — The administration's labor - management conference, already characterized by one Cabinet member as "a very great success indeed," turns today to the topics of automation and foreign trade.

Secretary of Labor Arthur J. Goldberg put the success label on the meeting, officially titled the "White House Conference on Economic Issues," at a banquet Monday night attended by the 200 conferees representng industry, labor unions and the public.

Goldberg said the conferees probably hadn't talked as frankly as they probably would in subsequent sessions but he said at least the ice had been broken and, after all, "it's better to jaw than to war."

At the initial conference session the two topics were collective bargaining and wage-price policies. About the most controversial statement made from the industry side came from President J. Ward Keener of the B. F. Goodrich Co., urging a breakup of industry-wide labor bargaining.

Keener also characterized President Kennedy's controversial wage - price guidelines as "impractical and unwise." The guides were stoutly defended in other quarters and Prof. John P. Lewis of Indiana University said probably tougher rules will be needed.

Young Women Sought In Peace Corps Work

LISBON — The Columbiana County Extension Office has received word there is an immediate need for young women with a farm, 4-H and home economics background in the Brazil 4-H Peace Corps project.

The 4-H Peace Corps volunteers will work as local extension workers in Brazil and help expand and strengthen the extension rural youth program.

Questionnaires for service in the Brazil project are available at the county extension office at 113 S. Market St. Applications should be made immediately, as the volunteers are being selected now, County Agent Floyd Lower said.

Resignations Of 3 Teachers Are Accepted

The resignations of three elementary teachers, including two who are retiring, were accepted Monday night by the Board of Education.

Retiring from the profession are Mrs. Mabel Wolf, first - grade teacher at Horace Mann, and Miss Edna Colmer, a sixth-grade instructor in Westgate elementary.

The third resignation was from Mrs. Ann McMillan, who is leaving the profession.

Appointment Approved

The board also approved the appointment of Mrs. Jane Neiser Rife as a vocal music teacher succeeding Miss Burdene Bowman, whose resignation was accepted at the May 7 meeting. Mrs. Rife will spend a half day at East Junior High and the other half day at Westgate elementary.

The board delayed adoption of a policy concerning membership of a substitute non - certificated personnel (all board employes except teachers) in the Ohio School Employes Retirement System until James Lowe and Harry McConville, who were absent, could study the proposal.

The proposed policy provides that a new substitute must decide on the first day of employment whether to participate in the retirement plan or not for the first three months of employment.

If the substitute elects to join, authorizing deducation from pay, the school board will pay its normal share into the plan. If the teacher declines to join, the new substitute will be required to sign a statement waiving the possibility at a later date of requesting that membership revert to the first day of employment.

After three months' employment, membership in the retirement system is compulsory.

The board adopted the policy after agreeing at its last meeting to allow two cafeteria employes, then substitute workers, to begin their membership on the first day of their employment and agreeing to pay the board's share.

Borrowing Not Needed

Miss Kathryn Liebschner, clerk-treasurer, reported to the board it was not necessary to borrow funds because of the receipt of $165,021 as the final settlement on the first half real estate tax.

The final settlement was nearly double the amount originally believed due and included $129,910 for the general fund, $27,474 for bond retirement and $7,637 for the maintenance and repair fund, she said.

The balance in all school funds totals $134,928, Miss Liebschner said.

The building committee may look into the possibility of installing separate meters at Westgate and East Junior High buildings to meter water used in watering lawns during the summer quarter.

James Moss, committee chairman, said it might be wise to install the separate meters after C. Walter Ashbaugh, board president, said he had been advised by a member of the Board of Public Utilities, which administers the water and sewage departments, that it would be unable to waive sewer assessments for the summer quarter at the two schools.

The sewer assessments for the summer quarter total slightly more than $108 for the two schools, with $84 at Westgate and a charge of $24 at East Junior, Ashbaugh said he was told.

Moss said he believed it might be wise to go ahead since the separate meters probably would pay for themselves in about three years, depending on the cost involved.

Supt. Ralph W. Betts said at least three meters would be needed at Westgate and two at East Junior.

Sales By Students Aired

Betts also was asked by Mrs. Nessie Dunlop to investigate the possibility of curtailing the sale of various items by students after school.

She reported she had received complaints from several woman, chiefly because the youngsters were visiting homes after dark.

Betts promised to investigate, declaring the problem has been "disturbing" and adding that he is more concerned by sales by school - sponsored organizations, such as various bands, choirs and other groups than by parent-teacher organizations.

FOP Plans For Carnival

Plans for a carnival to be presented next week and naming of a delegate for the state conference highlighted a meeting of Wellsville Fraternal Order of Police Lodge 11 Monday night at Hotel Wilk.

The carnival will be held Monday through June 2, in co-operation with FOP Associates Lodge 51.

The rides will be provided by the Megerle - Pfile Shows of Youngstown. The show will move into Central Park at 13th St. Sunday and be ready for the opening Monday about 6:30 p. m.

Proceeds from the benefit are used for the annual community Halloween party and other projects.

Capt. Pete Trainer, president, conducted business. Patrolman Robert Wellington, secretary, was elected as the delegate to the state conference July 22-24 at Cincinnati with Trainer as alternate.

The lodge voted to join with the East Liverpool FOP Lodge in a district meeting. Named to the committee were Trainer, Wellington and Deputy Robert Beresford.

James Elliott, president of the associates lodge, was a guest.

Next meeting is June 25.

AEC Examiner Opens Hearing On Reactor

GERMANTOWN, Md. (AP)—An Atomic Energy Commission examiner begins hearings today to determine whether the National Aeronautics and Space Administration's Plum Brook reactor in Ohio should be allowed to operate at full power.

Five AEC and NASA witnesses were listed for the hearing in AEC headquarters.

The Plum Brook facility near Sandusky has been licensed to operate since March 1961. It currently is operating at 100 kilowatts thermal. It now is ready to operate at its full rated capacity of 60,000 kilowatts thermal, an AEC official said, but hearings are necessary before the AEC can give the go-ahead.

NASA uses the facility for research and testing.

Water Board Studies Bids For Supplies

The Board of Public Utilities, which administers the water department, took under consideration offers on a year's supply of chemicals used at the water treatment plant and for cast iron pipe and water meters when it opened bids Monday at City Hall.

Some extremely close bidding marked the opening.

For example, the apparent low bidder to supply 250 tons of hydrate or pebble lime was only 4 cents a ton less than the next two lowest firms.

Standard Lime & Concrete Co., a division of Martin Marietta Corp. of Baltimore, asked $21.41 a ton for hydrate lime and $22.41 a ton for pebble lime.

Warner Co. of Philadelphia and Scioto Lime & Stone Co., Inc., of Delaware, Ohio, submitted identical bids of $21.45 a ton for hydrate and $22.45 a ton for pebble lime.

Marble Cliff Quarries Co. of Columbus bid $21.91 a ton for hydrate and $22.66 a ton for pebble while National Gypsum Co. of Buffalo offered hydrate lime at $22 a ton and pebble at $26.31 a ton.

West Virginia Pulp & Paper Co. of New York was the only bidder to supply 50 tons of activated charcoal, asking $159.34 per ton.

Opalco Laboratory, Inc., of McKeesport was the apparent low bidder on furnishing 250 tons of aluminum sulphate with a bid of $33.20 a ton.

General Chemical Division of the Allied Chemical Corp. of Pittsburgh asked $1.68 per hundredweight or $33.60 per ton while the American Cynamid Co. of Chicago asked $41.80 a ton.

The Western Pennsylvania Chemical Co., Inc., of Elizabeth, Pa., bid $46.60 a ton.

Three companies — Western Penn, Opalco and Fred J. Durner Chemical Co. of Pittsburgh — all asked 12½ cents a pound to supply 18,000 pounds of liquid chlorine.

Opalco bid $59 per 100 pounds and Western Penn asked $72.50 per 100 pounds for 5,000 pounds of sodium chlorite.

James B. Clow & Sons, Inc., of Chicago was the only bidder to supply cast iron pipe.

It asked $1.375 per foot for 1,000 feet of 4-inch pipe with a mechanical joint and $1.315 per foot for similar pipe with a bell joint.

Its bid for 2,000 feet of 6-inch pipe was $2.055 with a mechanical joint and $1.975 for the bell joint while its offer on 1,000 feet of 10-inch pipe was $3.85 per foot with the mechanical joint and $3.71 with the other joint.

Five companies submitted bids to supply water meters ranging in size from the common household meters of ½- and ¾-inch to 4-inch meters for large users.

The Badger Meter Manufacturing Co. of Milwaukee was the apparent low bidder asking $28.51 each for ½-inch meters, $29.19 for ¾-inch and ranging up to $780.70 for a 4-inch unit.

Hersey-Sparling Meter Co. of Dedham, Mass., bid $28.56 for the ½-inch meters, $29.24 for ¾-inch and up to $780.30 for the 4-inch.

Gamon Meter Division of the Worthington Corp. of Newark, N. J., bid $29.19 for ½-inch meter, $29.88 for ¾-inch and up to $807.50 for the 4-inch meters.

Rockwell Manufacturing Co. of Pittsburgh submitted an offer of $30.24 for ½-inch meters, $30.96 for ¾-inch and prices ranging up to $850 for the 4-inch.

The Neptune Meter Co. of Louisville, Ky., submitted bids of $31.06 and $32.81 for ½-inch and $31.80 and $33.55 for ¾-inch depending on the type and up to $848.25 for 4-inch.

Seniors Receive Certificates

District's Top Graduates Honored By Chamber

SENIORS RECEIVE CERTIFICATES. Six of the honor graduates of five area high schools honored by the Chamber of Commerce at a dinner program Monday night at the Travelers Hotel are shown with two Chamber officials—Alvin T. Babb, president, second from left, and Edwin Maloney, far right. The students, from left, are: Jane Bendheim of East Liverpool, John Mercer of South Side, Gary Hickman of Beaver Local, Bill Hobbs of Chester, Janet Robison of Newell and Frank Lyons, also of Beaver Local. They are the top-ranking graduates at each school except in the case of Newell, which has not named its honor students. Hickman and Lyons tied for the No. 1 spot at Beaver Local.

Top-ranking seniors awaiting graduation at five area high schools were honored Monday night at a dinner program at the Travelers Hotel arranged by the public education committee of the Chamber of Commerce.

Fifty-seven young men and women were presented certificates of recognition for scholastic achievement by Edwin Maloney, chairman of the Chamber committee. They represent the top 10 per cent of the graduating classes at East Liverpool, Chester, Newell, Beaver Local and South Side High Schools.

Attendance totaled approximately 80, including members of the Chamber's Board of Trustees and committee chairmen.

In an address to the seniors, Alvin T. Babb, Chamber president, discussed human dignity and individual freedom, referring to them as a "priceless heritage" of Americans.

Maloney presided. Dr. C. M. Mayberry gave the invocation. Maloney introduced the committee members and principals of the participating schools — George Hargraves of East Liverpool, Lee A. Kirkland of Beaver Local, R. M. McFarland of Chester, Charles P. Henderson of South Side and E. Russell Slack of Newell.

It was the second consecutive year the Chamber committee has paid tribute to the graduates. Its members, in addition to Maloney, are School Supt. Ralph W. Betts, Eugene Hall, James Locke, Harry Martin, Dr. Mayberry, Collin L. Neal and A. C. Purinton Jr.

Chamber board members and committee members attending, introduced by E. R. Chandler, secretary-manager, were: C. W. Ashbaugh, David Boyce, Robert Boyce, Don Eckert, Ralph Finley, Dr. John A. Fraser, Atty. Francis H. Lang, J. N. Nicley, Glenn B. Roberts, Harold Sneddon, Charles Taylor and Judge Louis Tobin.

Resignations Of 3 Teachers Are Accepted

The resignations of three elementary teachers, including two who are retiring, were accepted Monday night by the Board of Education.

Retiring from the profession are Mrs. Mabel Wolf, first - grade teacher at Horace Mann, and Miss Edna Colmer, a sixth-grade instructor in Westgate elementary.

The third resignation was from Mrs. Ann McMillan, who is leaving the profession.

Appointment Approved

The board also approved the appointment of Mrs. Jane Neiser Rife as a vocal music teacher succeeding Miss Burdene Bowman, whose resignation was accepted at the May 7 meeting. Mrs. Rife will spend a half day at East Junior High and the other half day at Westgate elementary.

The board delayed adoption of a policy concerning membership of a substitute non - certificated personnel (all board employes except teachers) in the Ohio School Employes Retirement System until James Lowe and Harry McConville, who were absent, could study the proposal.

The proposed policy provides that a new substitute must decide on the first day of employment whether to participate in the retirement plan or not for the first three months of employment.

If the substitute elects to join, authorizing deducation from pay, the school board will pay its normal share into the plan. If the teacher declines to join, the new substitute will be required to sign a statement waiving the possibility at a later date of requesting that membership revert to the first day of employment.

After three months' employment, membership in the retirement system is compulsory.

The board adopted the policy after agreeing at its last meeting to allow two cafeteria employes, then substitute workers, to begin their membership on the first day of their employment and agreeing to pay the board's share.

Borrowing Not Needed

Miss Kathryn Liebschner, clerk-treasurer, reported to the board it was not necessary to borrow funds because of the receipt of $165,021 as the final settlement on the first half real estate tax.

The final settlement was nearly double the amount originally believed due and included $129,910 for the general fund, $27,474 for bond retirement and $7,637 for the maintenance and repair fund, she said.

The balance in all school funds totals $134,928, Miss Liebschner said.

The building committee may look into the possibility of installing separate meters at Westgate and East Junior High buildings to meter water used in watering lawns during the summer quarter.

James Moss, committee chairman, said it might be wise to install the separate meters after C. Walter Ashbaugh, board president, said he had been advised by a member of the Board of Public Utilities, which administers the water and sewage departments, that it would be unable to waive sewer assessments for the summer quarter at the two schools.

The sewer assessments for the summer quarter total slightly more than $108 for the two schools, with $84 at Westgate and a charge of $24 at East Junior, Ashbaugh said he was told.

Moss said he believed it might be wise to go ahead since the separate meters probably would pay for themselves in about three years, depending on the cost involved.

Supt. Ralph W. Betts said at least three meters would be needed at Westgate and two at East Junior.

Sales By Students Aired

Betts also was asked by Mrs. Nessie Dunlop to investigate the possibility of curtailing the sale of various items by students after school.

She reported she had received complaints from several woman, chiefly because the youngsters were visiting homes after dark.

Betts promised to investigate, declaring the problem has been "disturbing" and adding that he is more concerned by sales by school - sponsored organizations, such as various bands, choirs and other groups than by parent-teacher organizations.

AEC Examiner Opens Hearing On Reactor

GERMANTOWN, Md. (AP)—An Atomic Energy Commission examiner begins hearings today to determine whether the National Aeronautics and Space Administration's Plum Brook reactor in Ohio should be allowed to operate at full power.

Five AEC and NASA witnesses were listed for the hearing in AEC headquarters.

The Plum Brook facility near Sandusky has been licensed to operate since March 1961. It currently is operating at 100 kilowatts thermal. It now is ready to operate at its full rated capacity of 60,000 kilowatts thermal, an AEC official said, but hearings are necessary before the AEC can give the go-ahead.

NASA uses the facility for research and testing.

Ball Injures Girl's Finger

A girl struck by a ball and a boy run over by a bicycle were among seven youngsters and an adult treated at City Hospital Monday.

Sue McHenry, 15, daughter of Harvey McHenry of Armstrong Ln., was treated last night for a possible fracture of a finger received when hit by a ball.

Jerry Dennison, 5, son of Charles Dennison of Chester R. D. 1, suffered abrasions of the right arm and right hip when run over by a bike.

In a fall backwards against a stone, Gregory Lamp, 17-month-old son of Mr. and Mrs. Albert Lamp, 510 Walnut St., received a puncture wound of the scalp.

Kenneth Adkins, 2, son of Mr. and Mrs. Wiser Adkins of No. 4 Thompson Pl., received a laceration of the forehead when struck by a piece of slate by a playmate.

James Gillespie, 8, son of James Gillespie of 6th St., Newell, was treated for a fracture of the left arm suffered in a fall from a bicycle.

Peter Traversa, 6, son of Mrs. Elaine Traversa, 409 Jackson St., suffered a cut of the ankle on glass at home.

Gary Murphy, 3, son of Albert Murphy, 530 6th St., Chester, was treated for an injury to the right hand suffered in a washing machine wringer at home.

Wendell Smith, 45, of Canton, employe of a provision firm, received a laceration of the forehead when he bumped a beef rack while unpacking meat at a Wellsville store.

3 Convicted Slayers Still At Large In Ohio

IRONTON, Ohio (AP) — Three Lawrence County men, all convicted of murder, have walked away from prison honor camps in the last six months and are still at large.

The latest fugitive is Kenneth Ray Smith, 31, of South Point. Smith escaped from the prison farm near Gallipolis Sunday. He was convicted of second - degree murder in the February 1956 fatal beating of Marion Hall.

A week ago, Dempsey Wickline, convicted of first-degree murder, walked away from a prison farm near Oxford. Six months ago David Daniel, convicted of second-degree murder, escaped from a prison farm near Portsmouth.

For Youngstown District

Rev. Norman M. Parr To Be Superintendent

The Rev. Norman M. Parr, minister of the First Methodist Church in Alliance, and former pastor of the Central Methodist Church in Wellsville has been appointed superintendent of the 76-church Youngstown District.

He succeeds the Dr. Paul M. Ward, who served as superintendent for two years.

The announcement was made Sunday by Ohio Bishop Hazen G. Werner.

Bishop Werner said Dr. Ward's new post will be announced at the annual Northeast Ohio Conference sessions June 19-24 at Lakeside.

Rev. Parr, the son of Mrs. Ethel Parr of Clark Ave., Wellsville, and the late A. D. Parr, is a native of Wheeling.

Rev. Parr is a 1932 graduate of Wellsville High School and was graduated from Adrian (Mich.) College, magna cum laude, in 1937. He also was graduated from the Westminster Seminary in Maryland in 1940.

He has served Methodist churches in West Salem, Youngstown, Hubbard, Poland and Chagrin Falls.

He is married to the former Naoma Rosenberger, daughter of Mr. and Mrs. L. H. Rosenberger of Main St., Wellsville.

His mother is a member of the Central church and serves the church board and its pastoral relations committee.

Foreign Trade, Automation Set In Capital Talks

WASHINGTON (AP) — The administration's labor - management conference, already characterized by one Cabinet member as "a very great success indeed," turns today to the topics of automation and foreign trade.

Secretary of Labor Arthur J. Goldberg put the success label on the meeting, officially titled the "White House Conference on Economic Issues," at a banquet Monday night attended by the 200 conferees representng industry, labor unions and the public.

Goldberg said the conferees probably hadn't talked as frankly as they probably would in subsequent sessions but he said at least the ice had been broken and, after all, "it's better to jaw than to war."

At the initial conference session the two topics were collective bargaining and wage-price policies. About the most controversial statement made from the industry side came from President J. Ward Keener of the B. F. Goodrich Co., urging a breakup of industry-wide labor bargaining.

Keener also characterized President Kennedy's controversial wage - price guidelines as "impractical and unwise." The guides were stoutly defended in other quarters and Prof. John P. Lewis of Indiana University said probably tougher rules will be needed.

Young Women Sought In Peace Corps Work

LISBON — The Columbiana County Extension Office has received word there is an immediate need for young women with a farm, 4-H and home economics background in the Brazil 4-H Peace Corps project.

The 4-H Peace Corps volunteers will work as local extension workers in Brazil and help expand and strengthen the extension rural youth program.

Questionnaires for service in the Brazil project are available at the county extension office at 113 S. Market St. Applications should be made immediately, as the volunteers are being selected now, County Agent Floyd Lower said.

FOP Plans For Carnival

Plans for a carnival to be presented next week and naming of a delegate for the state conference highlighted a meeting of Wellsville Fraternal Order of Police Lodge 11 Monday night at Hotel Wilk.

The carnival will be held Monday through June 2, in co-operation with FOP Associates Lodge 51.

The rides will be provided by the Megerle - Pfile Shows of Youngstown. The show will move into Central Park at 13th St. Sunday and be ready for the opening Monday about 6:30 p. m.

Proceeds from the benefit are used for the annual community Halloween party and other projects.

Capt. Pete Trainer, president, conducted business. Patrolman Robert Wellington, secretary, was elected as the delegate to the state conference July 22-24 at Cincinnati with Trainer as alternate.

The lodge voted to join with the East Liverpool FOP Lodge in a district meeting. Named to the committee were Trainer, Wellington and Deputy Robert Beresford.

James Elliott, president of the associates lodge, was a guest.

Next meeting is June 25.

Council Gets Report

Medina Termed Example To City

Following a personal inspection by a local delegation Saturday, Councilman S. James Welch Monday night cited Medina as a model which East Liverpool could emulate in street improvements, establishment of new industry and development of residential subdivisions.

Welch pointed out the Medina trip was made by Safety-Service Director Robert Owen, Street Supt. W. M. Laughlin, Councilman Kenneth C. Berg and himself—the 24th municipal delegation to visit the community in hopes of learning lessons from the progress Medina has made since achieving city status in 1951.

—:—

THE EAST Liverpool visitors learned that Medina finances a comprehensive street improvement program with a 1-mill voted levy, Welch said. Each year, it undertakes to improve 12 existing streets or construct new thoroughfares of equivalent mileage, he said.

Medina officials "do not recommend blacktop," using reinforced concrete for all their streets, Welch related. Six - inch concrete is used in residential areas, with 8-inch pavement in industrial districts, he said. In addition to the income from the voted levy, the city charges special assessments to help pay for the street improvements and sewer and curb installations, he related.

The councilman conceded that Medina's street problems are not identical to East Liverpool's because of the difference in terrain. Medina's site is generally level, in contrast to the hills and valleys on which East Liverpool is built, he said.

Fifteen new industries have located in Medina in recent years, attracted there by co-operation between the Chamber of Commerce and city officials, Welch related.

—:—

THE PLANTS have moved to Medina from sites as far away as Illinois and Wisconsin, he said. One firm that located there in 1961 added $140,000 a year to tax collections through assessments on its inventory, Welch said.

Developers who erect new housing subdivisions are required to pay the cost of streets, sidewalks and curbs and set aside a sum equal to three per cent of the development's cost for establishment of parks and recreation areas, Welch said. Medina has annexed six tracts outside the city for residential and industrial development, he said.

"I feel it was a worthwhile trip," Welch concluded. "We learned some valuable lessons. I hope East Liverpool will be able to establish a 'master plan' for its future growth and attract some diversified industries."

Councilman Robert W. Sample commended the delegation for its investigation and report.

Welch also reported on investigation of complaints of soot flying from the smokestack on the Jones Dry Cleaning Co. on Smithfield St. He originally reported the complaints at the meeting May 7.

—:—

WELCH said he talked with the management of the company and was told the firm "is quite willing to co-operate with Council and the people of the neighborhood" to eliminate the condition. The company said it sought to install gas-fired boiler equipment five or six years ago to eliminate soot, but was told the gas line on Smithfield St. would not provide enough pressure, Welch said.

The Ohio Valley Gas Co. has promised to investigate to find if there is a way sufficient pressure can be provided for gas-fired boilers without prohibitive expense, Welch said.

Councilman Floyd Murray asked a continuing investigation of complaints of stagnant water in a tract in Columbian Park. He first reported the condition at the meeting May 7, terming it a "health menace."

Murray said Clerk Lawrence Zollinger wrote a letter May 12 to W. Leland Thompson, identified as the owner of the property, ut no reply has been received.

"He has had plenty of time to reply," Murray commented.

Council adopted Murray's motion asking the City Health Board to investigate the complaint and file a report with Council.

—:—

"IF THAT doesn't do any good, I beleve we should request the State Health Department to make an investigation and see if it can be drained or filled in," Murray said.

Council President Charles N. Edwards served public notice that the chamber will not be used in the future as a soundingboard for citizens airing complaints not linked directly with Council business.

He made the announcement after Council moved to grant "personal privilege" to citizens in the audience — a custom at the outset of each meeting.

"Council meets twice a month to carry on city business," Edwards said. "Personal privilege is granted to allow citizens to speak on pending legislation or other situations of public interest.

"All other requests or complaints should be in writing and brought to the clerk of Council or given to the proper ward councilman," Edwards continued. "In the past, because of the controversial nature of some questions before Council, I permitted a wide range of discussion, which meant that some remarks were made which were out of order."

—:—

LEROY FOTHERINGHAM of Gardendale, who has attended Council sessions regularly for about two months, took the floor and asserted that he believed Edwards' "speech was directed at me."

"I feel you want me to stop coming here," he said.

Edwards did not reply. Then Fotheringham asked two questions.

"Why was a city truck and a high - lift working on the Milligan property a few days ago?" he asked.

"You would have to ask that question of the director," Edwards replied.

"What is going to be done about the shortage in the water department?" Fotheringham asked.

"That is a question for the Board of Public Utilities," Edwards replied.

—:—

EARL ROLLINS of Ravine St. also spoke from the floor. He told Council his property was damaged by water last fall when a main broke on Thompson Ave. He said he filed a claim with the 1960-61 Council "but never heard any more about it."

Edwards said the claim probably was mislaid in the general change of Council seats at the end of 1961. He suggested that Rollins file his claim again.

A letter was read from the Board of Public Utilities asking what action had been taken on legislation that would assess sewage charges against properties that are adjacent to a sanitary sewer, but not linked to it.

Sample replied the legislation was scheduled for presentation last night, but was delayed because of the death of Lee C. Cooper, father of Solicitor Joseph W. Cooper. He said it probably will be presented at the next meeting June 4.

Council unanimously enacted an informal resolution of sympathy in the death of Mr. Cooper.

—:—

THE CLAIMS committee was given an $850 bill against the city from Charles Gerace, 3055 Gilson Ave. Gerace said a sewer in the adjoining street became blocked May 5 and caused water to flow into his basement, damaging a recreation room and maid's quarters.

The finance committee was given a request from Owen for a $300 appropriation to be used for purchase of a document-copying machine. The city has a 25-year-old machine which is worn-out but which can be traded in on the new device, the director said.

Owen said the machine could be used by the mayor's, director's and engineer's offices and Council. He said it will "save a lot of time and work."

Councilman George E. Willshaw reported for a special committee which investigated the condition of the ladder truck used by City Electrician Fred Kane to determine whether to recommend replacement or repairs. Council accepted the committee's recommendation for repair of the body of the truck. The group feels "the work can be done reasonably and the truck can be put in good shape," Willshaw said.

—:—

REPORTING FOR the street committee, Berg said it has approved installation of new street lights on Holliday St. and Auburn St.

Murray asked installation of a sign on Holliday St. at Bay Alley to warn of a deadend. The street committee was asked to investigate.

The meeting opened with invocation by Edwards. Councilman Frank Duffy was excused.

Former Mayor Killed, Boy Hurt In Wreck

PAULDING, Ohio (AP) — Former Conway Mayor Clemence A. Muntzinger, 72, was killed Monday when his car apparently blew a tire, went out of control and turned over.

Leroy Lyons, 11, of Van Wert, who was going fishing with Muntzinger, was injured in the accident on Ohio 49 about 12 miles southwest of here.

$8,325 Offer Seen Low On 2 City Trucks

Mackall Motors of East Palestine was the apparent low bidder when the Board of Control opened bids Monday afternoon on two new two-ton dump trucks for the street department.

The board comprised of Mayor Bert H. Goodballet and Safety-Service Director Robert Owen took the five offers under consideration.

The East Palestine firm ask a net price of $4,312.90 for each Dodge D-500 model, a total of $8,625.80 less a trade in of $300 on a 1951 International and a 1950 Chevrolet, making the total price of $8,325.80.

The next lowest bidder was Mackall's Ford agency, Mackall Motors, Inc., of Pennsylvania Ave. which asked a total of $8,387.70 for two Ford F-600 models.

It listed a price of $4,293.85 each or a total of $8,587.70 less a trade in of $100 each on the department's two trucks.

However, its bid specified the Ford is equipped with a 6,000-pound front axle rather than the 7,000-pound axle specified by the city. The company said the 6,000-pound axle meets state specifications for dump trucks used for road work and snow plowing.

O. S. Hill & Co., also of Pennsylvania Ave., offered two International 1600's at a price of $4,379 each and at $4,229 each with trade ins. With the trade ins, the total cost would be $8,458.

Mike Turk, Inc., offered two Chevrolet dump trucks at $4,499.67 each or a total of $8,999.34. Its bid did not indicate a trade in allowance.

Wimmer Motor Sales offered two GMC V-4003's at $5,196.30. With no trade, the company said it would deduct $621.60 per truck to make the net price $4,574.70 or a total of $9,149.40.

The low bid of $8,325.80 is $2,325.80 more than the $6,000 City Council appropriated for the purchase. Council voted the funds from anticipated receipts from the municipal income tax.

Advised of the situation last night by Owen, Council agreed to meet in special session Friday night at 7 to consider legislation authorizing an additional $4,000 for the truck purchase — a total of $10,000. In such cases, the amount not required for a purchase is turned back to the general fund.

During its brief meeting, the Board of Control also approved the payment of $890 to the Pittsburgh Plate Glass Co. of Barberton for the original shipment of 10,000 gallons of calcium chloride used to lay dust on unimproved streets; $651.72 to the Lisbon Diesel & Supply Co. for 50 foot of 2-inch hose and six couplings on the city's oil spreader, and $924.66 to Dravo - Doyle Co. of Pittsburgh for repairs to an air compressor.

Since the compressor is used jointly by the street and water departments, each department will pay half the cost.

Armco Corp. Seeks Income Tax Refunds

CINCINNATI (AP) — Armco International Corp. of Middletown has sued for $1,784,491 in federal income tax refunds.

The company claimed it made overpayments through a mistake of reporting income from sales of patent rights as ordinary income instead of long-term capital gains.

The company, in its suit filed Monday, claimed overpayment of $530,769 in 1957, $650,620 in 1958 and $603,094 in 1959, and said the Internal Revenue Service wouldn't recognize the claim.

The firm is a subsidiary of Armco Steel Corp.

Contractors Cite Errors

School Painting Orders Rejected

The Board of Education decided Monday night to reject contracts it had awarded earlier this month for painting the interior of Central School and the machine shop in Memorial Auditorium after the two successful contractors requested they be relieved because of errors they made in figuring their bids.

Members also rejected a request from two city painters that the board prohibit painters outside the school district from receiving contracts. A Chester man was low bidder on painting fire escapes at five of six schools.

—:—

THE BOARD decided to readvertise the two jobs and cancel the contracts of Albert Cunningham, who received the award for painting the interior of Central on a bid of $1,546, less than half the offer submitted by the next lowest bidder, and Christ Pallis, who won the machine shop job on an offer of $230 — $75 less than the next lowest bidder.

Cunningham said he had neglected to figure the corridors of Central in the work, Supt. Ralph Betts reported. The corridors would amount to nearly half the area to be painted, Betts said.

Pallis said he had failed to include the ceiling in his machine-shop bid.

When the board examined the bids and awarded contracts at its meeting May 7, members expressed amazement at Cunningham's offer of $1,546 on Central. The other bidders and their offers were Hollis Logue, $3,100; Pallis, $3,989, and Clifford Smith of Chester, $3,997.

—:—

THE OTHER bidders on the machineshop were Smith, $305; Logue, $495, and Valentine Fersh, $564.

The only question concerning rejection of the contracts was raised by James Moss.

C. Walter Ashbaugh, board president, commented that "in fairness to all" he believed the requests to be relieved of the contracts should be granted.

Ashbaugh agreed the board had the legal right to hold the two painters to their contracts but siad he didn't believe the board "should penalize a man for a mistake."

Moss then asked, "Are we going to do this every time someone makes a mistake?"

—:—

HOWEVER, Ashbaugh and Supt. Betts pointed out the board could quickly halt repetition by holding the bidder to his offer.

The motion by Mrs. Nessie Dunlop to grant the requests and to be denied was seconded by Mrs. Dunlop.

Contracts for renovating the restrooms were awarded to Floyd C. Cox on his low bid of $3,599 for the first - floor restrooms and to Paul Brown of Calcutta on his offer of $3,261 for the third-floor restrooms.

If the total on the two jobs was considered, Cox was low with $7,188 while Brown's two offers totaled $7,319, including $4,058 on the first - floor job.

However, board members said he original plan was to receive separate bids and award the jobs separately.

—:—

THE BIDS WERE opened May 11 and at that time Betts said Cox, who attended the opening, commented neither contractor could make the job pay unless he was awarded both projects.

Ashbaugh said he was unable to understand how Brown could bid nearly $800 less for the third-floor work than the first floor, pointing out the materials would have to be moved further.

The board also awarded contracts to supply printed records for use in school offices with the Wilson Printing House getting 13 contracts totaling $369 and Keystone Printing Co. receiving six totaling $293.65.

Keystone was low on providing 3,300 attendance cards at $37.10; 2,000 program cards with stubs for $48.25; 2,900 program cards without stubs, $33.40; 15,500 subject report cards for $98; 500 special education report cards for $28.65, and 2,000 report cards for the first three grades at $48.25.

—:—

WILSON'S CONTRACTS include 2,800 permanent record cards at $69; 2,400 registration report cards for $21; 1,500 fourth to sixth grade report cards at $40; 10,000 enumeration cards, $40; 10,000 book labels, $35; 2,060 report of attendance forms, $26; 5,000 health cards, $40; 500 shop cards, $8; 1,000 East Junior High library cards, $10; 2,000 high school report cards, $50, and 10,000 absence slips, $30.

$8,325 Offer Seen Low On 2 City Trucks

Mackall Motors of East Palestine was the apparent low bidder when the Board of Control opened bids Monday afternoon on two new two-ton dump trucks for the street department.

The board comprised of Mayor Bert H. Goodballet and Safety-Service Director Robert Owen took the five offers under consideration.

The East Palestine firm ask a net price of $4,312.90 for each Dodge D-500 model, a total of $8,625.80 less a trade in of $300 on a 1951 International and a 1950 Chevrolet, making the total price of $8,325.80.

The next lowest bidder was Mackall's Ford agency, Mackall Motors, Inc., of Pennsylvania Ave. which asked a total of $8,387.70 for two Ford F-600 models.

It listed a price of $4,293.85 each or a total of $8,587.70 less a trade in of $100 each on the department's two trucks.

However, its bid specified the Ford is equipped with a 6,000-pound front axle rather than the 7,000-pound axle specified by the city. The company said the 6,000-pound axle meets state specifications for dump trucks used for road work and snow plowing.

O. S. Hill & Co., also of Pennsylvania Ave., offered two International 1600's at a price of $4,379 each and at $4,229 each with trade ins. With the trade ins, the total cost would be $8,458.

Mike Turk, Inc., offered two Chevrolet dump trucks at $4,499.67 each or a total of $8,999.34. Its bid did not indicate a trade in allowance.

Wimmer Motor Sales offered two GMC V-4003's at $5,196.30. With no trade, the company said it would deduct $621.60 per truck to make the net price $4,574.70 or a total of $9,149.40.

The low bid of $8,325.80 is $2,325.80 more than the $6,000 City Council appropriated for the purchase. Council voted the funds from anticipated receipts from the municipal income tax.

Advised of the situation last night by Owen, Council agreed to meet in special session Friday night at 7 to consider legislation authorizing an additional $4,000 for the truck purchase — a total of $10,000. In such cases, the amount not required for a purchase is turned back to the general fund.

During its brief meeting, the Board of Control also approved the payment of $890 to the Pittsburgh Plate Glass Co. of Barberton for the original shipment of 10,000 gallons of calcium chloride used to lay dust on unimproved streets; $651.72 to the Lisbon Diesel & Supply Co. for 50 foot of 2-inch hose and six couplings on the city's oil spreader, and $924.66 to Dravo - Doyle Co. of Pittsburgh for repairs to an air compressor.

Since the compressor is used jointly by the street and water departments, each department will pay half the cost.

Armco Corp. Seeks Income Tax Refunds

CINCINNATI (AP) — Armco International Corp. of Middletown has sued for $1,784,491 in federal income tax refunds.

The company claimed it made overpayments through a mistake of reporting income from sales of patent rights as ordinary income instead of long-term capital gains.

The company, in its suit filed Monday, claimed overpayment of $530,769 in 1957, $650,620 in 1958 and $603,094 in 1959, and said the Internal Revenue Service wouldn't recognize the claim.

The firm is a subsidiary of Armco Steel Corp.

Members also rejected a request from two city painters that the board prohibit painters outside the school district from receiving contracts. A Chester man was low bidder on painting fire escapes at five of six schools.

—:—

THE BOARD decided to readvertise the two jobs and cancel the contracts of Albert Cunningham, who received the award for painting the interior of Central on a bid of $1,546, less than half the offer submitted by the next lowest bidder, and Christ Pallis, who won the machine shop job on an offer of $230 — $75 less than the next lowest bidder.

Cunningham said he had neglected to figure the corridors of Central in the work, Supt. Ralph Betts reported. The corridors would amount to nearly half the area to be painted, Betts said.

Pallis said he had failed to include the ceiling in his machine-shop bid.

When the board examined the bids and awarded contracts at its meeting May 7, members expressed amazement at Cunningham's offer of $1,546 on Central. The other bidders and their offers were Hollis Logue, $3,100; Pallis, $3,989, and Clifford Smith of Chester, $3,997.

—:—

THE OTHER bidders on the machineshop were Smith, $305; Logue, $495, and Valentine Fersh, $564.

The only question concerning rejection of the contracts was raised by James Moss.

C. Walter Ashbaugh, board president, commented that "in fairness to all" he believed the requests to be relieved of the contracts should be granted.

Ashbaugh agreed the board had the legal right to hold the two painters to their contracts but siad he didn't believe the board "should penalize a man for a mistake."

Moss then asked, "Are we going to do this every time someone makes a mistake?"

—:—

HOWEVER, Ashbaugh and Supt. Betts pointed out the board could quickly halt repetition by holding the bidder to his offer.

The motion by Mrs. Nessie Dunlop to grant the requests and readvertise for bids was approved.

Betts said the request that painting contractors outside the school district not be permitted to bid was made by Pallis and Fersh. In a conference with him, they indicated they had the support of other city painters.

The request was filed May 8, the day after the board awarded contracts to Clifford Smith of Chester for painting fire escapes at Neville, Horace Mann, Garfield, Central and McKinley buildings on his low bids.

Fersh received the contract for painting the Taft fire escape and he and Pallis were the only other painters to submit bids on the work.

—:—

PALLIS and Fersh indicated they would not bid on repainting jobs in Hancock schools, Betts reported, adding the two contractors said they might bid on new school construction since the bids would go to the general contractor and not to the school board.

Ashbaugh commented, "I don't believe it is a logical request. We're happy if a local bidder wins, but we are trying to spend the taxpayers' money wisely."

Moss pointed out Smith resided in East Liverpool for many years before moving to Chester.

He also commented the board "shouldn't draw a jurisdictional line."

"If the painters agree among themselves on the areas in which they will work, that's up to them, not the school board," he declared.

—:—

MOSS ALSO cited the many ramifications which could result if the board adopted such a policy. It could carry over into other areas, he warned.

As an example, Betts pointed out the board would have received only one bid on renovating the high school restrooms if bidders were restricted to those within the school district.

Moss' motion that the request to be denied was seconded by Mrs. Dunlop.

Contracts for renovating the restrooms were awarded to Floyd C. Cox on his low bid of $3,599 for the first - floor restrooms and to Paul Brown of Calcutta on his offer of $3,261 for the third-floor restrooms.

If the total on the two jobs was considered, Cox was low with $7,188 while Brown's two offers totaled $7,319, including $4,058 on the first - floor job.

However, board members said he original plan was to receive separate bids and award the jobs separately.

—:—

THE BIDS WERE opened May 11 and at that time Betts said Cox, who attended the opening, commented neither contractor could make the job pay unless he was awarded both projects.

Ashbaugh said he was unable to understand how Brown could bid nearly $890 less for the third-floor work than the first floor, pointing out the materials would have to be moved further.

The board also awarded contracts to supply printed records for use in school offices with the Wilson Printing House getting 13 contracts totaling $369 and Keystone Printing Co. receiving six totaling $293.65.

Keystone was low on providing 3,300 attendance cards at $37.10; 2,000 program cards with stubs for $48.25; 2,900 program cards without stubs, $33.40; 15,500 subject report cards for $98; 500 special education report cards for $28.65, and 2,000 report cards for the first three grades at $48.25.

—:—

WILSON'S CONTRACTS include 2,800 permanent record cards at $69; 2,400 registration report cards for $21; 1,500 fourth to sixth grade report cards at $40; 10,000 enumeration cards, $40; 10,000 book labels, $35; 2,000 report of attendance forms, $26; 5,000 health cards, $40; 500 shop cards, $8; 1,000 East Junior High library cards, $10; 2,000 high school report cards, $50, and 10,000 absence slips, $30.

law, but cities could share hospital insurance premiums.

Of 150 Ohio cities ranging from 10,000 to over 100,000, 115 have hospitalization plans and 22 have life insurance plans.

"We believe it is important that steps be taken to provide group hospitalization and life insurance for all full-time hourly-paid and salaried city employes," the Council committee's report said.

"The first step would be for Council to consider what type of hospital coverage should be provided and what amount of life insurance is desirable. Then it should decide what class of employes would be eligible and what method of payment would be used."

Turning next to premium pay for overtime, the report pointed out hourly-paid city employes now receive straight-time wages for work performed in addition to their normal work week and on holidays.

The report added: "In the case of the police department, if an officer is called out because of an emergency, he is paid only $1.50 per hour. His regular salary is $355 a month, or $2.05 per hour. This should be corrected. We feel overtime and holiday pay should be at the rate of time and a half."

The report added that Council must determine who would be eligible for overtime pay and who would control the use of workers at premium pay rates.

In connection with call - back pay, the committee pointed out that a worker called to duty outside his regular hours is paid only for the actual time worked. It recommended setting up "call-back" pay at a minimum of two hours.

"At present if an hourly-rated employe is called back for an emergency (as an example a clogged sewer or an icy road condition) he is paid only straight time and only for the time on the job," the report said. "If it takes a half hour that is the amount for which he is paid.

"Most industry today has a call-back time limit of not less than two hours and in most cases up to four hours. It seems only fair a plan to guarantee at least two hours' pay on any call-back should be considered. Council should consider what class of employe would be eligible and delegate the responsibility for ordering the call-back."

In the preamble to its report, the Council committee said a city government, as well as private business, "must offer sufficient compensation" in order to recruit and retain qualified personnel. Although salaries are the main consideration, "fringe benefits" are among other types of compensation "that can make employment attractive," it said.

The report said most city workers are underpaid, but it conceded that "no doubt a few possibly are overpaid." However, it discarded the idea of a job evaluation program, declaring that Council has no members qualified to make a detailed technical study and the city would not be able to afford to pay raises that likely would result.

Therefore, the committee said, it recommended fringe benefits "in order to make city jobs more attractive to qualified persons and to retain present qualified personnel dissatisfied with present wage scales."

Miss Linda Madison Weds At Salineville Church Rites

Miss Linda Ann Madison, daughter of Mr. and Mrs. Paul S. Madison of Salineville R. D. 2, became the bride of Donald R. Clark Jr., son of Mr. and Mrs. Donald R. Clark of Mechanicstown R. D. 1, Monday night at 7:30 o'clock at the Salineville Methodist Church.

The double ring ceremony was performed by the Rev. William E. Buell before an altar banked with seasonal flowers, ferns and two-branch candelabras

Mrs. Janet Buell of Salineville was soloist. She sang "A Wedding Prayer," "I Love Thee," "Lord's Prayer" and "Because." Mrs. Barbara Melhorn of Salineville was organist.

The bride, given in marriage by her brother, Paul A. Madison of East Liverpool, appeared in a full - length white silk organza gown styled with a round neckline, cap sleeves and embroidered appliques of flowers on the bodice and bouffant skirt. A seed pearl tiara held her French illusion veil in place.

She carried a white Bible topped with an orchid and an arrangement of stephanotis.

Mrs. Shirley Hutson of Salineville, sister of the bride, was matron of honor. She wore a turquoise crystalet dress and a matching headpiece. Her Colonial bouquet also matched her dress.

The bridesmaids were Mrs. Judy Hite of Kensington, sister of the bridegroom, and Mrs. Elaine Rigsby of Salineville, a friend of the bride. They were attired in yellow crystalet dresses with matching headpieces and carried Colonial bouquets.

Mary Jean Hutson, niece of the bride, was flower girl. She wore a yellow silk organza dress with white accessories and carried a miniature basket filled with rose petals.

The bride's mother wore green with beige accessories and a corsage of yellow roses. The bridegroom's mother was attired in a light blue ensemble with blue accessories and wore a corsage of yellow roses.

John Clark of Mechanicstown R. D., brother of the bridegroom, was best man and John Madison, also of Mechanicstown R D., and Harold R. Madison of Salem, brothers of the bride, were ushers. David Clark of Mechanicstown, brother of the bridegroom, was rong-bearer.

About 200 attended a reception that followed in the church social rooms. A four-tiered wedding cake topped with a miniature bridal couple centered the table.

MRS. D. R. CLARK JR.
Marries Mechanicstown Man.

Aides were Mrs. Jean Madison, Mrs. Doris Wattson, Mrs. Doris Madison and Mrs. Mary Ellen Downing. Miss Carol McKarns, cousin of the bridegroom, was in charge of registering the guests.

The bride is a 1958 graduate of Salineville High School and attended Canton Actual Business School. She is employed as a switchboard operator by the Ohio Power Co. in East Liverpool. Her husband is a graduate of Carrollton High School and formerly was employed at the Ceramic Tile Co. in Minerva. He now is serving with the Army at Ft. Momouth, N. J.

Following a honeymoon in Virginia, the bride will reside temporarily with her parents.

For traveling, the bride was attired in a white brocade suit with brown and white accessories. She wore the bridal corsage.

Parents of the principals entertained at a rehearsal dinner Sunday at 7:30 o'clock in the Salineville church social rooms.

Elementary Students Slate Concert Tonight

A free public concert by student musicians of the city's elementary schools will be presented tonight at 7:30 in Memorial Auditorium, Vincent L. Maola, instrumental supervisor, reported.

Both the orchestra, comprised of fourth, fifth and sixth graders, and the band of fifth and sixth graders will perform about five selections each. The band is comprised of pupils who had begun training last year and others who started this year.

George Schweizer will direct the elementary orchestra, which will perform for the first part of the program.

Peter D'Argenzio and Alex Demkowicz will direct the band.

Cerebral Palsy Unit Discusses Projects

Projects were discussed at the closing meeting of the Parental Group of the Columbiana County Affiliate of the United Cerebral Palsy Association Monday night at the home of the president, Mrs. Shirley White, of Pennsylvania Ave.

The group is selling doll clothes and aprons with proceeds going toward the purchase of braces.

Mrs. White presided and read the financial report. Mrs. Shirlene Doland read the minutes.

Refreshments were served by the hostess, assisted by Mrs. Janice Southall. Fall sessions will resume in September.

drivers like you," the judge declared.

Before the judge pronounced sentence, Sipe appealed for leniency.

"I have no mercy in my heart this morning," the judge replied. "I visited a funeral home last night and saw the body of a little girl whose life was snuffed out."

He apparently referred to the death of Janet Kaye Clutter, 16, of Elmhurst Pl., killed in a crash Saturday afternoon on the Calcutta Smiths Ferry Rd.

Patrolman Hayes, testifying on Sipe's physical condition at the time of the arrest, said the defendant "was very intoxicated." Sipe asserted he had nothing to drink except two beers he consumed early Saturday morning.

"I don't believe your story," the judge said. "You're one of many who stand before me and say they only had 'two beers'."

Sipe also said he was consuming aspirin and sleeping pills to kill the pain caused by an artificial hip joint.

Judge Lectures Man For Ignoring Officer

Eugene Fetty, 20, of 843 Sophia St. was lectured this morning by Municipal Judge Samuel M. Chertoff for allegedly ignoring orders of a police officer in an incident on the Diamond Monday night, but escaped with a suspended fine of $10 and costs on an intoxication charge.

Patrolman William Devon testified he saw Fetty emerge from the Diamond Restaurant about 11:30 and begin to pound with his fist on a sign in the middle of the Diamond near the community fountain. He said he shouted at Fetty to desist and the man walked away, continuing to ignore the officer's calls. Officer Devon said he found Fetty in an E. 6th St. tavern.

Judge Chertoff, lecturing Fetty, asserted he should have listened to the officer's calls and obeyed him.

law, but cities could share hospital insurance premiums.

Of 150 Ohio cities ranging from 10,000 to over 100,000, 115 have hospitalization plans and 22 have life insurance plans.

"We believe it is important that steps be taken to provide group hospitalization and life insurance for all full-time hourly-paid and salaried city employes," the Council committee's report said.

"The first step would be for Council to consider what type of hospital coverage should be provided and what amount of life insurance is desirable. Then it should decide what class of employes would be eligible and what method of payment would be used."

Turning next to premium pay for overtime, the report pointed out hourly-paid city employes now receive straight-time wages for work performed in addition to their normal work week and on holidays.

The report added: "In the case of the police department, if an officer is called out because of an emergency, he is paid only $1.50 per hour. His regular salary is $355 a month, or $2.05 per hour. This should be corrected. We feel overtime and holiday pay should be at the rate of time and a half."

The report added that Council must determine who would be eligible for overtime pay and who would control the use of workers at premium pay rates.

In connection with call - back pay, the committee pointed out that a worker called to duty outside his regular hours is paid only for the actual time worked. It recommended setting up "call-back" pay at a minimum of two hours.

"At present if an hourly-rated employe is called back for an emergency (as an example a clogged sewer or an icy road condition) he is paid only straight time and only for the time on the job," the report said. "If it takes a half hour that is the amount for which he is paid.

"Most industry today has a call-back time limit of not less than two hours and in most cases up to four hours. It seems only fair a plan to guarantee at least two hours' pay on any call-back should be considered. Council should consider what class of employe would be eligible and delegate the responsibility for ordering the call-back."

In the preamble to its report, the Council committee said a city government, as well as private business, "must offer sufficient compensation" in order to recruit and retain qualified personnel. Although salaries are the main consideration, "fringe benefits" are among other types of compensation "that can make employment attractive," it said.

The report said most city workers are underpaid, but it conceded that "no doubt a few possibly are overpaid." However, it discarded the idea of a job evaluation program, declaring that Council has no members qualified to make a detailed technical study and the city would not be able to afford to pay raises that likely would result.

Therefore, the committee said, it recommended fringe benefits "in order to make city jobs more attractive to qualified persons and to retain present qualified personnel dissatisfied with present wage scales."

Miss Linda Madison Weds At Salineville Church Rites

Miss Linda Ann Madison, daughter of Mr. and Mrs. Paul S. Madison of Salineville R. D. 2, became the bride of Donald R. Clark Jr., son of Mr. and Mrs. Donald R. Clark of Mechanicstown R. D. 1, Monday night at 7:30 o'clock at the Salineville Methodist Church.

The double ring ceremony was performed by the Rev. William E. Buell before an altar banked with seasonal flowers, ferns and two-branch candelabras

Mrs. Janet Buell of Salineville was soloist. She sang "A Wedding Prayer," "I Love Thee," "Lord's Prayer" and "Because." Mrs. Barbara Melhorn of Salineville was organist.

The bride, given in marriage by her brother, Paul A. Madison of East Liverpool, appeared in a full - length white silk organza gown styled with a round neckline, cap sleeves and embroidered appliques of flowers on the bodice and bouffant skirt. A seed pearl tiara held her French illusion veil in place.

She carried a white Bible topped with an orchid and an arrangement of stephanotis.

Mrs. Shirley Hutson of Salineville, sister of the bride, was matron of honor. She wore a turquoise crystalet dress and a matching headpiece. Her Colonial bouquet also matched her dress.

The bridesmaids were Mrs. Judy Hite of Kensington, sister of the bridegroom, and Mrs. Elaine Rigsby of Salineville, a friend of the bride. They were attired in yellow crystalet dresses with matching headpieces and carried Colonial bouquets.

Mary Jean Hutson, niece of the bride, was flower girl. She wore a yellow silk organza dress with white accessories and carried a miniature basket filled with rose petals.

The bride's mother wore green with beige accessories and a corsage of yellow roses. The bridegroom's mother was attired in a light blue ensemble with blue accessories and wore a corsage of yellow roses.

John Clark of Mechanicstown R. D., brother of the bridegroom, was best man and John Madison, also of Mechanicstown R D., and Harold R. Madison of Salem, brothers of the bride, were ushers. David Clark of Mechanicstown, brother of the bridegroom, was rong-bearer.

About 200 attended a reception that followed in the church social rooms. A four-tiered wedding cake topped with a miniature bridal couple centered the table.

MRS. D. R. CLARK JR.
Marries Mechanicstown Man.

Aides were Mrs. Jean Madison, Mrs. Doris Wattson, Mrs. Doris Madison and Mrs. Mary Ellen Downing. Miss Carol McKarns, cousin of the bridegroom, was in charge of registering the guests.

The bride is a 1958 graduate of Salineville High School and attended Canton Actual Business School. She is employed as a switchboard operator by the Ohio Power Co. in East Liverpool. Her husband is a graduate of Carrollton High School and formerly was employed at the Ceramic Tile Co. in Minerva. He now is serving with the Army at Ft. Momouth, N. J.

Following a honeymoon in Virginia, the bride will reside temporarily with her parents.

For traveling, the bride was attired in a white brocade suit with brown and white accessories. She wore the bridal corsage.

Parents of the principals entertained at a rehearsal dinner Sunday at 7:30 o'clock in the Salineville church social rooms.

Elementary Students Slate Concert Tonight

A free public concert by student musicians of the city's elementary schools will be presented tonight at 7:30 in Memorial Auditorium, Vincent L. Maola, instrumental supervisor, reported.

Both the orchestra, comprised of fourth, fifth and sixth graders, and the band of fifth and sixth graders will perform about five selections each. The band is comprised of pupils who had begun training last year and others who started this year.

George Schweizer will direct the elementary orchestra, which will perform for the first part of the program.

Peter D'Argenzio and Alex Demkowicz will direct the band.

Cerebral Palsy Unit Discusses Projects

Projects were discussed at the closing meeting of the Parental Group of the Columbiana County Affiliate of the United Cerebral Palsy Association Monday night at the home of the president, Mrs. Shirley White, of Pennsylvania Ave.

The group is selling doll clothes and aprons with proceeds going toward the purchase of braces.

Mrs. White presided and read the financial report. Mrs. Shirlene Doland read the minutes.

Refreshments were served by the hostess, assisted by Mrs. Janice Southall. Fall sessions will resume in September.

drivers like you," the judge declared.

Before the judge pronounced sentence, Sipe appealed for leniency.

"I have no mercy in my heart this morning," the judge replied. "I visited a funeral home last night and saw the body of a little girl whose life was snuffed out."

He apparently referred to the death of Janet Kaye Clutter, 16, of Elmhurst Pl., killed in a crash Saturday afternoon on the Calcutta Smiths Ferry Rd.

Patrolman Hayes, testifying on Sipe's physical condition at the time of the arrest, said the defendant "was very intoxicated." Sipe asserted he had nothing to drink except two beers he consumed early Saturday morning.

"I don't believe your story," the judge said. "You're one of many who stand before me and say they only had 'two beers'."

Sipe also said he was consuming aspirin and sleeping pills to kill the pain caused by an artificial hip joint.

Judge Lectures Man For Ignoring Officer

Eugene Fetty, 20, of 843 Sophia St. was lectured this morning by Municipal Judge Samuel M. Chertoff for allegedly ignoring orders of a police officer in an incident on the Diamond Monday night, but escaped with a suspended fine of $10 and costs on an intoxication charge.

Patrolman William Devon testified he saw Fetty emerge from the Diamond Restaurant about 11:30 and begin to pound with his fist on a sign in the middle of the Diamond near the community fountain. He said he shouted at Fetty to desist and the man walked away, continuing to ignore the officer's calls. Officer Devon said he found Fetty in an E. 6th St. tavern.

Judge Chertoff, lecturing Fetty, asserted he should have listened to the officer's calls and obeyed him.

Health Board Raises Fees

LISBON — The Columbiana County Board of Health Monday night raised fees to $3 for taking water samples and obtaining an analysis. The previous charge was $1 with no cost for resampling.

Dr. C. S. Palmer, county health commissioner, gave his monthly reports, showing inspector Gene Cover made 77 plumbing and 47 sewage inspection, took 11 water samples and handled one refuse and one nuisance complaint.

Sanatarian Harry Stockdale reported 35 food service inspections, 33 sewage, 31 nuisance, 20 water samples, eight refuse, five trailer parks and a swimming pool.

The county issued 57 plumbing permits and 54 sewage permits during the month.

Dr. Palmer and Mrs. Violet Peterson, county health nurse, made 23 and 42 school visits respectively, held 18 pre - school clinics in which they gave 266 immunizations, 119 polio shots, 142 vaccinations and 61 physical examinations.

In school-age clinics, they gave 805 immunizations, 530 re-vaccinations, 26 polio shots and 37 Mantoux TB tests.

They gave 37 Mantoux tests at the county jail and two at the County Home; made seven home visits, 22 doctor office calls, gave 223 Sabin oral drinks, conducted a bus drivers examination and one working certificate examination.

Dr. Palmer reported that there is no good drinking water at the landfill dump in St. Clair Township and East Liverpool Council will be advised to provide better drinking facilities for the employees.

Dr. Leonard Pritchard of Columbiana, a board member, moved that the July and August meetings be held at his home in Columbiana but there was no second.

Next meeting is June 18 at 7:30 p. m.

Wellsville Street Repair Continues

Patching of streets continued today at Wellsville by street crews.

Safety - Service Director Fred Baldasare said several streets already have been patched. All of Broadway, one of the main thorofares through town, has been completed.

Baldasare said all of the streets running parallel with the Ohio River will be patched first. The side streets will then be covered.

He also commented that the fountains in the Broadway park have been painted and the grass cut. The park benches for Riverside Ave. are being painted.

Center lines were painted on the streets Sunday.

The painting of fire plugs will begin Wednesday. The project will be under the direction of Fire Chief Robert Lewis. The plugs will be painted red and white.

Baldasare said the roads in Springhill Cemetery will be graded today.

The parts for the street sweeper did not arrive yesterday as anticipated. He said they are being shipped from Pamona, Calif. The steering housing broke last Wednesday and the sweeper has been out of operation since.

by placing the extra four-foot on the right side "without too much difficulty," he commented.

THE ENGINEER also said the design speed would be indicated as 35 miles an hour rather than 40 because the proposed grade has several locations where the non-passing sight distance meets the requirements for only 35 miles an hour.

Several other changes were recommended, all of a technical nature, which must be changed on the plans before they are submitted for final approval.

Ricketts concluded by suggesting that further plan work be delayed until the federal bureau has approved the city's proposed parking regulations and operation of the facility.

The federal bureau approved the addition of St. Clair Ave. to the federal aid secondary system of highways, guaranteeing the U.S. government will pay 50 per cent of the cost. That action came nearly a year ago.

In mid - summer last year, the city awarded a contract to the Youngstown engineering firm of Glaus, Pyle & Schomer to prepare plans, specifications and cost estimates.

—:—

NEGOTIATIONS for widening and surfacing the heavily-traveled street have been under way for about 2½ years.

With a 36-foot roadway of 9-inch concrete, the cost is estimated at approximately $400,000.

At a public hearing held last November to act as a guide to the highway department and federal bureau, public opinion was overwhelmingly in favor of the improvement although some raised questions concerning the width of the roadway and traffic and parking restrictions.

—:—

QUERIED BY the councilmen, Bloomgren said the city's share of the project would be 50 per cent, amounting to $200,000 if the total is $400,000. Federal funds will pay the other half of the cost, he expalined.

Councilmen asked if owners of abutting property would be assessed to help pay for the improvement. Bloomgren replied the question of local financing must be decided by Council, but assessments could be used.

In response to another question, Bloomgren said the project is not expected to affect any private property along the right - of - way except for a work easement about three feet wide on the grade on the east side of St. Clair at Highland Colony.

ROYALTY CROWNED. George Tepsic of Summitville and Karen Boyd of Highlandtown were crowned king and queen of the annual Salineville High School junior-senior banquet and Saturday night at the school. About 120 attended the dinner, while 100 couples were at the dance which was followed by an after-prom party and breakfast. Theme for the dance was "Roman Holiday." Miss Darlene Balmos is class sponsor.

Youth Sentenced To Reformatory

LISBON — A Salem youth was sentenced after probation was denied Monday and another received probation at hearings before Judge Joel H. Sharp for robbery of Darrell Rowlands of Salem March 5.

John M. Bagley, 19, was sentenced to 1-25 years at the Ohio State Reformatory after his record showed that he had been to the Boys Industrial School for auto theft and had been arrested for several other violations.

Bagley was commended by Judge Sharp for forcibly applying a tourniquet to Ronald Hellman, elbows in an attempt to take his own life while a cellmate with Bagley. Chief Probation Officer Richard Rose said Bagley probably saved Hellman's life. They were at the county jail.

Hellman had been sentenced to Mansfield reformatory but was waiting transportation when he cut himself.

Charles Holanchick, 19, of Salem was given probation for the same robbery because he had no previous record.

Both youth pleaded guilty and requested probation at hearings on April 19.

Safety - Service Director Fred Baldasare said several streets already have been patched. All of Broadway, one of the main thorofares through town, has been completed.

Baldasare said all of the streets running parallel with the Ohio River will be patched first. The side streets will then be covered.

He also commented that the fountains in the Broadway park have been painted and the grass cut. The park benches for Riverside Ave. are being painted.

Center lines were painted on the streets Sunday.

The painting of fire plugs will begin Wednesday. The project will be under the direction of Fire Chief Robert Lewis. The plugs will be painted red and white.

Baldasare said the roads in Springhill Cemetery will be graded today.

The parts for the street sweeper did not arrive yesterday as anticipated. He said they are being shipped from Pamona, Calif. The steering housing broke last Wednesday and the sweeper has been out of operation since.

Niece Of City Family Designated As Queen

Miss Helen Elaine Maxie, niece of Mr. and Mrs. Ed Williams, 1089½ Mapletree St., was named "Queen for a Day" at a contest Sunday afternoon at the Greater Second Baptist Church of Warren under the auspices of the denomination's Ushers Association of the Eastern Ohio District.

Miss Maxie will be crowned in July during the "Women's Day" program in Youngstown.

She represented the Ushers Board of the New Hope Baptist Church of East Liverpool.

Attending the event with Mrs. Williams were Mr. and Mrs. Ben Thompson and son of East Liverpool.

She Pulled Rare Feat: Shot 2 Aces In 2 Days

PHOENIX, Ariz. (AP) — Mrs. Velma Lyall of Phoenix might as well quit golfing. She's accomplished the goal of most golfers—twice.

Mrs. Lyall shot holes-in-one on two consecutive days using the same club on the same hole.

Troop 12 Advancement

2 Youths Become Eagle Scouts

Two young Boy Scouts beam proudly with their new Eagle badges fastened to their uniforms as they receive certificates of their new rank.

Scoutmaster Bernard Locke of Troop 12 hands the certificate to 13-year-old Randy Calhoun, center, as his brother, Terry, 14, watches.

The sons of Mr. and Mrs. Paul Calhoun Jr., 408 W. 5th St., they received the badges and certificates at a ceremony Monday night at the Trinity United Presbyterian Church, which sponsors the troop.

Members of the First Church of Christ, the brothers now are working toward the God and Country award.

Randy has been in scouting for two years and Terry for three years.

An eighth grader at Westgate Junior High, Randy is a member of the school band, the Y Leaders Club and plays in the Pony League. Terry, a ninth grader, is a carrier for The Review and plans to attend Philmont Boy Scout camp this summer in New Mexico.

Mrs. Wilhelm And C. B. Ball Marry At Lisbon Ceremony

Mrs. Evelyn Wilhelm and Clarence W. Ball were married in the chapel of the First Methodist Church at Lisbon at 2 p.m. Saturday afternoon.

The Rev. William L. Brown, pastor, officiated for the ceremony in the presence of the immediate families. Their attendants were Mrs. Thomas J. Scullion, daughter of Mrs. Wilhelm, and George Ball, son of the bridegroom.

Mrs. Vernon Duke provided organ background music. An arrangement of bronze tulips and royal iris was used on the alar.

Dinner Follows

A dinner in the private dining-room at Hotel Wick followed the ceremony. Spring flowers and yellow candles in crystal holders decorated the long table.

Those attending were Mr. and Mrs. Scullion and children of Salem, Mr. and Mrs. Alan R. Webber and family of Columbiana, Mr. and Mrs. George Ball and family of Akron, Mr. and Mrs. George McClain of Warren, Dr. and Mrs. James L. Rossel of Columbus, Robert L. Pike of Salem and Atty. and Mrs. Charles Pike and sons of Lisbon.

After spending several weeks in Florida, Mr. and Mrs. Ball will reside at 123 Blocksom St.

Miss Vinnie Warner was hostess to the Optimistic Club Friday night at her home on W. Washington St. Three tables of duplicate bridge were in play.

Mr. and Mrs. Robert Williams returned home Sunday from New York, where they spent several days.

Mr. and Mrs. Donald Lautzenhiser and children, Gregg, Susan and Lisa, of Philadelphia arrived Saturday at the home of her parents,Mr. and Mrs. Henry Seifke of State Rd.

Attend Observance

On Sunday, they attended the golden wedding anniversary of his parents, Mr. and Mrs. Joe Lautzenhiser, in Salem. Mrs. Lautzenhiser and children will remain for the week.

Mrs. Arthur Tritten of State Rd. slipped on wet grass Friday, cracking her wrist. It will be put in a cast today at Salem City Hospital.

Mrs. William Cullison of W. Washington St. and Mrs. Lydia Bennett of Market St. returned home Sunday from a tour to the Tulip Festival at Holland, Mich. They left Friday, stopping over at Kalamazoo.

Sing-Along Program Held For Century Club's Dinner

A "sing-along" program followed the closing luncheon meeting of the New Century Club Saturday afternoon at Piatts Tea Room in Wellsville. Twenty-one attended.

The luncheon table was decorated with arrangements of African violets and favors were miniature pastel-color hats.

The blessing prayer was given by Mrs. L. Dan Richards, president.

The luncheon committee included Mrs. Phineas Randolph, Mrs. D. Park Chapman and Miss Bernice Myler, members of the music committee, and Mrs. Richard Brian, Mrs. Charles Gerace and Mrs. John Skidmore, social committee.

Miss Myler presented the program, which included old-fashioned songs sung by the group with Miss Virginia Rigby leader.

Five members gave brief talks on various topics before the songs.

Mrs. Mildred Gaston spoke on "Music In Our Lives," followed with the singing of "Smiles."

Mrs. Richardson's "Pennies From Heaven" was followed by "April Showers" and "In the Garden."

"Romancing In Music" was discussed by Miss Ruth Eppley, and the songs, "Let Me Call You Sweetheart," "Love's Old Sweet Song," "Always," "Tiptoe," and "When I Grow Too Old to Dream."

Mrs. W. E. Dunlap Jr. used the theme, "New Career In Music," and songs included "School Days," "O What a Beautiful Morning," "Far Away Places," "Sewanee River," "Home on the Range" and "In the Shade of the Old Apple Tree."

"Music In the White House" was the topic by Miss Mildred Rose and songs that followed were "America, The Beautiful," "Battle Hymn of the Republic" and "God Bless America."

The 1962-63 programs were distributed by Mrs. Reid Calcott.

Meetings will resume in the fall and the date and place will be announced.

Book Exhibit Opens

WEIRTON—An exhibit of some 700 new library books contributed by more than 50 of the country's leading juvenile and trade publishers opened today and will continue through Friday in Dunbar School. The books cover phases of education from kindergarten through the sixth grade. A feature of the exhibit is the graded, curriculum-rated catalogues, with complete cross-reference, title and author indexes.

Chester Post Donates $175

Contributions totaling $175 to community groups and projects were authorized by the Chester VFW Post 6450 at a meeting Monday night at the post home.

The unit approved $25 each for the Little League, Lawrenceville fire department and Chester High School prom party June 1, and $100 for the Chester firemen for the annual firemen's parade Aug. 3.

William H. Arnett and Ivan Eisman were enrolled as members. Robert Milby, quartermaster, reported membership at 174.

Plans were made for sponsoring five boys and five girls to a Hancock County conservation camp June 8-9 at Tomlinson Run State Park. The post will also obtain jackets for the post bowling team.

Named as a committee to arrange a family picnic were William Maple, Jerrold Wilson and Richard Shingler. Lunch was served 18 by Albert Huff and Jesse Selman. George Allison, commander, was in charge.

Next meeting is June 18.

1890 Tornado Killed 120, Heavy Damage

LOUISVILLE, Ky. (AP) — A tornado lasting only about two minutes took 120 lives and did damage estimated at $2.5 million on March 27, 1890.

Among buildings totally destroyed were five churches, two schools, 10 tobacco warehouses, 534 homes and 324 manufacturing plants.

Deaths and Funerals

Lisbon Area Resident Dies

Thomas Lee Miller, 82, of Lisbon R. D. 3, a resident of this area about 60 years, died at home today at 3 a. m. following a 15-month illness.

He resided with his daughter, Mrs. Lester (Mildred) Henthorne at Lester's Motel. He worked as a laborer for the Potters Supply Co. of East Liverpool for 25 years, retiring 16 years ago.

He was born in Wood County, Ohio, May 30, 1879, to Addison and Harriet Davis Miller. His wife, Hattie C. Miller, died in 1945.

Survivors include another daughter, Mrs. Carl (Pauline) Rudibaugh of East Liverpool; two sisters, Mrs. Ruth Corns of Sandyville, W. Va. and Mrs. Margaret Boston of Palestine, W. Va., and five grandchildren.

Services will be held Thursday at 2 p. m. at the Martin Funeral Home by Charles Hendershot, minister of the Bradshaw Ave. Church of Christ. Burial will be in Spring Grove Cemetery.

Friends may call at the funeral home Wednesday afternoon and evening.

Pauline McClelland

Mrs. Pauline Ruth (Ruby) McClelland, 40, of Steubenville, formerly of East Liverpool, died Monday at 4:10 p. m. at home.

She had resided in Steubenville since 1943 and was a member of the Mt. Zion Baptist Church and Temple 391.

She was born in East Liverpool, Nov. 20, 1921, to Thomas Mosley and Cornelius Armstrong Mosley.

Survivors are her husband, William McClelland, two daughters, Henrietta McClelland and Barbara McClelland, four sons, Tyrone McClelland, Richard McClelland, Monte McClelland and William McClelland, all at home; two brothers, Thomas Mosley of East Liverpool and Paul Mosley of Chicago, and a sister, Mrs. Edna Downing of East Liverpool.

Two brothers and three sisters preceded her in death.

Services will be Friday at 1 p.m. at the church in Steubenville by Dr. J. M. Wooden. Burial will be in Riverview Cemetery, East Liverpool.

Friends may call at the Ford Funeral Home in Steubenville Wednesday from noon to 10 p. m. and Thursday from 10 a. m. to 10 p. m.

James H. Rose

James H. Rose, 70, of the Calcutta-Cannons Mills Rd., a native of Wellsville, died Monday at 5:30 p. m. at City Hospital after a several - month illness.

Mr. Rose was born Feb. 28, 1892, in Wellsville, to James N. Rose and Ada O. Clancy Rose. He attended the Orchard Grove Community Methodist Church. He was employed last in the cost department of the Patterson Foundry & Machine Co., retiring in 1958 after 49 years service.

Survivors include his widow, Mrs. Winifred Margaret Rose at home; four sons, Harry L. Rose, James Rose Jr. and Gene A. Rose, all of East Liverpool, and Vernon Rose of Wellsville, and nine grandchildren and one great-grandchild.

The Dawson Funeral Home is in charge of arrangements.

St. Clair

(Continued from Page One)

by placing the extra four-foot on the right side "without too much difficulty," he commented.

—:—

THE ENGINEER also said the design speed would be indicated as 35 miles an hour rather than 40 because the proposed grade has several locations where the non-passing sight distance meets the requirements for only 35 miles an hour.

Several other changes were recommended, all of a technical nature, which must be changed on the plans before they are submitted for final approval.

Ricketts concluded by suggesting that further plan work be delayed until the federal bureau has approved the city's proposed parking regulations and operation of the facility.

The federal bureau approved the addition of St. Clair Ave. to the federal aid secondary system of highways, guaranteeing the U.S. government will pay 50 per cent of the cost. That action came nearly a year ago.

In mid - summer last year, the city awarded a contract to the Youngstown engineering firm of Glaus, Pyle & Schomer to prepare plans, specifications and cost estimates.

—:—

NEGOTIATIONS for widening and surfacing the heavily-traveled street have been under way for about 2½ years.

With a 36-foot roadway of 9-inch concrete, the cost is estimated at approximately $400,000.

At a public hearing held last November to act as a guide to the highway department and federal bureau, public opinion was overwhelmingly in favor of the improvement although some raised questions concerning the width of the roadway and traffic and parking restrictions.

—:—

QUERIED BY the councilmen, Bloomgren said the city's share of the project would be 50 per cent, amounting to $200,000 if the total is $400,000. Federal funds will pay the other half of the cost, he expalined.

Councilmen asked if owners of abutting property would be assessed to help pay for the improvement. Bloomgren replied the question of local financing must be decided by Council, but assessments could be used.

In response to another question, Bloomgren said the project is not expected to affect any private property along the right - of - way except for a work easement about three feet wide on the grade on the east side of St. Clair at Highland Colony.

ROYALTY CROWNED. George Tepsic of Summitville and Karen Boyd of Highlandtown were crowned king and queen of the annual Salineville High School junior-senior banquet and Saturday night at the school. About 120 attended the dinner, while 100 couples were at the dance which was followed by an after-prom party and breakfast. Theme for the dance was "Roman Holiday." Miss Darlene Balmos is class sponsor.

Youth Sentenced To Reformatory

LISBON — A Salem youth was sentenced after probation was denied Monday and another received probation at hearings before Judge Joel H. Sharp for robbery of Darrell Rowlands of Salem March 5.

John M. Bagley, 19, was sentenced to 1-25 years at the Ohio State Reformatory after his record showed that he had been to the Boys Industrial School for auto theft and had been arrested for several other violations.

Bagley was commended by Judge Sharp for forcibly applying a tourniquet to Ronald Hellman, elbows in an attempt to take his own life while a cellmate with Bagley. Chief Probation Officer Richard Rose said Bagley probably saved Hellman's life. They were at the county jail.

Hellman had been sentenced to Mansfield reformatory but was waiting transportation when he cut himself.

Charles Holanchick, 19, of Salem was given probation for the same robbery because he had no previous record.

Both youth pleaded guilty and requested probation at hearings on April 19.

Mary Stuart—Daytime Girl

I've never seen "Search for Tomorrow," the daytime soap opera that is CBS-TV's contribution to wet-eyed, red-nosed housewives everywhere, so I shouldn't talk. But I have met Mary Stuart, who is the stalwart heroine of the thing, and she's the real stuff.

Alan Gill

Miss Stuart is up for an Emmy. Tonight you are expected to hold your breath while the decision for best actress in a continuing series is announced.

Miss Stuart is not holding hers. With the likes of Shirley Booth and Gertrude Berg running against her, she feels, she doesn't stand a chance. But there's a certain pride in her voice as she says it because, after all, she's the first daytime girl ever nominated for honors in this nighttime free-for-all.

-:-

"HECK," SHE SAYS, "I thought I could at least have counted on my own vote. But I can't cope with things like written ballots, and I loused it all up."

Miss Stuart is descended — at least obliquely — from the Mary Stuart, Queen of Scots, and more directly from Robert Bruce; looks a little like Susan Hayward with a haircut; likes to garden; likes to cook; has recorded an album of songs for children; is taking up classical guitar; raises two small tads of her own; doesn't get to read much because "if there's a war, somebody's going to tell me about it"; and has been crying her eyes out for 11 years now on "Search for Tomorrow."

-:-

SHE PLAYS Joanne Tate, a housewife caught up in the problems of her friends.

"Joanne," says Mary, "is a very real woman, I think, who maybe cares a little more than other women care. Oh, boy, she cares!

"I'm a good crier. The tears sometimes come down to here." (Indicating the nose.) "But other times I get them right down to here." (The chin.) "And they're not phony. really get involved in this thing."

Her on-screen daughter was sent off to boarding school in a recent episode. And the actress who has played the daughter part for 10 years won't, I hate to tell you, be back.

"On that goodby show we did our rehearsals from 9 a.m. to the 12:30 air time. Just before the cameras went to work, we all performed our ritual of wishing each other luck.

-:-

"IT'S A LITTLE ceremony we do, with a special handshake that changes for each person. Well, I gave my 'daughter' our particular handshake and then looked into her eyes and we both began to cry.

"Then, by gosh, we were on and we sobbed through the whole 15 minutes of it. The director told me later: 'Look, Mary, you were just seeing the kid off to school, not to Buchenwald.'"

The tears flow at such a rate on this show that Mary Stuart doesn't let her children watch it.

"I don't want them thinking their mother marches off each morning to some sad and terrible place."

Goodness know, there has been excuse enough for those tears. Joanne Tate thus far has lost a mother, a husband and a small son.

"I really fought against having the boy die. In fact, I'd had it written into my contract; no children's deaths. I wouldn't be able to stand it. But they were adamant, all right, and they had the kid die on me.

-:-

"WELL, IF THAT'S the way it's going to be, I decided, then, I'll fix their wagon. And I played all those episodes leading up to the death with a little smile on my face. Like this. A tiny, optimistic little smile.

"It was the smile my own mother had before my father's death. She'd say, 'He'll be all right.' That's what I said. 'He'll be all right.' Nobody could stand it. Television sets were snapped off all over the country. It was unbearable. I showed em."

Is her on-screen 'father' still alive? she was asked.

"Oh, yes. But he's been off in Puerto Rico for months, because his 'second wife' can't remember her lines."

Somebody, please cast this girl an Emmy.

Lamb Wins Control Of Seiberling Firm

AKRON, Ohio (AP) — Edward T. (Ted) Lamb, millionaire Toledo attorney and industrialst, won control of Seiberling Rubber Co. Monday, electing five of eight members on the firm's new board of directors.

It was an objective Lamb had pursued for six years, and it spelled an end to the Seiberling family's direct part in management of the $50-million firm which Frank and Charles Seiberling founded 41 years ago after losing control of Goodyear Tire & Rubber, which the two also founded.

J. P. Seberling, son of Frank, and his counsn, L. M. Seiberling, son of Charles, were not among the three directors elected by the faction opposing Lamb.

A Clever Idea On Bathroom Scales

Dear Heloise: I have discovered something most amazing. Did you know that you can cover old bathroom scales with contact paper? I did it.

My scales were beat up, 10 years old, and rusty. I bought some of this paper and took a safety razor blade and attacked the job. Now my scales are clean and new-looking again.

Now, there is no more vacuuming between those dirty rubber ridges. It's waterproof, too, because I covered the bottom of the scale to prevent those miserable rust marks on my tile floor.

While I was at it, I covered my glass topped snack tables with marble contact. This is great! Now I don't mind the kiddies having their snacks on them because I don't have to remove the finger smudges. Mother

-:-

You are the greatest to think of covering the bathroom scales. How perfectly sanitary! Bless you for sharing this with us. Heloise

-:-

Dear Heloise: When I see plastic tablecloths on sale real cheap, I usually buy one or two. Then I make big plastic bags to store all my blankets.

Make them like an envelope so they will have a fold-over-the-flap on one end. They are excellent for big down comforters. Pauline Ramsey

-:-

Dear Heloise: I put salt, pepper and flour in one salt shaker and use it for many things. It's wonderful for making gravy, flouring meat, etc. Lacy O'Donald

-:-

Dear Heloise: Like all mothers, I dreaded the day when our baby wouldn't be content to stay in her playpen.

We learned two tricks that prolonged the life of our playpen with both of our children.

1. An old-fashioned triple mirror fastened securely in the corner of the playpen . . . they played with the reflections for hours and loved it.

2. A little padded stool . . . only four inches high. We made it about 18 inches wide and the length of the play pen.

This was very adventurous for a child who didn't walk alone — and taught my children to step up and down (they had the railing to hang onto) and at other times it was much fun for them to kneel beside the stool or lie down on it.

Instead of cutting cookies with a cookie cutter . . . I just roll my dough out and zip them into pieces with a pizza cutter. Saves lots of time. Mrs. V. C. Russ

-:-

Dear Heloise: Can anyone tell us how to get perspiration odors out of clothing: Also stains out of white blouses? I have tried numerous commercial bleaches and deodorant soaps to no avail. G.I.D.

-:-

Anyone know? Write to Heloise, in care of The Review.

-:-

Dear Heloise; Your hint about taking a paper sack with you from room to room for garbage, etc. when cleaning is a wonderful one. But for women who have children . . . why not take two?

The other one can be used to put things in that junior and the baby have dropped or dragged out, such as shoes, socks, toys, books, etc. This saves many steps. Mrs. Bennie Nixon.

Thin Child Seen Too Tired To Gain

A troubled mother of an underweight child writes:

"Most of the young people who write you are overweight. My young daughter, soon to be 11, has the opposite problem — she is thin and pale. For a long time she has not been a well child.

Ida Jean Kain

"She seems to have plenty of pep, except of course when she is ill. I have taken her to several doctors because she catches colds so often and a cough hangs on and she has to stay away from school for weeks at a time.

"I do everything the doctor tells me to do and she takes her medicine, but she seems to be getting thinner and is so terribly frail. She gets vitamins and drinks plenty of milk. Her appetite isn't good, she's rarely hungry. We have good food but we have to coax her to eat. Could you tell us something especially nourishing?

—:—

THE SENTENCE which stands out, "She seems to have plenty of pep." In short, when she is well, she tries to crowd in the play she has missed.

This is typical, and part of the trouble. Studies have shown that oftentimes under-nutrition of itself tends to stimulate activity. Planned rest is the solution.

Now the appetite angle: The young lady likes milk, so adding booster nutrients to the milk could be a good way to increase calories and nutrients.

Ask your doctor about adding a protein concentrate such as meritene to the milk. If possible, use a blender. This converts a plain beverage into a treat, for after school and at bedtime.

The best time to take pick-ups is two hours after one meal and three hours before the next.

To build an appetite for breakfast, this mother could try adding just one tasty bit of food, perhaps a couple of tablespoons of crisp cereal served with a few slices of ripe banana and a luscious strawberry. Or a hot cereal with a few chopped dates or raisins and brown sugar.

Keep servings small at first. An egg, baked in a toast basket may appeal. Try to find some bread she likes. Serve two triangles, hot and buttery.

Food is important, but only part of the program. A tired child cannot gain. Digestion and absorption of food are both impaired by fatigue.

—:—

A REGULAR rest period of 30 minutes before the evening meal, and before the midday meal whenever possible, will prove amazingly helpful. I urge you to give this rest-routine a fair trial.

Daytime rest periods make for sounder sleep at night and have solved the baffling problem of many an underweight, highly-strung child.

Send a stamped, self -addressed long envelope for "Grade A Nutrition For The Thin Girl." Address your request to Ida Jean Kain in care of The Review. Postcard requests cannot be answered.

Awards Presented

Baccalaureate Services Staged For Stanton Local

IRONDALE — A large crowd attended the annual baccalaureate services for Stanon Local High School's senior class Sunday night in the high school gymnasium.

The Rev. J. H. Varner Jr. of Bethel United Presbyterian Church near Highlandtown was speaker. The Rev. H. Dean McElroy of the Irondale and Hammondsville Methodist Churches offered the pastoral prayer.

Presentation of awards and a program on "Enchanted Mirror" featured Class Day exercises in the school last week.

Forty - one perfect attendance certificates were awarded. Certificates were presented to the best student in various subjects.

Receiving certificates for attaining the highest grades in their classes for the year were Christina Abdalla, seventh; Pamela Barker, eighth; Janet Pysniak, ninth; Karen Workman, tenth; Sarah Paisley and Mary Alice Russell, eleventh, and Linda Russell, twelfth.

Thomas Lysle, Charles Freeland, Cheryl Blackburn and John Leedy received state certificates as eighth graders who ranked in the upper 25 per cent of students who took a state test in Jefferson County.

Kent Cline was awarded the Bausch & Lomb science award. Sarah Paisley won a trip to Washington, sponsored by the Temperance League of Ohio. She will join other students from the state for a week's tour of the capitol and Virginia in late June.

A watch was presented Kenneth Grimes for selling the most magazines in a recent contest.

Donna Russell and Marilyn Scheel received college scholarships.

Special certificates were given Miss Paisley, Darline Baker, Karen Tolson and Mary Alice Russell for scoring in the upper 10 per cent of Ohio students who took a National Education Development test.

Robert McCullough, instructor, gave certificates to boys in the Industrial Arts department who won recognition in a state convention display in Columbus. John William Hutson, band director, also gave awards.

Farm Women Choose 4 For July Session

Four Hancock County women have been named as delegates to a state and regional meeting of the West Virginia Farm Women's Council July 31 in Parkersburg.

All officers of the County Council, they are Mrs. Floyd Grimes, president; Mrs. Ray Virtue, vice president; Mrs. Harry Chapman, secretary, and Mrs. Jess Oyster, treasurer.

Alternates are Mrs. William Oyster, Mrs. John Village, Mrs. William Swearingen and Mrs. Wayland Lancaster. A new state president will be elected at the meeting.

Mrs. Gussie Rice of the Fairview Club of Chester will represent the county at a "folk festival" in Glenville June 21-23. She will wear a "Gay 90's" costume and participate in festival activities.

Mrs. Grimes will represent the county at the National Home Demonstration Council in Lexington, Ky., Aug. 12-14.

The County Council will sponsor a 4-H club member to Older Youth Camp at Jackson's Mills June 18-23.

A day camp is planned for the council's quarterly meeting Aug. 15 at Tomlinson Run State Park. Officers will be elected.

The nominating committee includes Mrs. Virtue, chairman, Mrs. James Kidder and Mrs. Beulah Hill.

Jobless Claims Drop

CLEVELAND (AP) — Continued claims for unemployment benefits in Lake and Cuyahoga counties last week totaled 16,866, a drop of 434 over the previous week, the Bureau of Unemployment Compensation reports.

Darkness Halts Hunt For Body Of Ohioan

PARKERSBURG, W. Va. (AP) —Darkness forced the halt of the search Monday night for the body of Erret King, 47, of Marietta, Ohio, who fell into the Ohio River Sunday night in a boating accident.

King was one of six men in an 18-foot outboard motor boat which collided wth an Island Creek Transportation Co. towboat near here. None of the other five men was hurt, although all were thrown into the water by the force of the impact.

Coast guardsmen and West Virginia conservation officers were investigating the incident. They said the search for King would be resumed today.

Lifts Newspaper Ban

SOFIA, Bulgaria (AP) — Communist Bulgaria has lifted an 18-year-old ban on the import of Western newspapers and magazines, a Bulgarian government official said today.

Lamb Wins Control Of Seiberling Firm

AKRON, Ohio (AP) — Edward T. (Ted) Lamb, millionaire Toledo attorney and industrialst, won control of Seiberling Rubber Co. Monday, electing five of eight members on the firm's new board of directors.

It was an objective Lamb had pursued for six years, and it spelled an end to the Seiberling family's direct part in management of the $50-million firm which Frank and Charles Seiberling founded 41 years ago after losing control of Goodyear Tire & Rubber, which the two also founded.

J. P. Seberling, son of Frank, and his counsn, L. M. Seiberling, son of Charles, were not among the three directors elected by the faction opposing Lamb.

Hints From Heloise

By HELOISE CRUSE

A Clever Idea On Bathroom Scales

Dear Heloise: I have discovered something most amazing. Did you know that you can cover old bathroom scales with contact paper? I did it.

My scales were beat up, 10 years old, and rusty. I bought some of this paper and took a safety razor blade and attacked the job. Now my scales are clean and new-looking again.

Now, there is no more vacuuming between those dirty rubber ridges. It's waterproof, too, because I covered the bottom of the scale to prevent those miserable rust marks on my tile floor.

While I was at it, I covered my glass topped snack tables with marble contact. This is great! Now I don't mind the kiddies having their snacks on them because I don't have to remove the finger smudges. Mother

-:-

You are the greatest to think of covering the bathroom scales. How perfectly sanitary! Bless you for sharing this with us. Heloise

-:-

Dear Heloise: When I see plastic tablecloths on sale real cheap, I usually buy one or two. Then I make big plastic bags to store all my blankets.

Make them like an envelope so they will have a fold-over-the-flap on one end. They are excellent for big down comforters. Pauline Ramsey

-:-

Dear Heloise: I put salt, pepper and flour in one salt shaker and use it for many things. It's wonderful for making gravy, flouring meat, etc. Lacy O'Donald

-:-

Dear Heloise: Like all mothers, I dreaded the day when our baby wouldn't be content to stay in her playpen.

We learned two tricks that prolonged the life of our playpen with both of our children.

1. An old-fashioned triple mirror fastened securely in the corner of the playpen . . . they played with the reflections for hours and loved it.

2. A little padded stool . . . only four inches high. We made it about 18 inches wide and the length of the play pen.

This was very adventurous for a child who didn't walk alone — and taught my children to step up and down (they had the railing to hang onto) and at other times it was much fun for them to kneel beside the stool or lie down on it.

Instead of cutting cookies with a cookie cutter . . . I just roll my dough out and zip them into pieces with a pizza cutter. Saves lots of time. Mrs. V. C. Russ

-:-

Dear Heloise: Can anyone tell us how to get perspiration odors out of clothing: Also stains out of white blouses? I have tried numerous commercial bleaches and deodorant soaps to no avail. G.I.D.

-:-

Anyone know? Write to Heloise, in care of The Review.

-:-

Dear Heloise; Your hint about taking a paper sack with you from room to room for garbage, etc. when cleaning is a wonderful one. But for women who have children . . . why not take two?

The other one can be used to put things in that junior and the baby have dropped or dragged out, such as shoes, socks, toys, books, etc. This saves many steps. Mrs. Bennie Nixon.

Awards Presented

Baccalaureate Services Staged For Stanton Local

IRONDALE — A large crowd attended the annual baccalaureate services for Stanon Local High School's senior class Sunday night in the high school gymnasium.

The Rev. J. H. Varner Jr. of Bethel United Presbyterian Church near Highlandtown was speaker. The Rev. H. Dean McElroy of the Irondale and Hammondsville Methodist Churches offered the pastoral prayer.

Presentation of awards and a program on "Enchanted Mirror" featured Class Day exercises in the school last week.

Forty - one perfect attendance certificates were awarded. Certificates were presented to the best student in various subjects.

Receiving certificates for attaining the highest grades in their classes for the year were Christina Abdalla, seventh; Pamela Barker, eighth; Janet Pysniak, ninth; Karen Workman, tenth; Sarah Paisley and Mary Alice Russell, eleventh, and Linda Russell, twelfth.

Thomas Lysle, Charles Freeland, Cheryl Blackburn and John Leedy received state certificates as eighth graders who ranked in the upper 25 per cent of students who took a state test in Jefferson County.

Kent Cline was awarded the Bausch & Lomb science award. Sarah Paisley won a trip to Washington, sponsored by the Temperance League of Ohio. She will join other students from the state for a week's tour of the capitol and Virginia in late June.

A watch was presented Kenneth Grimes for selling the most magazines in a recent contest.

Donna Russell and Marilyn Scheel received college scholarships.

Special certificates were given Miss Paisley, Darline Baker, Karen Tolson and Mary Alice Russell for scoring in the upper 10 per cent of Ohio students who took a National Education Development test.

Robert McCullough, instructor, gave certificates to boys in the Industrial Arts department who won recognition in a state convention display in Columbus. John William Hutson, band director, also gave awards.

Darkness Halts Hunt For Body Of Ohioan

PARKERSBURG, W. Va. (AP) —Darkness forced the halt of the search Monday night for the body of Erret King, 47, of Marietta, Ohio, who fell into the Ohio River Sunday night in a boating accident.

King was one of six men in an 18-foot outboard motor boat which collided wth an Island Creek Transportation Co. towboat near here. None of the other five men was hurt, although all were thrown into the water by the force of the impact.

Coast guardsmen and West Virginia conservation officers were investigating the incident. They said the search for King would be resumed today.

Lifts Newspaper Ban

SOFIA, Bulgaria (AP) — Communist Bulgaria has lifted an 18-year-old ban on the import of Western newspapers and magazines, a Bulgarian government official said today.

All In Hollywood

CHANDLER, Ariz. (AP) — When this central Arizona town put on its golden jubilee, it faced an unexpected problem. Although Arizona has the nation's largest Indian population, the director couldn't find Indians with native costumes for the pageant.

Farm Women Choose 4 For July Session

Four Hancock County women have been named as delegates to a state and regional meeting of the West Virginia Farm Women's Council July 31 in Parkersburg.

All officers of the County Council, they are Mrs. Floyd Grimes, president; Mrs. Ray Virtue, vice president; Mrs. Harry Chapman, secretary, and Mrs. Jess Oyster, treasurer.

Alternates are Mrs. William Oyster, Mrs. John Village, Mrs. William Swearingen and Mrs. Wayland Lancaster. A new state president will be elected at the meeting.

Mrs. Gussie Rice of the Fairview Club of Chester will represent the county at a "folk festival" in Glenville June 21-23. She will wear a "Gay 90's" costume and participate in festival activities.

Mrs. Grimes will represent the county at the National Home Demonstration Council in Lexington, Ky., Aug. 12-14.

The County Council will sponsor a 4-H club member to Older Youth Camp at Jackson's Mills June 18-23.

A day camp is planned for the council's quarterly meeting Aug. 15 at Tomlinson Run State Park. Officers will be elected.

The nominating committee includes Mrs. Virtue, chairman, Mrs. James Kidder and Mrs. Beulah Hill.

Jobless Claims Drop

CLEVELAND (AP) — Continued claims for unemployment benefits in Lake and Cuyahoga counties last week totaled 16,866, a drop of 434 over the previous week, the Bureau of Unemployment Compensation reports.

Keep In Trim

By IDA JEAN KAIN

Thin Child Seen Too Tired To Gain

A troubled mother of an underweight child writes:

"Most of the young people who write you are overweight. My young daughter, soon to be 11, has the opposite problem — she is thin and pale. For a long time she has not been a well child.

Ida Jean Kain

"She seems to have plenty of pep, except of course when she is ill. I have taken her to several doctors because she catches colds so often and a cough hangs on and she has to stay away from school for weeks at a time.

"I do everything the doctor tells me to do and she takes her medicine, but she seems to be getting thinner and is so terribly frail. She gets vitamins and drinks plenty of milk. Her appetite isn't good, she's rarely hungry. We have good food but we have to coax her to eat. Could you tell us something especially nourishing?

—:—

THE SENTENCE which stands out, "She seems to have plenty of pep." In short, when she is well, she tries to crowd in the play she has missed.

This is typical, and part of the trouble. Studies have shown that oftentimes under-nutrition of itself tends to stimulate activity. Planned rest is the solution.

Now the appetite angle: The young lady likes milk, so adding booster nutrients to the milk could be a good way to increase calories and nutrients.

Ask your doctor about adding a protein concentrate such as meritene to the milk. If possible, use a blender. This converts a plain beverage into a treat, for after school and at bedtime.

The best time to take pick-ups is two hours after one meal and three hours before the next.

To build an appetite for breakfast, this mother could try adding just one tasty bit of food, perhaps a couple of tablespoons of crisp cereal served with a few slices of ripe banana and a luscious strawberry. Or a hot cereal with a few chopped dates or raisins and brown sugar.

Keep servings small at first. An egg, baked in a toast basket may appeal. Try to find some bread she likes. Serve two triangles, hot and buttery.

Food is important, but only part of the program. A tired child cannot gain. Digestion and absorption of food are both impaired by fatigue.

—:—

A REGULAR rest period of 30 minutes before the evening meal, and before the midday meal whenever possible, will prove amazingly helpful. I urge you to give this rest-routine a fair trial.

Daytime rest periods make for sounder sleep at night and have solved the baffling problem of many an underweight, highly-strung child.

Send a stamped, self -addressed long envelope for "Grade A Nutrition For The Thin Girl." Address your request to Ida Jean Kain in care of The Review. Postcard requests cannot be answered.

Rep. Scherer Elected Hamilton GOP Head

CINCINNATI (AP) — Congressman Gordon H. Scherer is the new chairman of Hamilton County Republicans.

In his election Monday night, Scherer shared the spotlight with George F. Eyrich Jr., who headed the Hamilton County party 20 years before stepping down. Eyrich plans to stay on as policy committee chairman.

At a similar meeting Monday night, county Democrats elected attorney John A. Wiethe to his fifth term as county chairman.

The Sports Bench

By BOB DUFFY
Sports Editor

Putt Would Like To Go Pro . . .

Bob Putt, East Liverpool High's golf star, appears to be a natural for the links game. He has an appropriate name and admits that he never has had a lesson.

The youngster has taught himself well, with his scores this spring quite impressive.

Putt, who is in the Gary Player class as far as size goes, has one ambition — to become a professional golfer. It has been a dream for sometime for the 17-year-old golfer, but each day the dream draws closer and closer to reality.

This summer he plans to enter the Ohio Amateur tournament July 9-15 at Dayton and the Junior Canterbury tournament in Cleveland June 26-27 for golfers between the ages of 16-19.

The Potter star shot par last Friday over the Belmont Hills course at St. Clairsville to win medalist honors in a field of 57.

This qualifies him for the state meet at Columbus this weekend. The state tournament will be fired over the Scarlet course, where Putt played as a sophomore when the Potters won the District crown as a team. His sophomore year he fired an 83 and 86, but has learned a lot more in two years and could come home with a state crown.

Jack Nicklaus, who turned professional this year, won the state high school title two years in a row with totals of 144 in 1956 and 148 in 1957.

We wish Bob the best of luck this weekend.

'Blaz-ing' Performance . . .

ANOTHER outstanding sports feat was turned in last week by Ed Blazer, whose 723 series is the highest ever rolled in East Liverpool. And a lot of bowling balls have gone over the end of the alleys in this city.

We offer congratulations to Blazer, who has given local bowlers another new mark at which to shoot.

Mosser Coaching At Roanoke . . .

LEN MOSSER

LEN Mosser, a native of Newell, who started his coaching career in Virginia, is back in that state where he has been named head basketball coach at Patrick Henry High School in Roanoke, that city's leading school.

The Fairmont State College grad last coached at Jefferson Union from 1958 until he took the assistant basketball job and head baseball post at Patrick Henry last season.

Mosser already has met with success on the baseball diamond, where his Patriot team captured its conference title. The Patrick Henry basketball squad compiled a 9-9 record last season under Rex Downey. Mosser was Downey's assistant.

The 38-year-old Mosser started his coaching in 1951 at Gloucester, Va., where he had charge of all sports. In 1953 he came into Ohio to coach at Jewett for five years before moving to Jefferson Union.

Mosser is married to the former Eleanor B. Hulse of Chester. They have a 10-year-old son, Leonard Frederick.

Local Teams 'Play Ball' . . .

BASEBALL and softball leagues in the area got rolling in high gear this week.

The Little League opened its season Monday night as did the City Softball Loop. The County-City baseball League got under way Sunday with Coach John Andrason's defending champs — the East Liverpool Merchants—jumping off to a good start.

A new league will be in progress this season to handle boys who graduate from the Pony Loop. It goes under the name of the Colt League and is for boys 15-17.

Atty. Don Smith and his group have put in many long hours in preparing the new Colt Field located on the Casting Club Rd., that is if you make a left-hand turn going towards Calcutta. There are plenty of signs to direct fans to the field.

The league will kick off its season with a preview next Sunday afternoon at the new feld. The league has five teams.

The East Liverpool Pony League also will be in operation next week.

Another circuit formed this year is the Tri-County League, which lists teams from Wellsville, East Liverpool, Irondale, Salineville, Bergholz, Beloit, Carrollton and Kilgore.

This 'N That In Sports . . .

GUESS who robbed Bernie Allen of a home run in Saturday's Minnesota - Yankee game. Yes, it was the modern "king of swat," Roger Maris, who with New York leading 2-1 in the eighth inning, stood against the four-foot wall in rightfield some 335 feet from the plate to snare Allen's homer bid.

BOB DAWSON of East Liverpool, captain of the 1961-62 Bowling Green basketball squad, was one of 73 students who received recognition for service and scholarship today at Bowling Green.

Dawson was given the Distinguished Service Award for his outstanding contributions to the advancement of the university.

Clutch-hitting John Romano and a guy on a hot streak named Chuck Essegian are two prime reasons why Cleveland's surprising Indians hold undisputed possession of the American League lead.

These two led the way Monday night as the Indians overcame Baltimore 10-7 in a thriller and took first place all alone by a half-game over the idle New York Yankees.

Romano supplied most of the muscle—and the ultimate drama—with a pair of run-scoring doubles and the three-run homer with two out in the ninth inning that won it.

Essegian, on a torrid tear that has zoomed him to the top among the league's batters with a .402 average, rode in on both of Romano's doubles and was on base when the sturdy catcher connected for the clincher.

Allen Smacks 2 Doubles In Twins 5-3 Verdict Over Washington

Minnesota climbed to within 11 percentage points of the Yankees with a 5-3 victory over Washington behind Camilo Pascual's pitching and hitting talents; another good hitting pitcher, Jerry Walker, paced Kansas City as the A's dealt Boston its seventh straight loss, 10-5; and Detroit ran off from Chicago 7-3. Los Angeles was idle.

The Indians pounded Skinny Brown for a 7-0 lead in the first three innings but the Orioles came back, getting a pair of homers from Jackie Brandt, one from Jim Gentile and a two-run triple by Brooks Robinson. Jim (Mudcat) Grant finally was routed in Baltmore's four-run sixth and Russ Snyder evened it at 7-7 with a homer off Barry Latman in the eighth.

Winner Garry Bell struck out the side in the top of the ninth, then the Tribe settled it against southpaw Billy Hoeft, the fifth Oriole pitcher. Willie Tasby got on with a walk, Essegian rapped his third single of the night, and Romano drilled one into the seats.

Essegian, the former Stanford football star who has been on six major league clubs and 11 minor league teams in his 10 pro seasons, is the current standout of Cleveland's outfield platoon. He has been zipping along at a .500 pace his past nine games, with 17 hits in 34 at bats.

Romano's five runs batted in gives him 26 for the season, tops for the Indians. His three hits raised his average to .299.

Pascual pitched an eight-hitter for his sixth victory in eight decisions, singled across the clincher for the Twins in the seventh and batted across an insurance run in the eighth with another single. The Cuban right-hander is hitting a solid .323 with 10 RBI to his credit.

Harmon Killebrew socked his ninth homer off loser Dave Stenhouse, while Minnesota rookie Bernie Allen doubled twice and singled.

Walker yielded 11 singles, a homer to Eddie Bressoud and four walks to the reeling Red Sox but the A's still coasted in. They took the lead for good in the fourth on Jose Azcue's homer and Jerry Lumpe's two-run double.

Walker, now 5-2, banged his third homer of the year and a single, boosting his average to .346, and scored three times. Lumpe accounted for three more of Kansas City's 14 hits. Gene Conley took the loss.

Rocky Colavito and Chico Fernandez bombed Early Wynn for homers as the Tigers chased the 42-year-old right-hander with a five-run first inning on the way to their decision over the White Sox. Wynn, still looking for victory No. 295, dished up five hits and a walk before being lifted with two out.

Bill Bruton went 5-for-5 in Detroit's 12-hit attack and Al Kaline drove in two runs with singles, increasing his league leading RBI total to 36. Paul Foytack was the winning pitcher, with relief help from Ron Nischwitz.

Davis Swings LA To 8-1 Win

By MIKE RATHET
Associated Press Sports Writer

Target: Destroy the most effective equipment used against the Los Angeles Dodgers.

Weapon: Tommy Davis, who slays Giants and feasts on lefthanders.

Final Objective: the National League pennant.

That could well be the story of the Dodgers' pennant chances. Executing his assignment with precision is the 23-year-old Davis, who Monday night paced third-place Los Angeles to an 8-1 triumph over league-leading San Francisco.

Charged with the task of providing right-handed power in a line-up that relies on getting most of its long distance hits from left-handed swingers, Davis got the job done against the Giants with a 3-for-3 performance that backed Sandy Koufax' five-hit pitching.

Davis, who led the club against southpaws last year with a .352 batting average, wasted a double in the second, then got the Dodgers rolling with a two-run homer in the fourth, made it 3-0 with a run-scoring double in the sixth and wound up with a walk in a five-run eighth.

That gave Davis seven hits in 12 at-bats against the Giants this year and nine runs batted in for the three games with San Francisco. It also boosted his average to .311 and gave him nine homers and 38 RBI—second highest in the league.

The defeat left the Giants 3½ games in front of the Dodgers and the runner-up St. Louis Cardinals, who ran their winning streak to five games with a 4-1 victory over Philadelphia. Pittsburgh belted Chicago's Cubs 8-4 and Houston edged New York's Mets 3-2 in other games. Cincinnati and Milwaukee were rained out.

Davis, who was hitting .314 last year when sidelined by a bad back and wound up at .278, homered off Billy O'Dell (5-2) after Willie Davis singled with one out in the fourth. His double in the sixth boosted the edge to 3-0 before Orlando Cepeda got the Giants' lone run with his 12th homer, leading off the seventh.

The Dodgers broke it open with five runs in the eighth after O'Dell was removed for a pinch hitter. Koufax (5-2) had the Giants well in control, walking only one and striking out 10 for his first victory since April 28.

Ray Washburn (3-0), who came on when starter Ernie Broglio pulled a leg muscle in the second inning, and Bobby Shantz limited the Phillies to five hits in the final eight innings. Shantz pulled Washburn out of a two-on, one-out jam in the eighth inning by getting Tony Gonzalez to line back to the mound for the start of a double play. The Cardinals' runs were taken care of by Bill White's two-run homer and a two-run single by Curt Flood. That tagged Dennis Bennett (0-1) with the loss.

Dick Groat, hitting in his 13th consecutive game, and Bill Virdon each stroked four hits and picked up three runs batted in as the Pirates rapped out 13 hits to subdue the Cubs. Groat's single in the fifth inning drove in Virdon, who had doubled, with the run that proved to be the clincher. Reliever Tom Sturdivant (2-2) held the Cubs scoreless over the final 6 1-3 innings to post the victory. Dick Ellsworth (3-5) was the loser.

Jim Pendleton's pinch-hit triple leading off the eighth inning and a sacrifice fly by Roman Mejias got the winning run across for the Colts and ended the Mets winning streak at three games. The victory moved Houston into eighth place, three percentage points ahead of New York in the battle between the league's two new clubs. Jim Golden (2-1) won it with a seven-hitter. Vinegar Bend Mizell (1-2) lost it.

East Liverpool Wins First In Tri-County Loop

East Liverpool's entry in the newly-formed Tri-County League picked up its first victory in two starts with a 9-2 win over Wellsville Sunday on the Wellsville diamond.

Wellsville, which also is 1-1 for the season, outhit East Liverpool 7-4, but committed five errors.

Butch Birch was the starting pitcher for the winners, but it took some nifty relief pitching by Dave Hornick to protect the lead. Hornick, the former Bowling Green University pitching star, fanned eight batters in 4 2-3 innings. Murray was the losing pitcher.

Gene Adkins' double was the big blow for East Liverpool. Jones collected two hits for Wellsville.

Putt Would Like To Go Pro . . .

Bob Putt, East Liverpool High's golf star, appears to be a natural for the links game. He has an appropriate name and admits that he never has had a lesson.

The youngster has taught himself well, with his scores this spring quite impressive.

Putt, who is in the Gary Player class as far as size goes, has one ambition — to become a professional golfer. It has been a dream for sometime for the 17-year-old golfer, but each day the dream draws closer and closer to reality.

This summer he plans to enter the Ohio Amateur tournament July 9-15 at Dayton and the Junior Canterbury tournament in Cleveland June 26-27 for golfers between the ages of 16-19.

The Potter star shot par last Friday over the Belmont Hills course at St. Clairsville to win medalist honors in a field of 57.

This qualifies him for the state meet at Columbus this weekend. The state tournament will be fired over the Scarlet course, where Putt played as a sophomore when the Potters won the District crown as a team. His sophomore year he fired an 83 and 86, but has learned a lot more in two years and could come home with a state crown.

Jack Nicklaus, who turned professional this year, won the state high school title two years in a row with totals of 144 in 1956 and 148 in 1957.

We wish Bob the best of luck this weekend.

'Blaz-ing' Performance . . .

ANOTHER outstanding sports feat was turned in last week by Ed Blazer, whose 723 series is the highest ever rolled in East Liverpool. And a lot of bowling balls have gone over the end of the alleys in this city.

We offer congratulations to Blazer, who has given local bowlers another new mark at which to shoot.

Mosser Coaching At Roanoke . . .

LEN MOSSER

LEN Mosser, a native of Newell, who started his coaching career in Virginia, is back in that state where he has been named head basketball coach at Patrick Henry High School in Roanoke, that city's leading school.

The Fairmont State College grad last coached at Jefferson Union from 1958 until he took the assistant basketball job and head baseball post at Patrick Henry last season.

Mosser already has met with success on the baseball diamond, where his Patriot team captured its conference title. The Patrick Henry basketball squad compiled a 9-9 record last season under Rex Downey. Mosser was Downey's assistant.

The 38-year-old Mosser started his coaching in 1951 at Gloucester, Va., where he had charge of all sports. In 1953 he came into Ohio to coach at Jewett for five years before moving to Jefferson Union.

Mosser is married to the former Eleanor B. Hulse of Chester. They have a 10-year-old son, Leonard Frederick.

Local Teams 'Play Ball' . . .

BASEBALL and softball leagues in the area got rolling in high gear this week.

The Little League opened its season Monday night as did the City Softball Loop. The County-City baseball League got under way Sunday with Coach John Andrason's defending champs — the East Liverpool Merchants—jumping off to a good start.

A new league will be in progress this season to handle boys who graduate from the Pony Loop. It goes under the name of the Colt League and is for boys 15-17.

Atty. Don Smith and his group have put in many long hours in preparing the new Colt Field located on the Casting Club Rd., that is if you make a left-hand turn going towards Calcutta. There are plenty of signs to direct fans to the field.

The league will kick off its season with a preview next Sunday afternoon at the new feld. The league has five teams.

The East Liverpool Pony League also will be in operation next week.

Another circuit formed this year is the Tri-County League, which lists teams from Wellsville, East Liverpool, Irondale, Salineville, Bergholz, Beloit, Carrollton and Kilgore.

This 'N That In Sports . . .

GUESS who robbed Bernie Allen of a home run in Saturday's Minnesota - Yankee game. Yes, it was the modern "king of swat," Roger Maris, who with New York leading 2-1 in the eighth inning, stood against the four-foot wall in rightfield some 335 feet from the plate to snare Allen's homer bid.

BOB DAWSON of East Liverpool, captain of the 1961-62 Bowling Green basketball squad, was one of 73 students who received recognition for service and scholarship today at Bowling Green.

Dawson was given the Distinguished Service Award for his outstanding contributions to the advancement of the university.

Allen Smacks 2 Doubles In Twins 5-3 Verdict Over Washington

★ ★ ★ ★ ★ ★

Minnesota climbed to within 11 percentage points of the Yankees with a 5-3 victory over Washington behind Camilo Pascual's pitching and hitting talents; another good hitting pitcher, Jerry Walker, paced Kansas City as the A's dealt Boston its seventh straight loss, 10-5; and Detroit ran off from Chicago 7-3. Los Angeles was idle.

The Indians pounded Skinny Brown for a 7-0 lead in the first three innings but the Orioles came back, getting a pair of homers from Jackie Brandt, one from Jim Gentile and a two-run triple by Brooks Robinson. Jim (Mudcat) Grant finally was routed in Baltimore's four-run sixth and Russ Snyder evened it at 7-7 with a homer off Barry Latman in the eighth.

Winner Garry Bell struck out the side in the top of the ninth, then the Tribe settled it against southpaw Billy Hoeft, the fifth Oriole pitcher. Willie Tasby got on with a walk, Essegian rapped his third single of the night, and Romano drilled one into the seats.

Essegian, the former Stanford football star who has been on six major league clubs and 11 minor league teams in his 10 pro seasons, is the current standout of Cleveland's outfield platoon. He has been zipping along at a .500 pace his past nine games, with 17 hits in 34 at bats.

Romano's five runs batted in gives him 26 for the season, tops for the Indians. His three hits raised his average to .299.

Pascual pitched an eight-hitter for his sixth victory in eight decisions, singled across the clincher for the Twins in the seventh and batted across an insurance run in the eighth with another single. The Cuban right-hander is hitting a solid .323 with 10 RBI to his credit.

Harmon Killebrew socked his ninth homer off loser Dave Stenhouse, while Minnesota rookie Bernie Allen doubled twice and singled.

Walker yielded 11 singles, a homer to Eddie Bressoud and four walks to the reeling Red Sox but the A's still coasted in. They took the lead for good in the fourth on Jose Azcue's homer and Jerry Lumpe's two-run double.

Walker, now 5-2, banged his third homer of the year and a single, boosting his average to .346, and scored three times. Lumpe accounted for three more of Kansas City's 14 hits. Gene Conley took the loss.

Rocky Colavito and Chico Fernandez bombed Early Wynn for homers as the Tigers chased the 42-year-old right-hander with a five-run first inning on the way to their decision over the White Sox. Wynn, still looking for victory No. 295, dished up five hits and a walk before being lifted with two out.

Bill Bruton went 5-for-5 in Detroit's 12-hit attack and Al Kaline drove in two runs with singles, increasing his league leading RBI total to 36. Paul Foytack was the winning pitcher, with relief help from Ron Nischwitz.

Davis Swings LA To 8-1 Win

★ ★ ★ ★ ★ ★ ★ ★ ★

Bucs, Cards, Houston Win

By MIKE RATHET
Associated Press Sports Writer

Target: Destroy the most effective equipment used against the Los Angeles Dodgers.

Weapon: Tommy Davis, who slays Giants and feasts on left-handers.

Final Objective: the National League pennant.

That could well be the story of the Dodgers' pennant chances. Executing his assignment with precision is the 23-year-old Davis, who Monday night paced third-place Los Angeles to an 8-1 triumph over league-leading San Francisco.

Charged with the task of providing right-handed power in a line-up that relies on getting most of its long distance hits from left-handed swingers, Davis got the job done against the Giants with a 3-for-3 performance that backed Sandy Koufax' five-hit pitching.

Davis, who led the club against southpaws last year with a .352 batting average, wasted a double in the second, then got the Dodgers rolling with a two-run homer in the fourth, made it 3-0 with a run-scoring double in the sixth and wound up with a walk in a five-run eighth.

That gave Davis seven hits in 12 at-bats against the Giants this year and nine runs batted in for the three games with San Francisco. It also boosted his average to .311 and gave him nine homers and 38 RBI—second highest in the league.

The defeat left the Giants 3½ games in front of the Dodgers and the runner-up St. Louis Cardinals, who ran their winning streak to five games with a 4-1 victory over Philadelphia. Pittsburgh belted Chicago's Cubs 8-4 and Houston edged New York's Mets 3-2 in other games. Cincinnati and Milwaukee were rained out.

Davis, who was hitting .314 last year when sidelined by a bad back and wound up at .278, homered off Billy O'Dell (5-2) after Willie Davis singled with one out in the fourth. His double in the sixth boosted the edge to 3-0 before Orlando Cepeda got the Giants' lone run with his 12th homer, leading off the seventh.

The Dodgers broke it open with five runs in the eighth after O'Dell was removed for a pinch hitter. Koufax (5-2) had the Giants well in control, walking only one and striking out 10 for his first victory since April 28.

Ray Washburn (3-0), who came on when starter Ernie Broglio pulled a leg muscle in the second inning, and Bobby Shantz limited the Phillies to five hits in the final eight innings. Shantz pulled Washburn out of a two-on, one-out jam in the eighth inning by getting Tony Gonzalez to line back to the mound for the start of a double play. The Cardinals' runs were taken care of by Bill White's two-run homer and a two-run single by Curt Flood. That tagged Dennis Bennett (0-1) with the loss.

Dick Groat, hitting in his 13th consecutive game, and Bill Virdon each stroked four hits and picked up three runs batted in as the Pirates rapped out 13 hits to subdue the Cubs. Groat's single in the fifth inning drove in Virdon, who had doubled, with the run that proved to be the clincher. Reliever Tom Sturdivant (2-2) held the Cubs scoreless over the final 6 1-3 innings to post the victory. Dick Ellsworth (3-5) was the loser.

Jim Pendleton's pinch-hit triple leading off the eighth inning and a sacrifice fly by Roman Mejias got the winning run across for the Colts and ended the Mets winning streak at three games. The victory moved Houston into eighth place, three percentage points ahead of New York in the battle between the league's two new clubs. Jim Golden (2-1) won it with a seven-hitter. Vinegar Bend Mizell (1-2) lost it.

Burbick's, Travelers, Dairymen Win In LL

Burbick's, Traveler's and Golden Star Dairy broke on top wth opening day victories in the East Liverpool Little League Monday.

Pitcher Paul Berhar of Burbick's hurled a four-hitter and helped his own cause with a home run in his team's 6-2 victory over McBurney's. He struck out nine batters. Nelson Clark swung the big bat for the winners with a double and two singles. Lovejoy was the losing pitcher.

Golden Star tripped Veteran Plate Glass, 6-1, with Gary Klembara smacking a home run and single to pace the Dairymen's eight-hit attack. Dick Higgins and Dennis Klembara also collected two hits for the winners. Burlingame hit safely twice for Veterans Plate Glass.

A three-run homer by Jim Duffy and a pair of base hits by Bosworth sparked Travelers Hotel to a 9-3 win over Millirons. R. Babb was the winning pitcher wth Caruso the loser.

NFL Begins 3-Day Meet In New York

NEW YORK (AP) — National Football League brass open their three-day spring meeting today in a jubilant frame of mind after a court victory over the rival American League.

On the agenda for club owners and officials are the players' retirement plan, possible additional use of the "sudden death" rule and lesser items.

The meeting comes on the heels of Monday's court decision in Baltimore, dismissing the American Football League's $10,080,000 damage suit against the NFL. U.S. Dist. Judge Roszel C. Thomsen ruled out the AFL's charges of monopolistic practices. He directed the AFL to pay court costs.

In its suit, the AFL contended the 42-year-old NFL possessed and used the power to exclude rivals and also conspired against the young AFL by granting franchises to Dallas and Minneapolis-St. Paul in its expansion from 12 to 14 teams. When it was planning for its opening season of 1960, the AFL had franchises for Dallas and Minnesota. Then the NFL announced it was putting a team in Dallas in 1960 and would field another in Minnesota the following year.

The AFL stayed in Dallas, but substituted what it termed an inferior Oakland franchise for a more desirable franchise in Minneapolis.

NFL Commissioner Pete Rozelle called Judge Thomsen's decision a "complete vindication" of the older league. He went on to say, "It is now time for the AFL to face up to free and open competition and direct its attention to football."

Commissioner Joe Foss of the AFL termed the ruling "very disappointing" and said no decision had been made on an appeal.

150 Honor Athletic Teams At Stanton Local Banquet

By CHUCK CRONIN
Review Sports Writer

Stanton Local High said farewell to a senior nucleus of two of its strongest athletic teams at an All-Sports banquet Monday night in Irondale.

A crowd of 150 turned out for the banquet honoring the Red Raider football, basketball and baseball teams.

No one could have blamed Coach Harry Diehl for sheddng a tear or two as he gave awards to four seniors who comprised the nucleus of a basketball team that won 42 of 44 games over a two-year stretch.

And Coach Don McBride could also have been considered for some "sympathy" in handing over final awards to all but one member of his 1961-62 football team that won eight, lost one.

—:—

RECEIVING final basketball awards after two consecutive unbeaten seasons under Diehl were Don (The Stilt) Spires, Captain Bob Mills, Jim Leedy and Curt Rose.

This quartet, while juniors, posted a 19-0 regular season record and was rated fifth in the final Associated Press poll in Ohio. As seniors they won 23 and lost only one in advancing to the District single-A finals before losing.

Spires, 6-7 center who made All-Ohio honors two years in succesSon, was awarded a trophy as the squad's best foul shooter for the past season in making 130 of 180 shots for a 71.43 per cent average.

The bespectacled pillar of scoring power — 1,395 points in four years — is still considering college scholarship offers and has narrowed his choices to either Ohio University or New York University.

—:—

RETURNING cagers with varsity experience include Marlon McCune, a regular the past season, and Scott Porter. They received awards, along with reservers Bill Davis, Ken Davidson, Everett Fowler, Willard Smolinsky, Richard Seevers, and Larry Mills.

Receiving final football awards were Charles Allen, four - year regular, Kent Cline, Tom Grafton, Larry Grimm, Bob Mills, Bob Perkins, Curt Rose, Stan Wickham, Dorman Patterson, and Tom Carpenter. Wickham, sixth man on the basketball squad, was captain of the gridders.

Other football awards went to John Pearson and McCune, juniors, Fowler, sophomore, and Larry Mills, freshman.

—:—

COACH Jay Hamilton gave baseball awards to 10 athletes, including Allen, Tom Grafton, Bob Mills, Willmont Householder, Wickham, Pearson, Douglas Warden, Ken Davidson, Eddie Rosenlieb and Eddie Hale.

An address by Eddie Finnigan, athletic director and head football coach at Western Reserve University, topped the program.

In a straight-from-the shoulder talk, Finnigan cited the four marks of greatness in a champion and described them well with anecdotes from association with such greats as Olympic track star Harrison Dillard and Lou Groza.

The veteran coach of 29 years advocated spiritual soundness, courage of personal conviction, excellence and self-respect as the formula for greatness.

"Spiritual soundness is the only way great things begin," Finnigan declared in citing Olympic decathlon champion Rafer Johnson's performance several years ago.

—:—

JOHNSON was a few points behind a Russian in the 10-event decathlon and had only one chance left in the javelin throw which would decide the victory, Finnigan recalled.

With a crowd of 140,000 looking on in Moscow, Johnson knelt in prayer and called on God "for strength not to win, but to do his best," Finnigan said. The USA won as Johnson unleashed a record javelin hurl, he added.

Finnigan coached Olympic champion Harrison Dillard at Baldwin-Wallace and said the Cleveland track star was an example of excellence. He practiced hard to become the world's greatest in his specialty, Finnigan said.

Finnigan was introduced by Supt. C. P. Henderson, toastmaster.

Other awards went to Kay Stewart, Karen Tolson, Sarah Paisley and Linda Workman, cheerleaders of Miss Lydia Sinkora.

Dr. W. S. Banfield, team physician since 1934 and the school's most enthusiastic sports fan, was presented a gift of appreciation by Principal Harry Swartzlander. Head coaches also received gifts from the squads.

Receiving awards as managers were Tony Scarabino, Terry McCuen, Doug Warden and Floyd Minor.

Swimming Pool To Open Saturday For Earliest Ever

Because of the unseasonably hot weather, the municipal swimming pool in Thompson Park will open Saturday afternoon, its earliest opening in history, William Bell, park superintendent, announced today.

The pool will be open daily from 1:30 to 9:30 p. m., Bell said. It generally opens on Memorial Day and continues through Labor Day.

The fees will remain the same as last year.

Mrs. Ruth Huggins of Park Way has been appointed cashier, Bell said.

The other appointments are Donna Shawl of Dixonville and Brenda Dotson of Louise St. as girls' lockerroom attendants, and Wayne Ganas of Azalea Ave. and Carl Green of Avondale St. as boys' lockerroom attendants.

The lifeguards will be named later by James Harris and Robert Hedmond, recreation directors, Bell said.

The pool has been repainted and new diving boards installed, he said.

Final arrangements for the pool opening, along with the park, were made at the meeting of the Board of Thompson Park Commissioners Friday night.

The park officially will make its debut on Memorial Day although many groups have made use of its facilities since the advent of good weather.

The chief improvement at the park, Bell said, has been the opening of a new parking lot adjacent to the large pavilion. The tables in the pavilion and the steel framework also have been painted, he said.

The previous parking area for the pavilion was taken for the construction of two tennis courts. Bell indicated construction will start soon on a third tennis court.

In addition to the tennis courts, there is an outdoor basketball court near the swimming pool and a double horseshoe court near the park entrance.

The tables in the various pavilions as well as those located outside can handle 2,000 people, the superintendent estimated. In addition to the tables, there are many other fireplaces.

Youngstown Pro Is Medalist In Open Qualifier

YOUNGSTOWN, Ohio (AP) — Eddie Griffiths, pro at the Youngstown Country Club and former Ohio Open champion, led a field of 20 qualifiers in Northern Ohio of the U.S. Open golf tournament.

Griffiths was the medalist by three strokes with a two-under par 69-71—140.

This was the first, or local preliminary test, of two qualifiers for the National Open at the Oakmont Club of Pittsburgh June 14-16. The 20 winners go into the sectional qualifying round in early June, the location of which has not been determined.

The other qualifiers and their scores included (x-denotes amateur):

Frank Beley, Canton 72-74—146
Charlie Smith, Elyria 75-73—148
Vince Leskosky, Salem 73-77—150
x-Dr. Robert Katula, Hubbard 75-75—150

Jacob Sher's Sherluck paid the highest mutuel in the history of the Belmont Stakes in 1961. The return for $2 was $132.10.

LEBANON, Ohio (AP)—Tommy Goose stepped off the best mile of the night at Lebanon Raceway Monday night in the featured pace, but that was only a 2:20 trip over a rain-soaked track. The gelding moved up from fifth place in a stretch surge and paid $8.20.

Royal Tess was worth $5.20 for place and Zip Abbey returned $3.40 for show.

Clem Labine will be wearing No. 28 with the New York Mets this season. The relief pitcher wore No. 41 with the Dodgers.

Ex-Big Leaguer With Those Who Miss Open

By DON WEISS
Associated Press Sports Writer

No one needed to tell Lou Kretlow there's a bit of a difference between the ballplayer's golf tournament and the U.S. Open. He found out Monday, anyway.

Kretlow, who pitched in the American League for nearly a decade with St. Louis, Chicago and Detroit while wowing his teammates with his golfting talents, was among nearly 2,000 golfers who tried for 396 preliminary berths in the National Open Monday.

He was one of the more than 1,600 who didn't make it. Now a professional at Edmond, Okla., the old right-hander shot 18-hole rounds of 84 and 81 at the par 70 Oklahoma City Golf and Country Club — one of the 49 sites where the local qualifications were set up by the U.S. Golf Association.

Scores like that might have been worth breakfast money from a couple of teammates when the White Sox had a day off. But they were 14 strokes too many to get Kretlow into the second stage of the eliminations that eventually will pare the original entry list of nearly 2,500 to 151 for the U.S. Open proper at Oakmont, Pa., June 14-16. It took a score of 151 or better to survive the Oklahoma City competition.

Only 19 players this year were totally exempt from eliminations, among them defending champion Gene Littler, and the pair who have been dominating golf the last couple years — Arnold Palmer and Gary Player. Those who make it through the first stage will compete on June 4 and 5 for the 132 berths left after the exempt players are accommodated.

Forty-seven more spots will be up for grabs today at three sites in the metropolitan New York area: and 26 others in Chicago, which lost the second half of its 36-hole competition to rain Monday.

NFL Begins 3-Day Meet In New York

NEW YORK (AP) — National Football League brass open their three-day spring meeting today in a jubilant frame of mind after a court victory over the rival American League.

On the agenda for club owners and officials are the players' retirement plan, possible additional use of the "sudden death" rule and lesser items.

The meeting comes on the heels of Monday's court decision in Baltimore, dismissing the American Football League's $10,080,000 damage suit against the NFL. U.S. Dist. Judge Roszel C. Thomsen ruled out the AFL's charges of monopolistic practices. He directed the AFL to pay court costs.

In its suit, the AFL contended the 42-year-old NFL possessed and used the power to exclude rivals and also conspired against the young AFL by granting franchises to Dallas and Minneapolis-St. Paul in its expansion from 12 to 14 teams. When it was planning for its opening season of 1960, the AFL had franchises for Dallas and Minnesota. Then the NFL announced it was putting a team in Dallas in 1960 and would field another in Minnesota the following year.

The AFL stayed in Dallas, but substituted what it termed an inferior Oakland franchise for a more desirable franchise in Minneapolis.

NFL Commissioner Pete Rozelle called Judge Thomsen's decision a "complete vindication" of the older league. He went on to say, "It is now time for the AFL to face up to free and open competition and direct its attention to football."

Commissioner Joe Foss of the AFL termed the ruling "very disappointing" and said no decision had been made on an appeal.

AT STANTON LOCAL FETE. Among the principals at an All-Sports banquet of Stanton Local High School Monday night were, from the left: Bob Mills, three-sports star; Don (The Stilt) Spires, All-Ohio basketball center; head football coach Don McBride, and head Basketball coach Harry Diehl. Mills' ability as a baseball player attracted a scout for the Houston Colts last week at Irondale. Spires received a trophy as best foul shooter on the Red Raiders unbeaten cage squad of last year.

150 Honor Athletic Teams At Stanton Local Banquet

By CHUCK CRONIN
Review Sports Writer

Stanton Local High said farewell to a senior nucleus of two of its strongest athletic teams at an All-Sports banquet Monday night in Irondale.

A crowd of 150 turned out for the banquet honoring the Red Raider football, basketball and baseball teams.

No one could have blamed Coach Harry Diehl for shedding a tear or two as he gave awards to four seniors who comprised the nucleus of a basketball team that won 42 of 44 games over a two-year stretch.

And Coach Don McBride could also have been considered for some "sympathy" in handing over final awards to all but one member of his 1961-62 football team that won eight, lost one.

—:—

RECEIVING final basketball awards after two consecutive unbeaten seasons under Diehl were Don (The Stilt) Spires, Captain Bob Mills, Jim Leedy and Curt Rose.

This quartet, while juniors, posted a 19-0 regular season record and was rated fifth in the final Associated Press poll in Ohio. As seniors they won 23 and lost only one in advancing to the District single-A finals before losing.

Spires, 6-7 center who made All-Ohio honors two years in succesion, was awarded a trophy as the squad's best foul shooter for the past season in making 130 of 180 shots for a 71.43 per cent average.

The bespectacled pillar of scoring power — 1,395 points in four years — is still considering college scholarship offers and has narrowed his choices to either Ohio University or New York University.

—:—

RETURNING cagers with varsity experience include Marlon McCune, a regular the past season, and Scott Porter. They received awards, along with reservers Bill Davis, Ken Davidson, Everett Fowler, Willard Smolinsky, Richard Seevers, and Larry Mills.

Receiving final football awards were Charles Allen, four-year regular, Kent Cline, Tom Grafton, Larry Grimm, Bob Mills, Bob Perkins, Curt Rose, Stan Wickham, Dorman Patterson, and Tom Carpenter. Wickham, sixth man on the basketball squad, was captain of the gridders.

Other football awards went to John Pearson and McCune, juniors, Fowler, sophomore, and Larry Mills, freshman.

—:—

COACH Jay Hamilton gave baseball awards to 10 athletes, including Allen, Tom Grafton, Bob Mills, Willmont Householder, Wickham, Pearson, Douglas Warden, Ken Davidson, Eddie Rosenlieb and Eddie Hale.

An address by Eddie Finnigan, athletic director and head football coach at Western Reserve University, topped the program.

In a straight-from-the shoulder talk, Finnigan cited the four marks of greatness in a champion and described them well with anecdotes from association with such greats as Olympic track star Harrison Dillard and Lou Groza.

The veteran coach of 29 years advocated spiritual soundness, courage of personal conviction, excellence and self-respect as the formula for greatness.

"Spiritual soundness is the only way great things begin," Finnigan declared in citing Olympic decathlon champion Rafer Johnson's performance several years ago.

—:—

JOHNSON was a few points behind a Russian in the 10-event decathlon and had only one chance left in the javelin throw which would decide the victory, Finnigan recalled.

With a crowd of 140,000 looking on in Moscow, Johnson knelt in prayer and called on God "for strength not to win, but to do his best," Finnigan said. The USA won as Johnson unleashed a record javelin hurl, he added.

Finnigan coached Olympic champion Harrison Dillard at Baldwin-Wallace and said the Cleveland track star was an example of excellence. He practiced hard to become the world's greatest in his specialty, Finnigan said.

Finnigan was introduced by Supt. C. P. Henderson, toastmaster.

Other awards went to Kay Stewart, Karen Tolson, Sarah Paisley and Linda Workman, cheerleaders of Miss Lydia Sinkora.

Dr. W. S. Banfield, team physician since 1934 and the school's most enthusiastic sports fan, was presented a gift of appreciation by Principal Harry Swartzlander. Head coaches also received gifts from the squads.

Receiving awards as managers were Tony Scarabino, Terry McCuen, Doug Warden and Floyd Minor.

Wins Lebanon Pace

LEBANON, Ohio (AP)—Tommy Goose stepped off the best mile of the night at Lebanon Raceway Monday night in the featured pace, but that was only a 2:20 trip over a rain-soaked track. The gelding moved up from fifth place in a stretch surge and paid $8.20.

Royal Tess was worth $5.20 for place and Zip Abbey returned $3.40 for show.

Clem Labine will be wearing No. 28 with the New York Mets this season. The relief pitcher wore No. 41 with the Dodgers.

Swimming Pool To Open Saturday For Earliest Ever

Because of the unseasonably hot weather, the municipal swimming pool in Thompson Park will open Saturday afternoon, its earliest opening in history, William Bell, park superintendent, announced today.

The pool will be open daily from 1:30 to 9:30 p. m., Bell said. It generally opens on Memorial Day and continues through Labor Day.

The fees will remain the same as last year.

Mrs. Ruth Huggins of Park Way has been appointed cashier, Bell said.

The other appointments are Donna Shawl of Dixonville and Brenda Dotson of Louise St. as girls' lockerroom attendants, and Wayne Ganas of Azalea Ave. and Carl Green of Avondale St. as boys' lockerroom attendants.

The lifeguards will be named later by James Harris and Robert Hedmond, recreation directors, Bell said.

The pool has been repainted and new diving boards installed, he said.

Final arrangements for the pool opening, along with the park, were made at the meeting of the Board of Thompson Park Commissioners Friday night.

The park officially will make its debut on Memorial Day although many groups have made use of its facilities since the advent of good weather.

The chief improvement at the park, Bell said, has been the opening of a new parking lot adjacent to the large pavilion. The tables in the pavilion and the steel framework also have been painted, he said.

The previous parking area for the pavilion was taken for the construction of two tennis courts. Bell indicated construction will start soon on a third tennis court.

In addition to the tennis courts, there is an outdoor basketball court near the swimming pool and a double horseshoe court near the park entrance.

The tables in the various pavilions as well as those located outside can handle 2,000 people, the superintendent estimated. In addition to the tables, there are many other fireplaces.

Youngstown Pro Is Medalist In Open Qualifier

YOUNGSTOWN, Ohio (AP) — Eddie Griffiths, pro at the Youngstown Country Club and former Ohio Open champion, led a field of 20 qualifiers in Northern Ohio of the U.S. Open golf tournament.

Griffiths was the medalist by three strokes with a two-under par 69-71—140.

This was the first, or local preliminary test, of two qualifiers for the National Open at the Oakmont Club of Pittsburgh June 14-16. The 20 winners go into the sectional qualifying round in early June, the location of which has not been determined.

The other qualifiers and their scores included (x-denotes amateur):

Frank Beley, Canton 72-74—146
Charlie Smith, Elyria 75-73—148
Vince Leskosky, Salem 73-77—150
x-Dr. Robert Katula, Hubbard 75-75—150

Jacob Sher's Sherluck paid the highest mutuel in the history of the Belmont Stakes in 1961. The return for $2 was $132.10.

Patterson, Hall, Laughlin Win In Weekend Golfing

Jim Laughlin recorded 25 points to win Sunday's par-birdie-eagle contest at the East Liverpool Country Club. Tied for second were Dr. R. J. Kinsey and Jim Jordan with 23 each. F. J. Cloran totaled 22.

In the second division, Dick Heddleston came home the winner with 20 points.

Bob Patterson and J. T. Hall tied for honors in Saturday's match play against par, finishing 5 up. Patterson shot 2 under par, carding a 36-34.

J. R. Porter, Bill Hocking Jr., J. C. Thompson and Norm Nicely were all tied in the runnerup spot with 3 up.

The second division went to L. W. Smith Jr. with 3 up and Dick Heddleston was 2 up.

The men's official opening event will be staged Friday with a nine-hole best ball medal play tournament. Dinner will be served after golf.

Ex-Big Leaguer With Those Who Miss Open

By DON WEISS
Associated Press Sports Writer

No one needed to tell Lou Kretlow there's a bit of a difference between the ballplayer's golf tournament and the U.S. Open. He found out Monday, anyway.

Kretlow, who pitched in the American League for nearly a decade with St. Louis, Chicago and Detroit while wowing his teammates with his golfting talents, was among nearly 2,000 golfers who tried for 396 preliminary berths in the National Open Monday.

He was one of the more than 1,600 who didn't make it. Now a professional at Edmond, Okla., the old right-hander shot 18-hole rounds of 84 and 81 at the par 70 Oklahoma City Golf and Country Club — one of the 49 sites where the local qualifications were set up by the U.S. Golf Association.

Scores like that might have been worth breakfast money from a couple of teammates when the White Sox had a day off. But they were 14 strokes too many to get Kretlow into the second stage of the eliminations that eventually will pare the original entry list of nearly 2,500 to 151 for the U.S. Open proper at Oakmont, Pa., June 14-16. It took a score of 151 or better to survive the Oklahoma City competition.

Only 19 players this year were totally exempt from eliminations, among them defending champion Gene Littler, and the pair who have been dominating golf the last couple years — Arnold Palmer and Gary Player. Those who make it through the first stage will compete on June 4 and 5 for the 132 berths left after the exempt players are accommodated.

Forty-seven more spots will be up for grabs today at three sites in the metropolitan New York area: and 26 others in Chicago, which lost the second half of its 36-hole competition to rain Monday.

ORDINANCE NUMBER 16, 1962
AN ORDINANCE AUTHORIZING THE CITY ENGINEER TO HIRE TEMPORARY ASSISTANCE FOR EXTRAORDINARY IMPROVEMENT PROJECTS AND ESTABLISHING RATES OF PAY THEREFOR.

WHEREAS, extraordinary improvement projects authorized by Council have necessitated extra work on the part of the office of the City Engineer and more improvements are contemplated which will place a large and unusual burden upon said office, and

WHEREAS, in order to relieve said burden and to expedite said projects, this Council is of the opinion that extra help should be provided said office on a temporary basis as needed,

NOW THEREFORE,

BE IT ORDAINED BY the Council of the City of East Liverpool, State of Ohio:

SECTION 1. That the City Engineer be and he is hereby authorized to hire extra personnel (not exceeding three) on special improvement work for planning, field work, surveying and supervision as needed.

SECTION 2. That said extra personnel shall be paid as wages according to classification for each hour worked as follows:

Chief Assistant Engineer	$2.50 per hour.
Junior Engineer	2.25 per hour.
Field Assistant	2.00 per hour.

SECTION 3. That said wages shall be paid from funds of special projects and other funds as Council has provided to this date on special assessment improvements and as Council may provide from time to time hereafter.

SECTION 4. That this Ordinance is hereby declared to be an emergency measure and shall take effect from and after passage and approval. Said emergency lies in the fact that special improvements contemplated are related to the health and safety of the City and this action is therefore needed for the immediate protection and preservation of the health, welfare and safety of the public.

LEGAL NOTICES

LEGAL NOTICE
(Rev. Code 2703.17)

RALPH MULLEN, whose place of residence is unknown and cannot be reasonably ascertained, will take notice that on the 17th day of May, 1962, the plaintiff, THE POTTERS SAVINGS & LOAN COMPANY, filed its petition against him and others, in the Court of Common Pleas of Columbiana County, Ohio, the same being cause No. 47837 in said Court, for the foreclosure of mortgage of certain real estate and in said petition described, to-wit:

Situated in the City of East Liverpool, County of Columbiana and State of Ohio, and known as and being the South part of Lot number Seven Hundred Sixty-seven (767) in Eliza M. Rigby's Addition to said City of East Liverpool, and described as follows: Beginning at the Southwest corner of said Lot, and running thence Northwardly along the West side of said Lot Sixty (60) feet; thence Eastwardly parallel with Prospect Street Forty (40) feet to the East side of said Lot; thence Southward along the East side of said Lot Sixty (60) feet to Prospect Street; thence Westward along Prospect Street Forty (40) feet to the place of beginning.

Said premises are also known as 425 Prospect Street, East Liverpool, Ohio.

Defendants, GEORGE MULLEN, FANCHON I. MULLEN CHRONISTER and FRANCES JOSEPHINE MULLEN, who is now deceased, acquired the foregoing real estate by Deed, recorded in Volume 757, Page 484, Columbiana County, Ohio, Deed records.

The prayer of said petition is for the sale of said real estate and for other equitable relief. Said defendant is required to answer said petition on or before the 30th day of June, 1962, or judgment will be taken against him.

Glenmoor—Nearly three acres and a white colonial home, with just enough big oak trees and shrubbery to make it private, and plenty of open spaces for a tremendous lawn and room for picnics and a big garden plot. The home is very well kept, has awnings, white siding, gas steam heating system, recreation room, twin water supply, three bedrooms, ceramic tile bath, etc. There is even a summer cottage on the property too. It's location makes possible a wonderful home plus business opportunity for the right people. Will sell all, part, or might trade for a good lower priced property.

Downtown — Three apartments plus a going small business, right close to two markets and downtown. The apartments are paying enough to more than pay for the property, which would leave the business profits clear. Well worth $15,000

Glenmoor—Nearly three acres and a white colonial home, with just enough big oak trees and shrubbery to make it private, and plenty of open spaces for a tremendous lawn and room for picnics and a big garden plot. The home is very well kept, has awnings, white siding, gas steam heating system, recreation room, twin water supply, three bedrooms, ceramic tile bath, etc. There is even a summer cottage on the property too. It's location makes possible a wonderful home plus business opportunity for the right people. Will sell all, part, or might trade for a good lower priced property.

Downtown — Three apartments plus a going small business, right close to two markets and downtown. The apartments are paying enough to more than pay for the property, which would leave the business profits clear. Well worth $15,000

Junior Editors Quiz on EGGS

QUESTION: Why are some eggs white and some brown?

★ ★ ★

ANSWER: The difference in the color of eggs is caused by pigments which are put into the shell before the egg is laid. Pigments give our skin and hair their color, and they also make a robin's egg blue and a pheasant's egg gold. Some chickens are born from brown eggs and some from white. The Cornish, an English chicken, lays brown eggs. Most Mediterranean chickens lay white eggs. In many cases, birds lay eggs that blend with the countryside so the eggs will be safe. There are many brown eggs and many spotted ones. Some eggs have blotches and some have thin lines. Eggshells are made up of many layers of calcium carbonate and a very thin skin on the outside. They are quite strong. Chicken hens can lay more than 50 eggs a year. The eggs we eat are removed from the nests almost the moment they are laid. Chickens originally came from India centuries ago. There are no native American chickens. Historians believe that chickens were brought to the New World on Columbus' second trip.

★ ★ ★

FOR YOU TO DO: Try eating a brown egg and a white egg. Be sure to have someone who knows which egg is the brown one, and be sure you don't know which it is. See if you can find any difference in the taste of the two.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: I am a girl who will be 11 years old in 10 months. I like a boy in my room at school. He has freckles, red hair and a nice smile. All the girls think he is very cute.

Whenever I look at him he starts to eat writing paper, erasers or the lead out of his pencil. Yesterday he ate up the English homework before he realized what he was doing.

My mother says it's because he likes me and when I look at him he gets nervous. She says I should do him a favor and stop looking at him.

I like him best of all and I don't want to look at anyone else, Miss Landers. But I'm afraid he'll get sick from all the junk he is eating. What shall I do? — TEXAS GIRL.

-:-

Dear Girl: Your mother is probably right. "Freckleface" is self-conscious when the eyes of Texas are upon him. As a contribution to his general health, I suggest you find fewer occasions to look at him.

Mutual Hate Society

Dear Ann: I married for the second time five years ago. My husband hates my 21-year-old son who is away at college. When the boy comes home for vacations the cold war begins. It goes on until he leaves I'm dreading it already.

I don't want to take sides, but I must tell you that my husband never misses an opportunity to belittle the boy. My son has tried to be pleasant and friendly but he has been met by a wall of icy silence so many times he has given up.

I have a fine job and pay for the boy's college, his clothes and allowance. My husband doesn't spend one dime on him. All I ask is that my husband treat my son civilly.

He reads your column every day. I pray you will have the wisdom to touch his heart.—ALWAYS SHAKING.

Dear Shaking: After five years of marriage if you are unable to "touch his heart" I certainly don't expect to do it in a single letter.

Your husband's hostility toward your son probably has nothing to do with what is right or wrong with the boy. It could be a reflection of his own feelings of inadequacy. He resents your closeness to your son and views him as competition for your affections.

Soon your son will be out on his own, and away from home (I hope). Encourage him to lead an independent life and then you should concentrate on making your marriage work.

Treasurer's Report

Dear Ann: Of course I can't discuss this with anyone I know. The reason will be obvious to you when you hear the problem.

Several married couples in our crowd have a club which meets every month. We all pay dues. Twice a year the group takes an out-of-town excursion and we have a ball with the funds that have been collected.

I was recently named treasurer of the club. The former treasurer said the books were "balanced" and there was no surplus in the treasury. Figures are my hobby so last night I did something that no one but a nut would have done. I went over the ledger item by item and refigured everything.

I discovered a substantial sum should have been left over from last year. The money is not in the bank. What shall I do? — UNEASY.

-:-

Dear Uneasy: Invite the past treasurer to go over the books with you in order to "help you understand his system." Make no point of the missing money. Merely ask him for the missing bank book. I'm sure he'll come up with the funds promptly.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Sound Films Available At City Library

The Carnegie Public Library issued a reminder today for the Tri-State area that 16-mm. sound movies will be available through June.

The stock for the season includes a number of nature and safety films appropriate for "hot weather screening."

"Safety Adventures Out of Doors" is a timely film to use with groups who anticipate hiking, camping or even picnicking. This print runs 11 minutes.

Nature and science films cover a wide range of natural history:

"Animal Town of the Prarie," "Big Land Animals of Africa," "Fishing Thrills," "Grand Canyon Country," "Prowlers of the Everglades" and "The Sea Adventures of Sandy the Snail."

The following can be booked in June: "Niok," story of how a boy and baby elephant became friends (29 minutes in color), and "Adelie Penguins of the Antarctic." The latter tells the life cycle of these charming birds in 20 minutes. The story of the constellations and how they got their names is filmed under the title of "Exploring the Night Sky."

Looking well in advance to July 4th, the library suggests the following for political groups: "The Declaration of Independence," a 19-minute discussion of our government's principles; "The Pilgrims," a recreation of life as lived in our first English settlements, and "Citizenship and You," a discussion slanted for the teen-age audience.

Little folk will find an abundance of new entertainment movies:

"Hansel and Gretel," "Puss In Boots," "Caps for Sale" and "The Gold Tooth." In this last tale, the animal favorite of all children, "Mr. Bear," has a toothache.

Bringing Up A Family

By GARRY C. MEYERS

Nation Aware Of Mental Retardation

Several months ago President Kennedy appointed a panel of 27 physicians, educators, scientists, psychologists, lawyers and social scientists to investigate the various aspects of mental retardation in the United States, and report to him. The report was turned in by the end of March.

Dr. Garry Meyers

Since then the panel has been holding a series of public hearings in various large cities. The last conference ends today in Atlanta.

About the problem of retardation, President Kennedy has made some statements of ideas contained in a booklet to be had free from the Government Printing Office, Washington, D. C.

—:—

AMONG HIS ideas are the following:

Mental retardation refers to the lack of intellectual ability resulting from arrested mental development. It is present at birth or begins during childhood. The causes are many, some of them apparent, others beyound our present knowledge.

Not a disease, mental retardation may be a symptom of disease or injury, of some obscure failure of development, even inadequate opportunity to learn. It may be so severe that the afflicted person always needs protective care, or so mild as to be detected only under stress or through special tests.

Usually mental retardation can be clearly distinguished from mental illness, "for mental illness strikes and incapacitates after there has been normal development up to the time of the affliction. The younger the child, the more difficult it is to distinguish between the two."

—:—

ABOUT 5,000,000 persons in our nation are retarded. Every year 126,000 babies are born who will be mentally retarded. At this rate there will be about 1,000,000 by 1970, half of them children under nine.

Before 1950 very little attention was directed to the problem of mental retardation by federal or state governments, even by private groups.

What can be done about it?

Help for the mentally retarded can be given through:

1. Expansion of diagnostic and clinical services.
2. More special classes.
3. Parent counselling.
4. More trained specialists in welfare agencies.
5. Preparation of the mentally retarded for a useful role in society and industry.

Allies Back U.S. Action In Thailand

WASHINGTON (AP) — A preliminary government sampling of worldwide opinion on the sending of American troops to Thailand indicated today wide support of U.S. allies and divided views in neutralist countries of the Near East and Asia.

The initial study, by the U.S. Information Agency, is based mainly on newspaper and radio comment around the globe.

Extensive editorial comment in the West European press was favorable, outside of the Communist organs.

"The U.S. initiative was praised as the only effective way to save Thailand," according to the sum-up of the newspaper views in allied countries. The summary added: "Many influential papers, however, expressed skepticism regarding the possibility of improving the Western position in Laos. The thought that the West must resign itself to the military loss of Laos, unless it were prepared for a second Korea, was voiced by a number of media."

In allied nations of Asia the U.S. move was seen as needed to show the Soviet Union and Red China that America intends to fulfill its commitments in Southeast Asia.

Some called for even firmer U.S. commitment to an anti-Communist policy. In South Viet Nam, the survey found enthusiasm over the first reports of the dispatch of U.S. fighting units was dampened "as it became apparent that U.S. clashes with pro-Communist Pathet Lao units was unlikely and that the United States was content only to reinforce neighboring Thailand."

Firemen At Calcutta Train For Summer Emergencies

With the summer season approaching, Calcutta volunteer firemen began preparing for swimming emergency calls and heat prostration at a training session Monday night at the station.

Chief Laverne Seckman conducted training on a resuscitator as a refresher course for members of the department.

The department's dual-purpose resuscitator, which can be used in reviving two persons at the same time, will be available for emergencies by calling the regular fire alarm number, FU 6-5311.

Firemen said the resuscitator will be brought to the scene and the department will have a boat to assist in water connected emergencies.

The department's new truck fund campaign, which opened May 2, is continuing. Several of 11 soliciting teams have been unable to cover their assigned territories because of working hours. A report on the campaign to raise $10,000 will be made when completed.

Dennis McKenzie gave a report on a project of purchasing new caps and badges for firemen. McKenzie will obtain more samples.

An invitation was received to participate in a Memorial Day parade May 30 of the Hookstown volunteer fire department.

Tickets for the annual firemen's benefit carnival will go on sale in the near future. The carnival is July 30-Aug. 4 with Heck's Amusements to furnish rides. A parade will be held Aug. 3.

John Thompson, vice president, presided. Dale Horger, president, is expected to undergo surgery Wednesday at the Cleveland Clinic.

Legion Donates $100 On Project

A contribution of $100 to improve the ball field used by the Lawrenceville Little League and Pony League teams was authorized at a meeting of the Lawrenceville American Legion Post 163 Monday night at the post home.

Twenty-five attended the meeting at which second nomination officers was held. Plans were completed for a Memorial Day service May 30 at 9 a. m. at the post home.

Mrs. Sam Starr and son, David, and Mrs. Robert Johnston and son, Bobby, attended the meeting to thank the post for sponsoring a trip to the "King for a Day" event at Charleston in April.

Lunch was served by Donald VanDyke and Robert Hood. Paul Gill, commander, was in charge. Next meeting is June 4.

Board At Palestine To Air Loss Of Levy

EAST PALESTINE — An adjourned session of the Board of Education will be held next Tuesday night to determine what revisions of the district's financial program will be required as a result of the defeat of a proposed 5-mill operating levy in the May 8 primary.

The board had scheduled a review of the programs and consideration of cutbacks at a meeting Monday night, but decided to hold a full session on the matter when discussion was delayed by other matters.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: I am a girl who will be 11 years old in 10 months. I like a boy in my room at school. He has freckles, red hair and a nice smile. All the girls think he is very cute.

Whenever I look at him he starts to eat writing paper, erasers or the lead out of his pencil. Yesterday he ate up the English homework before he realized what he was doing.

My mother says it's because he likes me and when I look at him he gets nervous. She says I should do him a favor and stop looking at him.

I like him best of all and I don't want to look at anyone else, Miss Landers. But I'm afraid he'll get sick from all the junk he is eating. What shall I do? — TEXAS GIRL.

-:-

Dear Girl: Your mother is probably right. "Freckleface" is self-conscious when the eyes of Texas are upon him. As a contribution to his general health, I suggest you find fewer occasions to look at him.

Mutual Hate Society

Dear Ann: I married for the second time five years ago. My husband hates my 21-year-old son who is away at college. When the boy comes home for vacations the cold war begins. It goes on until he leaves I'm dreading it already.

I don't want to take sides, but I must tell you that my husband never misses an opportunity to belittle the boy. My son has tried to be pleasant and friendly but he has been met by a wall of icy silence so many times he has given up.

I have a fine job and pay for the boy's college, his clothes and allowance. My husband doesn't spend one dime on him. All I ask is that my husband treat my son civilly.

He reads your column every day. I pray you will have the wisdom to touch his heart.—ALWAYS SHAKING.

Dear Shaking: After five years of marriage if you are unable to "touch his heart" I certainly don't expect to do it in a single letter.

Your husband's hostility toward your son probably has nothing to do with what is right or wrong with the boy. It could be a reflection of his own feelings of inadequacy. He resents your closeness to your son and views him as competition for your affections.

Soon your son will be out on his own, and away from home (I hope). Encourage him to lead an independent life and then you should concentrate on making your marriage work.

Treasurer's Report

Dear Ann: Of course I can't discuss this with anyone I know. The reason will be obvious to you when you hear the problem.

Several married couples in our crowd have a club which meets every month. We all pay dues. Twice a year the group takes an out-of-town excursion and we have a ball with the funds that have been collected.

I was recently named treasurer of the club. The former treasurer said the books were "balanced" and there was no surplus in the treasury. Figures are my hobby so last night I did something that no one but a nut would have done. I went over the ledger item by item and refigured everything.

I discovered a substantial sum should have been left over from last year. The money is not in the bank. What shall I do? — UNEASY.

-:-

Dear Uneasy: Invite the past treasurer to go over the books with you in order to "help you understand his system." Make no point of the missing money. Merely ask him for the missing bank book. I'm sure he'll come up with the funds promptly.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Sound Films Available At City Library

The Carnegie Public Library issued a reminder today for the Tri-State area that 16-mm. sound movies will be available through June.

The stock for the season includes a number of nature and safety films appropriate for "hot weather screening."

"Safety Adventures Out of Doors" is a timely film to use with groups who anticipate hiking, camping or even picnicking. This print runs 11 minutes.

Nature and science films cover a wide range of natural history: "Animal Town of the Prarie," "Big Land Animals of Africa," "Fishing Thrills," "Grand Canyon Country," "Prowlers of the Everglades" and "The Sea Adventures of Sandy the Snail."

The following can be booked in June: "Niok," story of how a boy and baby elephant became friends (29 minutes in color), and "Adelie Penguins of the Antarctic." The latter tells the life cycle of these charming birds in 20 minutes. The story of the constellations and how they got their names is filmed under the title of "Exploring the Night Sky."

Looking well in advance to July 4th, the library suggests the following for political groups: "The Declaration of Independence," a 19-minute discussion of our government's principles; "The Pilgrims," a recreation of life as lived in our first English settlements, and "Citizenship and You," a discussion slanted for the teen-age audience.

Little folk will find an abundance of new entertainment movies: "Hansel and Gretel," "Puss In Boots," "Caps for Sale" and "The Gold Tooth." In this last tale, the animal favorite of all children, "Mr. Bear," has a toothache.

Nation Aware Of Mental Retardation

Several months ago President Kennedy appointed a panel of 27 physicians, educators, scientists, psychologists, lawyers and social scientists to investigate the various aspects of mental retardation in the United States, and report to him. The report was turned in by the end of March.

Dr. Garry Meyers

Since then the panel has been holding a series of public hearings in various large cities. The last conference ends today in Atlanta.

About the problem of retardation, President Kennedy has made some statements of ideas contained in a booklet to be had free from the Government Printing Office, Washington, D. C.

—:—

AMONG HIS ideas are the following:

Mental retardation refers to the lack of intellectual ability resulting from arrested mental development. It is present at birth or begins during childhood. The causes are many, some of them apparent, others beyound our present knowledge.

Not a disease, mental retardation may be a symptom of disease or injury, of some obscure failure of development, even inadequate opportunity to learn. It may be so severe that the afflicted person always needs protective care, or so mild as to be detected only under stress or through special tests.

Usually mental retardation can be clearly distinguished from mental illness, "for mental illness strikes and incapacitates after there has been normal development up to the time of the affliction. The younger the child, the more difficult it is to distinguish between the two."

—:—

ABOUT 5,000,000 persons in our nation are retarded. Every year 126,000 babies are born who will be mentally retarded. At this rate there will be about 1,000,000 by 1970, half of them children under nine.

Before 1950 very little attention was directed to the problem of mental retardation by federal or state governments, even by private groups.

What can be done about it?

Help for the mentally retarded can be given through:

1. Expansion of diagnostic and clinical services.
2. More special classes.
3. Parent counselling.
4. More trained specialists in welfare agencies.
5. Preparation of the mentally retarded for a useful role in society and industry.
